## Preacher Roe Pitches Brooklyn To 5-3 Victory Over Yankees

By Hugh Fullerton, Jr.

NEW YORK, Oct. 3 (AP)—Preacher Roe, veteran Brooklyn southpaw, limited New York to six hits, including homers by Yogi Berra and pinch-hitter Johnny Mize, as the Dodgers won the third game of the World Series 5-3 today and took a 2-1 lead in the series.

The crafty Roe, working hard and slowly stopped the Yankee right-handed hitters cold on this chilly afternoon, but the lefties did enough damage to keep the score close until the ninth inning, when a passed ball by Berra allowed Brooklyn's last two runs to score.

The Dodgers collected 10 hits off Lopat, another slow-balling southpaw, and finally drove him to cover in the ninth. Tom Gorman, a righthander, finished for the Yanks and gave up Brooklyn's 11th and final hit.

Although he couldn't get their hits in effective clusters the Dodgers pushed over a run in the third inning and another in the fifth to take a 2-1 lead. Brooklyn made it 3-1 in the eighth just before Berra smashed his third home run in World Series competition.

Then, in the ninth with Pee Wee Reese on third and Jackie Robinson on second, Berra let one of Gorman's pitches get away from him—and the two Dodger runners scooted home.

Mize Hits Home Run

In the bottom of the ninth, Mize, hitting for Gorman, belted a home run into the right field stands. It was his first in series competition. A huge crowd of 66,698, contributing \$311,754.97 to net receipts, after taxes, watched the game in football that was more suitable for weather than baseball.

## Opening Encounter Of Football Series Today

Two teams of long standing rivalry on the football field, Saint Dunstan's University and Mount Allison University will meet here this afternoon in the opening game of the Maritime Intercollegiate Football League.

The game will be played at Saint Dunstan's Field and will get underway at three o'clock with Gordon Bennett of Prince of Wales College handling the whistle.

Both coaches A. J. MacAdam of St. Dunstan's and Major Walter McCormack of Mount A. were hopeful last night of obtaining a win in today's opener and getting the two point jump in the tough four team league.

But before a winner has been decided by five o'clock this evening there is likely to be quite a struggle. The two teams waged great battles last year in their two meetings and both are reputed to be stronger this season.

The Saints have eight of last year's team and five new men in their lineup while the Mounties have eight new men and five holdovers from last year on their squad.

The Mounties are said to be heavy and fast. Their scrum averages about 190 pounds while Bob Allen and Kent Kilmington provide a lot of speed in their backfield.

The Saints have a medium sized team with plenty of speed and good tackling ability. Injuries, however, to four key men have hurt their cause although there was good news out of their camp last night when the announcement that Paul Jay and Clarence MacDonnell would be able to play.

Missing from the starting lineup will be forwards Freddy Driscoll and Cy McIsaac. The former has a bad knee and McIsaac has a bruised elbow.

Following are the lineups for today's game:

S. D. U.—forwards; Rodney McInnis, Ronnie MacIvor, John Madlally, Clair Callaghan, Art Edinger, Charlie Cheverie, backfield; Pete Dunphy, Clarence MacDonnell, Paul Jay, Lloyd Gaudet, fullback; Mark Reardon, Subs; Jo Mullally, Aquinas Ryan, Cy. McIsaac, Bob Mooney.

Mt. A.—forwards; Berley Reynolds, Leslie Davies, Ian Ray, Ray Thompson, Angus MacLean, Ken MacLeod, Neil Clarke, Lloyd Sutherland, backfield; Leonard Nicholson (captain), Roger Clarke, Kent Flemington, Don Allen, Bob Yeardon, Bill Clarke, Bill Naylor, Bill Rudderham, fullback; Brian Fluhmann.

ed to make the move. When he got the okay sign he made the break and Robinson followed.

Yogi Berra took the blame for the Yankees defeat. "I did it myself, it's my fault" Yogi was quoted as saying after the game. He was referring to the ball that got away from him in the ninth permitting Robinson and Reese to score. Apparently the ball hit the forefinger of his left hand which he caught. A rather odd habit and one which has proved very costly and may prove more costly to the Yankees.

