

Expect Four Canadians On Truce Team

OTTAWA (CP)—Canada's representatives on the 12-man advance party which will begin token supervision of the Indo-China truce are expected to be selected from Canadians now in New Delhi attending preliminary meetings of the truce commission.

Officials of the external affairs department said it is expected that Canada, India and Poland each will have four members on the advance party. It will visit Indo-China within the next week and report on what is required for proper supervision of the truce.

The Canadian delegates at the preliminary meetings of the commission include Scott Reid, high commissioner to India; Brig. R. E. A. Morton of Toronto, commander of the Canadian Far East military mission in Tokyo; R. M. Macdonnell, assistant under secretary of state for external affairs; Air Commodore H. C. Routledge and Maj. V. A. Jamieson of Ottawa.

Two additional Canadian delegates left Ottawa by air for New Delhi Sunday. They are Frank B. Lachey, a foreign service officer with experience in international finance, and Frank Finnie, who will head the administration staff of Canadians on the truce commissions.

An external affairs official said that Canadian representatives on the three commissions to be set up in Viet Nam, Laos and Cambodia have not yet been chosen. They are not expected to be named until after the conclusion of the preliminary talks.

Cardinal At Home

The badge of the assembly was the proffered hand and the curious eye, searching a face for signs the years had not destroyed. Conspicuous among its reunions was the scarlet cap of the Cardinal himself. His merry laughter rang across the campus as he sat on the veranda of the College's original—and long its only—building or bounced up to greet a friend. It was obvious he was as happy as an undergraduate whose just routed his final exam.

Across the lawn the big trees shadowed from the August sun, men occasionally trekked into one of the red-brick buildings and down the hall to knock on the door of a blend of Scotland and Ireland named Rev. Terence Campbell, a remarkable man of 86.

Recent visitors to the home of Mr. and Mrs. J. J. Campbell, Dundas Centre, were John and James McBride of Everett, Mass. Mrs. Mark Dunphy and son, Harold of Dorchester, Mass. The McBride brothers are photographers and took many snaps of our beautiful Island scenery.

The many friends of Mrs. J. H. Skinner of Bridgetown are glad to hear she is making rapid recovery after a major operation at King's County Hospital, Montague.

Miss June McIntyre of Souris is spending a few days in Dundas, guest of Miss Jean Campbell.

Mr. and Mrs. Loney Lovewell and children have returned to Holliston, Mass., after spending an enjoyable vacation with Mrs. Lovewell's parents, Mr. and Mrs. George Turner of Dundas.

An epidemic of chicken pox has struck this part of the community and several people are ill with it.

MADRID (AP)—Generalissimo Franco Sunday proclaimed amnesty affecting an estimated 25,000 prisoners in Spanish jails. The pardon is granted in observance of the Roman Catholic Marian Year. Prisoners sentenced for minor crimes will go free; others will have their terms reduced.

Today St. Dunstan's has an annual enrolment of 300, gives degrees in arts, science, and commerce as well as pre-medical, pre-dental and other courses. The farmers and fishermen and villagers of the Island can send their sons and, since 1942, their daughters to the College, for the remarkable sum of \$390 a year, board included.

As Msgr. MacKenzie, the rector, said today "Our most important export has long been our youth. We've tried to give them a bit of education before they set out and give it to them as cheaply as possible because of the primary character of our economy."

Dundas

Mr. Albert McLaren and his bride (nee Shirley Jenkins) are spending their honeymoon on the Island. Mr. McLaren's old home is in Forest Hill and his wife's is in Cumberland Hill. They were married in Toronto on July 24.

The many friends of Mr. and Mrs. Chester Turner of Holliston, Mass., are deeply sorry to hear of the tragic death of their son, Ferley, in a car accident in Boston, Mass. This is the second son of Mr. and Mrs. Turner to be killed in a car accident.

Mrs. Christie A. Acorn of Charlottetown is spending a few days at the home of Mr. and Mrs. Herb McLeod, Poplar Point.

Mr. and Mrs. Larry Morris of Somerville, Mass., are spending their vacation in Dundas, guests of Mr. and Mrs. John Morris.

During his absence the dwelling house of Mr. Allan Shephard of Glenfanning, was completely destroyed by fire. The origin of the fire is not known.

The many friends of Mr. John M. McLeod of Strathcona, are glad to see him again after his appendectomy operation at the King's County Memorial Hospital, Montague.

Mr. and Mrs. Lewis E. Bland and daughter, Jewel, have arrived home from Winthrop, Mass., to spend some time with Mrs. Bland's mother, Mrs. J. H. Skinner of Bridgetown.

