

SUPERVISORY HELP WANTED

Our current expansion program requires additional executive, supervisory and operating staff. A number of openings can be filled immediately.

ASSISTANT TO PLANT MANAGER
Should be mechanically inclined, familiar with most of the following: refrigeration, maintenance management, purchasing and staff supervision. College graduate preferred, but not essential.

For the above, apply in writing, giving a complete resume of education, job and salary history, outside interests, etc. Address your letter to "The Managers" marked confidential.

AGRICULTURAL MAINTENANCE SUPERVISOR
A skilled mechanic with farm equipment experience is required to be responsible for the complete fleet of agricultural and road equipment. Openings available immediately.

SUPERVISORS
Male and female supervisors are required for production, quality control, warehousing, etc.

Some openings available immediately, others over next few months.

All inquiries will be received in confidence. For latter two, address inquiries to Personnel Supervisor.

These positions will be of interest to those successfully employed at present, but lacking advancement. Excellent health, medical, pension and vacation plans.