Today the two Series starting pitchers, Joe Black of the Dodgers and Alie Reynolds of the Yankees will be back in action after only three days rest. It's a lot to ask of both men. Reynolds at 33 is only a youngster while Black at 23 is only a rookie and carrying a lot of responsibility on his shoulders. The Yankees may have to play without Berra and Billy Martin. For them the chips are really down. The chips are also down for the Dodgers. If they lose today both Joe Black and Alie Reynolds will be out of the line in bad way for the remainder of the Series.

Harry Poulton of Charlottetown will put his Marlame welterweight boxing crown on the line when he meets Elol Durelle of Bale Ste. Anne, N.B., at Chatham next Wednesday night. Harry won the title two weeks ago by defeating Kid Ashade of Glace Bay and apparently Durelle has been claiming he is the rightful titleholder and New Brunswick scribes have been referring to the welterweight crown as the disputed title.

## DOWN THE BACK STRETCH

We welcome back to this column the well-known horseman, Cecil H. McKinley of Houlton, Maine, with the following interesting letter: "I enclose picture of Bob Ryan and Colonel Dan when they won the Frankfort-Dodge trophy on August 23rd at Yonkers, N.Y., time, 2:07 1/5. There has been quite a bit of publicity about Bob's success with Colonel Dan but very little about the fast colts he has bred and raised from only three crops of colts and three brood mares. From Pine Ridge Norma, a non-record daughter of Lee Harvester 2:16 1/4, he got Fleet's Lady 4, 2:11, by Fleet Harvester 3, 2:09, and Jolly Girl 3, 2:07 3/5 by Jolly 2:05 1/4, and from Miss Westcott (no record) by Jim Hanco 2:07, he got Merrie Feet 4, 2:07 4/5, by Hot Feet 2:03 1/2, and Lusty's Frisco Girl 2, 2:32 1/5, by Lusty Frisco 2:07 1/4, all records made in 1952. Another quite remarkable fact is that these fillies were all sired by horses he owned at the time the mares were bred.

"Mr. McGee 2:10, by Abner T. Clegg, won at Cumberland, Me., last week and Birmingham's Prudence. He won there last night. Several Canadian stables are racing down in Maine but there are too many horses there and in order to give them all races they are going only one dash in the slower classes, mostly for \$300. Fryburg Fair is on this week and Topsham on October 13th and going over the fall fairs in Maine. There will probably be three or four weeks of overcoat meets and then the winter season will be on. Farm crops are bringing good prices in Aroostook and I look for a good demand for horses that can show worthwhile speed. There is little call for brood mares or undeveloped colts. Woodstock will continue racing one night a week for three weeks longer and then the horses will go into winter quarters.

"The fast pacing stallion N. D. Hal 2:05 by Hal Dale, that was bought at the Harrisburg sale by Bill Stiles of Woodstock last fall, has been in the stud at Woodstock the past summer and has been bred to more than a dozen well-bred mares at a fee of \$100. He is a well-bred horse, a nice individual and was a high class race colt, earning more than \$25,000 at two and three. He is stoutly bred, his dam, Sally D., Scott 2:03, having produced but three colts, all with records from 2:01 1/2 to 2:05 1/5, with total earnings of \$117,999.05 up to 1952. She was sired by Peter Scott, 2:05, the next dam, Abbe Gentry 2:13 1/4, by the family founder, the Abbe 2:04, had seven in the 2:10 list and her third dam was an own sister to Aroostook's own horse, John R. Braden 2:02 3/4, that continued to win the Maine several parties from this section plan to attend the Harrisburg sale and I expect we will see some new steeds in action on our local tracks next year."

Cecil also enclosed an account of the recent races at Cumberland Fair, Maine, Sept. 27th. In the 2nd Race, a Classified Pace, C. Albert Budlong (Burt) was 3rd in a field of eight, time, 2:17 1/5. In the Free For All Trot, 4th Race, Brutus Scott won with Mary Merk (Sample) 3rd, time, 2:11. In the 7th Race with the same field Brutus Scott won, Mary Merk 2nd, time, 2:11.

We regret to learn that the popular owner-driver Laurie O'Brien, Lower Sackville, met with a serious injury in a race held at Moncton recently. The horse behind him caused other severe injuries. He is at present in hospital in Moncton from where we had a conversation with him and although suffering such painful injuries he was bright and cheerful. Our best hopes and those of thousands of other friends are for his speedy recovery.