Mr. and Mrs. Harold Dockendorff and children, Shirley and Jackie of Dundas, have arrived safely at Corner Brook, Nfld., where Mr. Dockendorff is employed.

The Swimming and Water Safety programme is now being carried out at Bridgetown under the skillful management of Miss June Gardiner of Cardigan. Upwards of 20 pupils are enrolled.

Mr. and Mrs. Earl Swallow and daughter, Lorraine of St. John, N.B., are spending their vacation at Abion Cross, guests of Mr. and Mrs. Angus McLean.

Mr. and Mrs. Alex McKay left on July 30 for Bell's Corners, Ontario, where they will visit with their son-in-law and daughter, Mr. and Mrs. James Morris.

A new home is now being erected by Mr. Farquhar Campbell of Dundas. Mr. Wallace McKenzie is doing the work.

Mr. and Mrs. Dan Morris and family of St. Thomas, Ontario, are now occupying their lovely summer home at Poplar Point. One of Mr. Morris' sons, while out for a stroll the other evening, was confronted by a large bear. Boy and bruin parted company "pronto".

A number of older residents have seen this same bear accompanied by two cubs. Where are all the marksmen?

CORONER'S INQUEST LAST NIGHT INTO CAR FATALITY AT MELVILLE

A verdict of death near Pownal on route to the Prince Edward Island Hospital following a motor accident at Melville School was reached by a Coroner's Jury last night after they heard evidence regarding the death of Roderick MacFadyen MacFadyen. Dr. L. E. Prowse was the Coroner with Mr. John Nicholson representing the Crown. The accident occurred on the night of July 26.

One member of the jury, which was called a week ago, was not present at the inquest last night. Coroner Prowse said he understood the man was ill but had no medical report to substantiate it and for that reason had to fine the juror \$20. However, he said that he would cancel the fine if he received a report of illness from the man's physician.

Members of the jury were Messrs. Victor MacFarlane, Vernon MacFarlane, Hawley Crockett, Jerry Driscoll, Joseph Nolan and Hartley Gordon.

The first witness called was Dr. Stewart MacDonald, physician who resides in Eldon. The doctor told the Court of having been called to the scene of the accident on the night of July 26. He said the victim suffered a number of abrasions and skull fractures. He was called to the accident between nine and ten o'clock that evening. At that time Roderick MacFadyen was unconscious.

Const. Gordon R. Humphrey, R.C.M.P., stated he was called that evening to Melville and took several photos which were introduced in Court. He said the vehicle involved was lying on its left side at right angle to the highway.

OTHER WITNESSES Mr. Omer L. Ferguson, Cardigan, said he was driving on the highway with two guests that evening. The car, he stated, driven by the late Mr. MacFadyen, passed him and then he saw it swerve near the school. When the passing car turned over he stopped his car and did what he could to aid the two brothers, then he went to a nearby home and called an ambulance. He said he heard the car blowing its horn in an attempt to pass and almost immediately it went by it turned over. He said that Roderick MacFadyen was approximately 20 feet from the car but he believed he was still alive at that time.

There was no oncoming traffic at the time and there was no difficulty in travelling on the road. Mr. David R. MacKenzie, farmer of Garloch, said he was at the scene shortly after the accident and saw no indications of drinking.

Mr. Murdoch A. MacFadyen, brother of the killed man, who was in the car at the time, said he remembered passing a car on the road and then shortly after the vehicle in which he was travel-

ling turned over. He thought the car swerved before the accident. He stated he had been with his brother from early that morning and did not see him drinking. He noticed that his brother seemed to have trouble steering the car and it appeared it had a tendency to 'duck' to the side of the road. After the accident he remembered nothing until he was rising from the side of the road.

Mr. Charles Gillis, ambulance driver who took the deceased to hospital in this city, said he was alive at the time and was groaning. However, when he arrived at the hospital Dr. F. Rachmel pronounced him dead.

In the absence of Dr. Harold Shaw, Provincial Pathologist who performed the post mortem examination, the formal report was read by Coroner Prowse. It stated death resulted from multiple fractures, abrasions and bruises, especially to the head, shoulders and forearms.

The report indicated the presence of 2.5 milligrams per milliliter of alcohol in the urine which presumed a definitely intoxicated condition and the percentage in the blood was four milligrams.

RECEIVES RADIO CALL Const. R. Pettitt, of the R.C.M.P. Montague Detachment, said he received a radio call to the accident that evening. He was on motor patrol at the time. He saw the car and was told that the man injured was taken to hospital in the city. He said he saw an impression on the ditch and a deep impression on the road when the car returned before overturning. The marks in the ditch he testified were approximately 60 feet long while the impression he saw on the road extended for about 75 feet.

