

OUR NEWS BUDGET for OUR SATURDAY SUBSCRIBERS

MONDAY

Ernest Joseph Ford, 23, of South Lake, was drowned at Black Pond on Saturday evening between 7 and 8 o'clock apparently while attempting to recover a goose which had been shot. The body was recovered yesterday morning and a coroner's jury heard evidence and decided death to have been due to accidental drowning.

Coroner Dr. Arnold Burden of St. Peter's Bay presided at the inquest.

Miss Patricia McIsaac and Miss Martina Hughes, of the Bear River Club, won first place in the livestock judging class during the Rural Youth Program conducted in conjunction with the Maritime Winter Fair at Amherst, N. S. Saturday.

The competition was very close with 22 judging teams entered, and it was an outstanding achievement when there were two teams from this Province tied for the first place. The other top team was from Gowan Brae, and it too was comprised of two young girls, Miss Avoneta Smith and Miss Zilla McInnis.

AMHERST, Nova Scotia, November 2 — (Special) — Douglas and John Aitken, father and son, of Fortune Bridge, with their selection of red Pontacs won the Maritime grand potato championship here Saturday afternoon in the potato judging at the Maritime Winter Fair. The Aitkens succeeded the Dixon twins, Howard and Harold of Rollo Bay, as the Maritime potato king.

This marks the third year in a row that the Maritime title has been won by a grower in King's County. The reserve grand championship was won by Allen Forbes of Old Barnes, N. S., with a selection of Irish Cobbers.

AMHERST, N. S., Nov. 2 — (Special) — There is an excellent showing of P. E. I. Ayrshires in the Maritime Winter Fair this year.

Heading the entry list is A. MacRae, Central Royalty, with 19 head, while Keith Boswell and Son, Victoria, have 17 animals on display. George Boswell, Frenchfort, has seven head here, and Col. P. I. Andrew, Central Royalty, has two.

There are no Jersey cattle from the Island this year, and only two Shorthorns. The latter are from the herd of Athol Roberts, Southport.

Uniformed Scouts and Cubs from City troops and packs roamed the streets with gaily coloured banners filled with Island apples Saturday. It was "Scout Apple Day" and returns indicate it was one of the most successful yet held. Total receipts received in Charlottetown amounted to about \$1200. Net proceeds following payment for apples and other expenses were not officially known. It is expected, however, when complete provincial returns are made, the sum realized should be well in line with previous years.

Dominion Stores representatives from Toronto, Montreal and Halifax were in Charlottetown on Saturday, looking over sites with the possibility of establishing here. It has been reported for some time that they were interested in the McLaine property on Grafton Street, but no deal has been negotiated.

A survey was also made last week of the property said to have been acquired by T. Eaton Ltd. adjoining their order office on Kent Street. No official information, however, as to the present ownership has been released. This large vacant lot was formerly the site of the Eldon Hotel and extends through to Fitzroy Street.

Once again Prince Edward Island led the way in the percentage of Grade A hogs marketed during the month of September. The All-Canadian average of Grade A hogs was 29.8 per cent, but the P. E. I. average was 50.6 per cent.

The closest Province was Nova Scotia with 46 per cent. Others in order with the percentages were New Brunswick 37.3; Ontario 34.5; Quebec 29.3; British Columbia 27.7; Manitoba 23.4; Alberta 20.2; Saskatchewan 19.0.

TUESDAY

AMHERST, N. S., Nov. 3 — (Special) — B. E. (Bus) Jones of Bunbury, a son of Premier J. Walter Jones, won the grand championship for barley in what agricultural officials claimed was the biggest showing of seeds in the history of the Maritime Winter Fair.

In addition to winning the barley championship Jones also placed first in the commercial buckwheat and third in commercial oats.

HALIFAX, Nov. 3 — (CP) — Hughie Campbell scored with 12 seconds remaining to give Halifax Atlantics a 3-2 win over Charlottetown Islanders in an action packed Maritime Major League contest tonight.

Campbell was the big gun for the Atlantics, scoring both for the tying and winning goals. Muckle Hollett scored the other Halifax tally. Bill Hagen and Marcel Clements were the Islander marksmen.

AMHERST, N. S., Nov. 3 — (Special) — Sanderson and Borden head of Herefords from North River cleaned up practically all the honors and first placings in the Hereford show at the Maritime Winter Fair today. The show this year was smaller than past years but the quality was good. Missing from the Hereford show today for the first time in many years was the Miller Sanderson herd from North River.

The Herefords shown by Fulton Sanderson and Bob Borden won all the championships except the grand and junior in the male classes.

The Community Concert series opened last evening in the auditorium of the Prince of Wales College with a large audience in attendance to hear Miss Janice Moudry, mezzo-soprano, who in the past few years has risen rapidly in the field of music.

