ORNAMENT TO THE CITY.—It is pleasing to learn that a large and handsome brick building is to be erected on DesBrisay's corner. Mr. W. C. Harris, A. R. C. A., has prepared the plans.

CENTRAL CHRISTIAN CHURCH.—The pulpit of Central Christian Church will be occupied tomorrow by Rev G A Reinal, of Brockton, Mass. The subject of the evening discourse will be The death of Jesus Christ. The Rev gentleman is an earnest, energetic and pleasing speaker, and a large audience is expected.

PAULINE JOHNSON.—Miss E. Pauline Johnson, of the Iroquois tribe of Canada, has taken Boston by storm with recitals of her poems. She is perhaps the most unique figure in the literary world of this country.—New York Sun. Miss Johnson will be at the Opera House on Thursday evening, 16th inst.

INTERESTING PHOTO.—An interesting picture is on show in the window of G. H. Cook's studio. It is an enlarged photo of a snapshot taken of the recent drowning accident by Mr. Edward Cook, and shows very distinctly three of the men clinging to the top of the mast of the submerged boat. It is a very successful snapshot.

DROWNING AT VICTORIA.—A nine-year-old son of Mr Albert Sherrin, of Victoria, was drowned at the wharf at that place yesterday afternoon. He was playing with his brother and another companion at the time, and fell into the water and was drowned before aid came. He was taken from the water fifteen minutes after the accident, and though every effort was made to resuscitate a life it was useless.

In connection with the Electric Light Sports on the evening of the 14th inst. there will be a quarter mile bicycle race against time, open. Some of our fast ones noticed that, in the Halifax sports, the quarter-mile bicycle record, flying start, was lowered, and their blood being up they wished for an opportunity of being up against the record as reduced. They are confident of making a margin of one or two seconds, under favorable circumstances.

RUNAWAY.—Quite a commotion was caused yesterday afternoon about 5.30 on Grafton Street. Mr. Jeremiah O'Connor, of Hope River, was putting some articles into his wagon at Dodd & Rogers' warehouse, Grafton Street when his horse took fright and dashed at a furious rate along the street in an easterly direction. The horse crashed into a wagon on Sunnyside and broke its wheels. Further down the street the horse was stopped, having left the box of the wagon and the wheels behind him. A \$2 bill latterly passed between the owner of the runaway animal and the lady whose wagon he ran into.