Const. Pettitt believed the car rolled over at least 2 1/2 times before coming to rest on its side. At the time, he stated, the road was damp and the shoulder was soft.

At the scene of the accident he said he saw an empty whiskey bottle and an empty wine bottle which smelled of moonshine. At that point the road was 21 feet wide and there was no appreciable depth to the ditch.

Inverness County Freighter Sold

HALIFAX (CP)—Acadia Overseas Freighters Ltd., announced Monday the 7,132-ton freighter Inverness County has been sold to a Panamanian company that will rename her the Gassian and sail her under the Liberian flag. President Harry I. Mathers said the sale reduces to one the number of "county" line freighters still owned by his company which once had 14 plying the seas. The sole survivor is the Shelburne County which like the Inverness County has laid idle and rusting at a Halifax pier since many months. The high cost of operating Canadian freighters has forced the sale of the ships, Mr. Mathers said. The latest purchaser is San Felicia Compania Naviera, S. A., of Panama.

IN MEMORIAM

ARCHIE A. FLOYER

There passed peacefully away at his home in St. Peter's Road, Cardigan on June 16, 1954, Archie A. Floyer in his 44th year.

Although the deceased had been in failing health for the past few months, still he was up and around as usual until the eve of his death.

During the evening he was stricken and despite all that medical science and loving hands could do, he passed away on the above date.

The late Mr. Floyer returned to the Island fourteen months before the time of his passing where he engaged in farming. Previous to that time he resided in Boston and Kansas City. He was the son of Mrs. Floyer and the late George H. Floyer of St. Peter's Road.

It is indeed sad to see one so young and in the prime of life taken away from loved ones and home, but God's ways are beyond our finite minds to comprehend. His cheerful disposition and loving kindness won for him the respect of all with whom he came in contact.

He leaves to mourn besides a sorrowing mother, one brother John of Martinvale, a sister, Georgina, Mrs. Richard Bieren of Kilmutt, seven nieces and two nephews.

The funeral, which was largely attended was held from the home of his brother, John, on June 19, where a short service was held at the house and thence to St. Andrew's Presbyterian Church, Cardigan. Service was conducted by Rev. Donald A. Campbell who spoke most fittingly on the solemn occasion.

The following hymns were sung: The Lord's My Shepherd, God Calling Yet and Abide With Me; also a solo The Last Mile by Walter Burdett, which was appreciated.

The pallbearers were: Sterling MacSwain, Jack Webster, Edward Sharkey, Angus Docherty, Joseph Flynn and Gordon MacLeod. He was laid to rest in the family plot at Cardigan.

IN MEMORIAM

ALEXANDER D. MacKINNON

The death occurred at his home in St. Peter's after a long illness of Alexander D. MacKinnon, in his 69th year.

The deceased was connected with the fishing industry for upwards of 50 years and was for many years recognized as one of the best fishermen out of Cable Head; usually he fished the whole summer through. When the lobster season ended he went cod fishing, and was a master hand at curing and was rarely able to supply the demand for his specially "Cured Cod".

Although he devoted most of his time to fishing, he was handy with tools of all kinds and could do a good job at carpentry, cement, and stone work. His beautiful home on Sparrows Road is evidence of his ability in this respect and good management on the part of himself and his wife, nee Katherine MacEwen, who nursed him. It was she that tenderly nursed him during his long illness and day and night was ready with infinite patience to accede to his simplest desires.

Besides his wife he leaves to mourn the following sons and daughters: Mary, Mrs. M. Poole, Rosebeth, Dorothy, Mrs. Russell Dockendorff, Goose Bay, Labrador; Henrietta, Morell; John A. and Glendon, St. Peters; Cora and Eric at home. Two sons, Lloyd and William, victims of World War II, sleep in Italy and France. Another son Ralph was drowned while swimming at Whitlock's Pond seven years ago.

His funeral was held on Sunday afternoon, April 19, after a short service at the home conducted by R. A. McLeod of St. Peter's United Church. The remains were conducted to the church where an eloquent tribute to the deceased was spoken by his pastor.

This was the largest funeral seen here for some time; many were unable to gain admission to the church. This and the many beautiful floral offerings and messages of sympathy received testified to the high esteem he and his family are held in the community. Interment was in Midgell Cemetery.

The pall bearers were Messrs. Gordon Sanderson, James McDonald, Winston Birt, D. F. McDonald, Charles E. MacKinnon, K. E. McCallum.

Card Of Thanks

The family of the late Alexander J. MacKinnon wish to thank their kind neighbors and friends, Rev. R. A. McLeod, Dr. Burden, and all who sent floral tributes and messages of sympathy.