Still quite young, Miss Moudry made her New York debut at the Town Hall just over a year ago, and at that time was likened to a young Flagstad. Previous to her New York appearance she had appeared with a number of symphonies, and is constantly in demand as soloist with orchestras.

Several Island dancing teams will take part in the dancing competition being held in connection with the Maritime Winter Fair at Amherst, N. S. Leaving here this morning are Dr. George Fisher and Mrs. Fisher, Mr. and Mrs. D. M. McGuire, Mr. and Mrs. Arthur Duvar and Mr. and Mrs. L. MacDougall all of whom expect to take part in the square dancing to be held.

A large group of youngsters will leave tomorrow under the tutelage of Mr. and Mrs. Hiram Atkinson and Mr. and Mrs. Gordon MacDonald, and they, too, will participate in the dancing contests. In the group expecting to leave are Misses Ann Cerry, Connie Rogers, Elizabeth Atkinson, Malda Rogerson, Alexander Horne, David MacDonald, Alan MacKenzie and Alan MacLeod.

AMHERST, N. S., Nov. 3 — (Special) — Prince Edward Island fox breeders again swept the major portion of the honors in the fox show at the Maritime Winter Fair today.

Judge Douglas Bell of Carleton, P.E.I., placed the unusually large class of silvers today. The showing of silvers was the biggest in several years.

Tomorrow he will judge the platinum.

George Callbeck of Summerside, showed the champion female, the reserve grand champion and the reserve male fox.

In addition he had five first placings, six seconds, two thirds, four fourths and three fifths.

Ernest T. Mill of Kensington who made a strong showing, won four firsts, four seconds, four thirds, three fourths and two fifths.

Summerside. Mr. Jenkins had three seconds, three thirds, two fourths and three fifths.

Robert Coughlin of Summerside had a second and fifth.

WEDNESDAY

Lieutenant-Colonel K. M. Johnston, Commanding Officer of 5 Signals Regiment, R. C. Signals, has been awarded the Canadian Efficiency Decoration, it was announced here last night. The award is made to officers having twenty or more years of meritorious service in the Canadian Army.

Three commissioners have been appointed for the Village of Victoria which has been incorporated under the Village Services Act. Named to the posts, as announced by the Provincial Government following a meeting last weekend of the Executive Council, were Messrs. Miner McNevin, Whitfield Howatt and Howard B. Wood.

Officials of the Islanders Hockey Club are filing a protest with Judge Elliott Hudson, Maritime Major League president, against the refereeing of Hughie Gillis, according to information received last night from Magistrate Gilbert Gaudet. Mr. Gaudet also stated that the Islanders were asking for severe disciplinary action against Frank King of Halifax Atlantics for deliberately attempting to injure Lou Kiley of the local team in the game at Halifax Monday night.

AMHERST, N. S., Nov. 4 — (Special) — Prince Edward Island swine breeders again proved their superiority in the Maritimes hog industry by sweeping nearly all the honors and prizes in the swine show at the Maritime Winter Fair today.

The Islanders' sweep this year was even more convincing than in past years. Today they won all the championships, reserves and first placings. Only placing to elude their grasp were three seconds, a third and three fourths.

Fifteen classes were judged by Preston Hooker, of Ormstown, Quebec. The count of the Island breeders read 15 firsts, 12 seconds, 14 thirds and 12 fourths.

AMHERST, N. S., Nov. 4 — (Special) — Judging in what is being acclaimed as the best Ayrshire show to be held here in years got underway at the Amherst Winter Fair today and Island Ayrshire breeders more than held their own in the tough competition.

Representing the Island Ayrshire men with their outstanding cattle are such breeders as A. MacRae and Sons, Central Royalty, Keith Boswell and Sons, Victoria, George Boswell, Frenchfort Col. P. I. Andrew, Charlottetown, and John Gillis, Forest Hill.

THURSDAY

Mary Joanne Magee, four-year-old daughter of Mr. and Mrs. James Val Magee of Hartley Street, was struck and instantly killed by a truck a short distance from her home on the St. Peter's highway yesterday at 3:15 p.m. The fatality occurred almost directly opposite the B and A filling station.

Leut. Colonel E. W. Johnstone was re-elected president of the Rural Beautification Society at their annual dinner meeting which took place at the Queen Hotel last evening when the prizes for the year's contests were distributed in the presence of 140 enthusiastic members of the flourishing society.

Other officers elected were Lloyd Lockerby, Vice President, H. B. Chandler, Secretary, and other Directors Robert Smazelle, Mrs. Malcolm MacLeod, Lorne Valley, Mrs. W. W. Anderson, St. Peter's and Mr. Earle Jelley, O'Leary.

AMHERST, Nov. 5 — (Special) — Prince Edward Island Ayrshire men made one of their strongest showings in many years here today as judging in the big Ayrshire show at the Maritime Winter Fair was completed.

