Souris Line Road 4-H Hold Achievement Day

The Souris Line Road 4-H Club and Project Clubs held their annual Achievement Day at the Exhibition grounds recently.

The Calf Club had a large class of Holstein calves and a year-old. Francis MacAnally placed first for his calf in the junior calf class; Kevin Campbell was second, and Clifford Campbell was third.

In the year-old class, first prize went to Garth MacAnally, second prize went to Garth's sister, Anne Marley, and third prize went to Barbara MacAnally.

In the class presented by the Project Club, Michael MacAnally placed first, Barbara MacAnally second, and Anne Marley MacAnally third.

Special prizes were presented to the winners of the junior and senior calf classes by John Mulally, MP for Kings.

The following were judged best for their year's work: Joseph MacAnally, 2 Clifford Campbell, 3 Garth MacAnally, Dave Smith the 4th Director of Kings County Agricultural Society.

For the winners of the junior and senior classes, the following were shown and he expressed the same sentiments to their director, Father Dupuy.

Ch'town Man Is Appointed Department Beef Fieldman

Glen Cotton, Charlottetown, has been appointed as a beef fieldman to work under the department of agriculture, Agriculture Minister Andrew MacRae said last evening.

The appointment is on a part-time basis for the present and is for a period of three months, Mr. MacRae said.

Appointment of a beef fieldman was requested more than a year ago by the P.E.I. Beef Producers' Association. "This is the first opportunity we have had to find a suitable man," the minister told The Guardian.

Mr. Cotton has had wide experience with an internationally known packing firm and has knowledge of beef animals that fits him for the job, several beef producers observed last night.

This man can advise beef breeders and feeders if his cattle are ready for marketing, at best prices; if they should be held for several weeks, for example, or whether in some cases the owners would be best advised to sell their animals to feeders where they would get a better price, than they would by disposing of them to packing plants when the animals are not fit for beef, Mr. MacRae explained.

"We are very pleased that this appointment has been made," Mr. Cotton is the man we had in mind when we were thinking of establishing a livestock marketing yard," an officer of the beef producers association said.

FAVOR SPACE CREATURES
PASADENA, Calif. (AP) — Conditions favorable to life may be much wider spread through space than generally believed, says Dr. Harrison Brown, California Institute of Technology geochronologist whose study is financed by the National Aeronautics and Space Administration. He says creatures as intelligent as man may inhabit thousands of planets in our own galaxy.

\$258,483 Objective Set For United Fund Campaign

The Prince Edward Island United Fund Campaign is due to open Sept. 24 with the objective of \$258,483 for the major agencies and the 11 former tag days. The campaign will run until Oct. 20 at which time it is hoped the objective will have been exceeded.

The organization to be used in this year's campaign has been developed out of the experiences of the two previous years and consists of the 18 region high school districts and the two urban areas of Summerside and Charlottetown.

Heading up this organization as provincial chairman is Frank J. MacDonald of Robinson Supplies Ltd., Charlottetown. He has previously served as Charlottetown payroll division chairman and provincial vice-chairman. Reimold Jenkins of W. R. Jenkins Ltd. will assist Mr. MacDonald at the provincial level.

DISTRICT CHAIRMEN — Heading the regional high school districts are the following: Albert, Mrs. A. C. Green, Athens, Robert Jardine, Central Queens, Archie Johnson; Charlottetown, Bureau Fremont Archer; Endwood, Brent Wood and Stephen MacLeod; Evangeline, Joseph Gaudet; Kensington, Everett Donald; Kirkira, Ralph McCarville; Miscouche, Ben DeLoche; Miramichi, Ralph Beck; O'Leary, Chester MacKinnon; Souris, Joseph Campbell; Stella Maria, Allan Gauthier; Tignish, Everett Harper; Tyne Valley, Lorne Burleigh; Moreil, James Jay and Joseph Kelly.

The Charlottetown division is organized under Col. L. F. MacDonald, Summerside division is under the chairmanship of Tom Richardson while Francis MacQuarrie and R. A. Grintaid are co-chairmen of the Prince County area and Don MacDonald and Bruce Stewart are co-chairmen of Kings County north.

Each of these divisions has a public relations committee which is responsible for making the United Fund known in its

own area and the arrangements for the kick-off meetings to be held Sept. 24.

LARGEST GATHERING — Twenty-one of these kick-off meetings are to be held at various centres throughout the province on the evening of the 24th and an address by Brig. W. W. Reid, United Fund president, will be heard simultaneously by all the workers attending these meetings.

It is expected that the number attending will be in the region of 2,500 and this will be the largest gathering of United Fund volunteers in Canada.

The objective this year includes an amount to cover a portion of the shortfall of last year's campaign. The board, at that time, felt it essential that the work of the agencies should be maintained at a high level and they therefore agreed to pay the agencies up to 90 per cent of the 1964 allocations. This meant that the United Fund has accrued a deficit of \$38,000. This amount has been added to the requirements of the agencies for 1965 in arriving at the objective.

The special allocations amount to only a 2 per cent increase over 1964. Each division of the campaign has been allotted a quote.

Child Struck At Sherwood

Six-year-old Nancy Walker suffered a broken leg when she was struck by a car yesterday near her home in Sherwood.

RCMP said the child, daughter of Mr. and Mrs. Leigh Walker, 16 Falconwood Road, stepped out of the car she had been riding in and ran into the path of a car driven by Keith Irving Williams of 17 Orlebar St. Street.

She was taken to the Prince Edward Island Hospital where she is said to be in satisfactory condition.

ACCEPT OWN SHARE — "The aim of this year's campaign is to get every resident of the province to accept his or her share of the total," said Frank MacDonald. "If we can become truly united and each bear his own fair share, then we will have no difficulty in reaching our target by the 20th of October."

The president, Brig. Reid, when contacted yesterday said, "We live together, we work together, we play together, let's all give together. It is true that all the agencies are now in the United Fund but it is the wish of some to stay independent. We of the United Fund are making continuous efforts to get them to participate and we

will be glad to accept their share of the total."

COMMERCIAL COPY PRESENTED — A specially-bound copy of the Canadian classic Anne of Green Gables by L. M. Montgomery, for the Queen, published by the Ryerson Press, Toronto, was presented to Lieutenant Governor W. J. MacDonell at Government House, Monday, by Dr. C.H. Dickinson, former general manager of Ryerson Press and now secretary of the board of directors. Above, Dr. Dickinson, left, makes the presentation. The special edition of the book was published to mark the occasion of the Charlottetown Conference Centenary. Additional specially-bound copies of the book were also presented to Premier Walter B. Shaw and Dr. Frank MacKinnon.
