R. Moore of Crosbie & Co., St. John's, Nfld., the well-known produce dealers, has been on the Island during the past two weeks in the interests of the firm. Mr. Moore previous to visiting the Island has just returned from a trip through the Annapolis Valley, Boston, New York and Montreal. His trip has been a most successful one especially on the Island where he has secured large shipments of oats, hay, butter and cheese for Newfoundland. This is Mr. Moore's first visit to this province and his tour will doubtless result in a much increased trade for Crosbie & Co.

The appearance of Havelock S. Morrow in an elocutionary, entertainment in the B. I. S. Hall at Souris on the 10th inst. is looked forward to with great interest. The introduction of a number of the world's most famous readings, such as "Cassius Colloquy with Brutus" in the first act of "Julius Caesar," "Old Ace" and "Lascas," together with many others equally as powerful and entertaining, give assurance of a delightful evening. Mr. Morrow strives for nothing short of perfection in his work, and the most perfect and artistic renditions, whether dramatic, comic or historic, result. Hear him Oct. 10th.

OUR P. E. Island friends will read the following note with special interest; extract from a letter of Miss Montgomery: We have had the pleasure in Hamadan of a visit from the U. S. Minister. He and his secretary arrived on Monday, and left on Friday. He visited our Faith Hubbard School and wrote many appreciative words in our visitors' book, as did also a Major of the English army who visited us two weeks before. It is a great comfort to have so much kindly appreciation of our work, but the testimony of our own conscience is better still.—Miss Montgomery belongs to P. E. Island.—Witness.

**TOO GREAT EXPENSE.**

Not The Reason.

It is not because Pyramid Pile Cure is so expensive that many people decline to give it a trial, but because they find it too great a tax on their credulity to believe that the published letters bearing testimony to the merit of this are genuine and bona fide; especially to those who have realized the suffering incident to piles is it incredible that anyone who has been afflicted twenty-five and thirty years with the worst forms of protruding and bleeding piles should be cured by the application of a simple remedy, when their physician has assured them that the only relief is in a surgical operation. This is rightfully viewed with dread by all those afflicted, as it means at the least a great shock to the nervous system, with more than a possibility of utter collapse and death; in the majority of cases, too, there is a return of the complaint, owing to the fact that the cause is not removed.

The proprietors of Pyramid Pile Cure agree to forfeit one thousand dollars to anyone who will show a single published testimonial to be not genuine and unaltered; this latter feature is most gratifying, inasmuch as these letters are written solely out of gratitude and with the hope that those who are afflicted as the writers have been may learn that relief is at hand at a comparatively trifling expense. Pyramid Pile Cure is for sale by druggists at fifty cents a package, or will be mailed by the makers to any address upon receipt of price.

Mr. Wm. Lichtenwalter, head of the largest printing house in Canada, Ohio, says: "It is with the utmost pleasure and satisfaction that I can say I believe I am cured of protruding and bleeding piles, after suffering more than twenty-five years. I have been in bed for two weeks at a time. I have not suffered in the least for over a year, and I used only three fifty cent boxes of Pyramid Pile Cure. I advise every person suffering with this distressing and painful complaint to give this remedy a trial. I have every confidence in it." Write the Pyramid Drug Co., Marshall, Mich., for their book on the causes and cure of piles.
