Sampson, Rector of St. George's Church, West End, fell in the Queen Square, (East Side) yesterday morning, while going to St. James' Church, and broke a bone in one of his wrists.—St. John Telegraph. FISH.—Owing to the very mild and open season, the frozen fish industry has been so far a failure. Many thousands of dollars are thus lost to the Province. Fresh codfish are being taken off Miminigash. OUR annual sale of "odds and ends" will take place on Wednesday, the 20th inst. BARRACKS BURNED.—The Salvation Army Barracks at Halifax was destroyed by fire on Sunday morning last. The fire started about two o'clock. The building was formerly the noted Waterloo Tavern. It was one of the old landmarks of the city. HETERODOXY.—Dr. Lyman Abbott's declaration that the Jews and Christians should be removed from our churches, are apt to create a pretty lively sort of a row in religious circles. THE Caledonian Club of P. E. Island will commemorate Burns' birthday at the Lyceum on Monday evening, Jan. 25th, by holding a grand Scotch concert. The best talent in the city has been engaged. Everybody should attend. OBITUARY.—We learn with regret of the death of Mr. David Welsh, of Cornwall, which occurred this morning. Mr. Welsh was for many years postmaster at Cornwall, and was well and favorably known throughout the Province. EPIDEMIC.—La grippe of a severe type is very prevalent in many parts of the country. Several deaths are reported. Diphtheria, too, has shown itself in several localities. Two cases are reported from Alberton this week. On Dec. 31st the merchants and others will be making out their accounts and will expect payment of them. For this particular kind of billingsness there is nothing like the hard cash; but for ordinary bilious headache, &c., Eweybody's Pills are the great remedy. For 25 cents you can buy a box at your nearest drug store. Remember the clearing out sale of boots and shoes at "tamper's Corner. The shoe has to be vacated for building purposes. Now is the time to get bargains in the boots over shoes, slippers, &c., as the stock must be sold.—R. K. Just. HE IGNORED THE RULES.—The Quebec provincial board of health have entered suit against a city practitioner for ignoring the rules regarding the reporting of contagious diseases. It seems that bodies of many diphtheria victims have been placed in the vaults of the various cemeteries for the winter. An order has now gone forth for their immediate internment. HAD A HARD TIME.—At Utica, N. Y., a few days ago, Eva Daniels recovered \$150 from Oscar Mowers for breach of promise. The trial was rich in comedy. Mowers said the girl did the wrong and said that whenever he went to see her she generally locked the door at 8 o'clock, and he spent the time from then till 11 or 12 o'clock planning to get away. LITERARY ISLANDERS.—Mr. J. A. J. McKenna, of the Interior Department, Ottawa, a native of this city, read a highly spoken of paper before the Catholic Press Congress in New York last week. Another Charlottetown litterateur, Mr. J. J. Roche, of the Pilot, was on the Executive of the organization.

Rice sings Gounod's celebrated song, "Nazareth," and his brother, Robert Rice, will sing "The Death of Nelson." The price of admission is only 25 cents, and a very enjoyable evening is promised to all who attend. CONCERT AT SUMMERSIDE.—The concert held in the Market Hall, Summerside, last evening, was one of the best ever given there. The choruses, duets and vocal solos were all excellently rendered, and the large and appreciative audience was more than pleased. Mr. and Mrs. Eadie, Messrs. Fred Davies and Knight, of this city, took part. They speak in high terms of the kind manner in which they were received by our Summerside friends. NO more misery in the wash. No more dirt in the kitchen. The old chemical powders have had their day. They now cease to be. Lensitive Phenix is the name of the new solution. It is so emollient in its properties that, used in the bath, it makes the skin fair and soft. No more soda. No more ashes. Use Lensitive Phenix and the wash is a pleasure. White or colored goods, it is all the same. It makes them all beautiful. Use Lensitive Phenix upon silver or tinware and the cleansing and brightening effects are marvellous. Ask your grocer for it, and don't take the injurious powders. TEMPERANCE CONCERT.—The concert in McLeod's Hall last evening under the auspices of Prince Edward Division, was very successful. The programme was carried out in a manner satisfactory to everyone present. Mr. C. B. Warren read "Light from Over the Range," in excellent style. The other readings and recitations were very well given, and the singing was good considering the youthfulness of those taking part. The tableau "Love, Purity and Fidelity," was nicely arranged and well carried out. Miss Wadman deserves the thanks of all for the great pains she took to make the concert a success. PUGILISTIC SALVATIONISTS.—An exciting encounter occurred at Digby, N. S., a few days ago, between a Salvation Army captain and an ex-convict by the name of Winslow. Winslow had been a strong Salvation Army man, but failing to see the point of the argument advanced by his spiritual teachers that he should give up the use of tobacco, rebelled when told to abandon it. The Army captain, happening to see him enjoying a good old-fashioned smoke, peremptorily told him to hand over his pipe, and on Mr. Winslow objecting in language to suit the occasion, tried to take it from him. An exciting scene followed. Victory hovered first over Winslow, then over the captain, and finally alighted on the shoulder of the former, when he, picking up a hammer, struck the gallant captain a stunning blow, which ended the affair for the time. The event furnished groundwork for numerous eloquent addresses, of a highly improving nature, in the barracks. DIED. At Cornwall, this morning, January 20, 1892, David Welsh, aged 33 years.