Island breeders swept nearly every honor here in the second day of the red and white show. There were eleven classes judged and nine of the first placings were

won by Island men.

The famous Ayrshire herd of A. MacRae and Sons, Central Royalty led the way. The MacRaes took seven of the possible 11 first placings.

Capitalizing on three penalties for four goals the smooth, powerful Halifax Atlantics stretched their lead in the Maritime Major Hockey League last night defeating the Islanders 4-1.

The largest house of the season, thus far, saw the locals win under pressure as they gave up an early lead in both the first and second periods and failed to recover.

The fire and dash displayed by the Watson, Ford, Campbell line of the Atlantics proved a potent scoring threat throughout the encounter. Particularly dangerous when in the clear was Bill Ford. The steady playing left winger appeared almost jet-propelled as he tore in on the helpless Arnel. Ford collected two goals and a pair of assists for his night's effort.

Island breeders yesterday prepared for another assault on the Brethour and Todd Trophies for swine at the Royal Winter Fair, Toronto, when they loaded two full carloads of approximately 80 pigs. The swine were contributed by 30 different breeders scattered from French River to Murray River.

The Toronto show opens next week on November 13. Also being shipped yesterday was a carload of Jersey cattle. It was loaded by Edison Mutch, North River, who supplied a majority of the Jerseys. Other breeders contributed the remainder of the car.

FRIDAY

AMHERST, Nov. 6 — (Special) — B. B. (Bus) Jones of Bunbury, son of Premier J. Walter Jones, almost made it a one-man mink show here today as he took nearly all the championships and first placings in the classes judged at the Maritime Winter Fair.

Mr. Austin Bell of White Sands was elected president of the Progressive Conservative Association for 4th King at the annual meeting held at Murray River Wednesday night. Mr. Ewan Stewart, Montague, was appointed secretary.

The meeting was well attended by a large number of ladies and gentlemen, and was presided over by the chairman, Mr. Charles Richards.

Mr. Charles MacQuaid, secretary of the Provincial Conservative Party, outlined the purposes of the meeting. He also explained that the ten poll chairmen of the district would make up the executive for the district.

Business, the meeting was addressed by Mr. R. R. Bell, provincial leader. He was followed by Major John A. MacDonald of Cardigan.

"At least two and a half million dollars have been realized on potato sales from this Province since the first of August," Mr. Donald A. MacDonald, manager of the P. E. I. Potato Marketing Board, intimated in a press statement yesterday. "This," he said, "is one of the first years on record when we have a good yield and good prices at the same time."

The movement from this Province, he added remains heavy. During the month of October about 1,000 carlots were shipped by rail, water and truck, and up until the last several days the market has readily absorbed the quantities offered at very satisfactory prices. However, this

week a slight weakness has developed and there is a tendency towards slightly lower price levels.

Two sailing vessels docked here this week to load Island potatoes for shipment to United States ports. The City of New York, 70-year-old ship formerly used in both Arctic and Antarctic exploratory voyages, is loadings 10,000 bags for Long Island. They are being supplied by McFarlane and Simmonds, Summerside, and the E.D. Reid Produce Company of this city.

The second vessel is the Jacobus Fritzen which is taking on 50,000 bags for H.B. Willis Company for shipment to Jacksonville, Florida. Mr. Willis said yesterday that he hoped to load at least three more ships with approximately 150,000 bags of potatoes for Southern United States destinations.

Joseph Chaisson of St. Louis was taken to the Western Hospital at Alberton yesterday suffering from multiple lacerations of the face and a fractured hip as the result of a collision between a truck and a car. The accident occurred about 4 p.m. yesterday on the Western Road near O'Leary Corner. It was reported a car driven by Melvin Ellis of Ellerslie was in collision with a truck driven by Arthur Chaisson of Harper Road. The car was coming out of a side road and the truck was proceeding along the pavement.

Last night it was reported Chaisson was being removed to hospital at Charlottetown, and that his condition was considered fairly serious.

Arthur Chaisson was taken to hospital also but was released later.

Death came on Tuesday night, after an illness of several months, to Lucius B. Crue, one of Summerside's oldest and highly esteemed business men.

The late Mr. Crue was born in Summerside in 1878 and for the past 52 years, in partnership with Mr. Wallace Williams, he conducted the well known job printing firm of Williams and Crue on Water Street. This long and successful business partnership possibly has not been equalled by any other firm in Summerside, where there has been no change in the management of the original members of the firm for over half a century.

He leaves to mourn his widow, the former Carrie Delaney of Tryon, and one son, Lt. Col. Leith R. Crue, officer commanding the Canadian section of the British Commonwealth forces in Korea, also two sisters, Elice Crue and Clara, Mrs. H. Ayala of Quito, Ecuador.
