

Water Shortage Is Facing S'side, Council Is Told

The Canadian Oil Company was given a three-year contract to supply gasoline to all town owned vehicles for the three-year period, at a special meeting of the Summerside Council held last evening.

In return for the concession the Canadian Oil Company will install, at no cost to the town, computer pumps at the town garage near the electric light plant, where the town taxicaver is housed.

At the expiration of the three-year term the town may purchase its gasoline from any other companies located in the town.

The dispensing of gas to the town vehicles will be under the direct supervision of an employee at the electric light plant who will issue gas only on presentation of the proper requisition forms issued by the Town Clerk.

It was pointed out by town manager Joseph Brophy that under the system a close check on gasoline supplies can be kept at all times and the man in charge will be held responsible for any shortage of gasoline when the tanks are checked.

tion as to the cost of installing water meters in all Summerside homes and commercial outlets would cost approximately \$50,000. He pointed out however, that such an expenditure would not mean any increase in the tax rate as the cost of installation would be taken care of by levied individual service charges.

PROMISES REPORT

Mayor Currie advised that further consideration be given to the entire situation and a report brought in at a future meeting of the council.

The meeting authorized the purchase of an inventory system for the use of all the departments of the town. The card system will be installed at a cost of \$300 and no extra staff will be required to install or operate it.

A resolution moved by councillor Cannon and seconded by Councillor MacCausland accepted the tender of T. Eaton Co. Ltd. of \$4,490.00 for supplying, installing, and completing stage drapes for the Civic Auditorium as per specifications.

A further resolution moved by Councillor Cannon, seconded by Councillor Perry authorized certain work still remaining to be done with respect to renovating the old Post Office building now used as the Town Hall, as follows: clean and paint woodwork, ceiling and walls and lay floor covering in room known as "store room", install sink in this room, lay floor runner in corridor on second floor, lay trends on stairway steps, replace old wainscot on stair walls and plywood and paint same, lay floor covering on floor and enclose toilet fixtures in wash room on second floor, retouch with paint spots on walls of council chamber, Mayor's office and wash room, provide portable coat rack and place in wash room on second floor, install hand rail on stairway, estimated cost of this work is \$250.

The meeting was presided over by Mayor W.A. Currie, and all councillors, except Councillor Lidstone, were present.

\$500 Or 6 Months For S'side Man

In Summerside Police Court yesterday morning, a Summerside man was fined \$500 and costs or six months in jail when he pleaded guilty to a charge of assault causing previous bodily harm.

The incident occurred recently at the Summerside Curling Club. The charge was laid by a member of the Royal Canadian Mounted Police.

In addition to the fine, he was ordered to provide sureties of \$1,000 that he would keep the peace for a period of two years.

Mr. D.O. Stewart, Q.C. Appeared for the Crown, and Mr. Morley M. Bell, Q.C., for the defendant.

Christmas Tree Project Needs More Support

Donations to the Klansmen Christmas tree project are not coming in quite as generously, at least to date, as in the past, stated Mr. Clifford Court, chairman of the committee. Yesterday morning, he hopes that the radio appeal tonight over CJRW will produce a sufficient response so that no person or family or the list of deserving persons will be neglected this Christmas eve.

To date the following cash donations have been received: Kinette Club - \$50.00; Catholic Women's League - \$25.00; R.C.A.P. Association - \$25.00. A generous donation of food, clothing and toys has come in from the Beta Sigma Phi Sorority and Kinettes gave a supply of knitted garments which they made themselves.

O'Leary Anglican Young People Install Officers

The installation and initiation of St. Luke's A. Y. P. A. was held in O'Leary on Sunday, December 2nd, 1956. Participating in the impressive service were several clergy and a large number of A. Y. P. A. members representing the various parishes throughout the province.

The visiting A. Y. branches formed a body and marched into the church with the President of St. Luke's, George Adams, carrying the banner which he presented to Rev. W. E. Ingraham, Deanery Organizer.

D.D. minister of Tignish United Church. The hymn "What A Friend We Have in Jesus" was sung and as a solo, Mrs. John H. Wells of Alberton sang "Rock of Ages." Pall bearers were Messrs. Neil Barbour, Roy Barbour, John McIntosh, Gunnar Pedersen Joseph, Arsenault and Aubin Perry.

Interment was in the United Church Cemetery at Tignish.

Mr. Carruthers, only son of the late Mr. and Mrs. William Carruthers was born at Tignish 72 years ago and had resided there all his life. He is survived by two sisters, Mrs. Russell Hathaway (Nettie) in Albany, N.Y. and Mrs. George Inman (Ethel) in West Newton, Mass.

Official Opening

(Continued from page 11)

The basement auditorium has been built directly underneath the new classrooms. It is 80 feet long and 30 feet wide and will seat 200 people while it is equipped with modern stage and kitchen facilities.

The members of the Board of Trustees in addition to the Chairman Ches Cooper are Urban MacQuaid and Gordon Gay.

The members of the Building Committee are: Earle Reardon, Chairman; Roland MacDonald, Wendell Mutch, Charles Grant, Charles Boudreau, Frank Gaudet, Dr. R. S. MacDonald, Henry Peters and Mrs. Neil Matheson representing the Women's Institute.

Water Shortage

The meeting heard a report from Councillor Edgar Cannon which stated that two wells in the town of Summerside have gone dry, one at the light plant, and the other at the west end of the town. Councillor Cannon stated that it is apparent that a new well will have to be dug to compensate for the resulting shortage in water.

He said that at the present time pumping capacity in the town is just about holding its own with the Harvard Street pump in continuous use to keep the supply up. Manager Joseph Brophy commenting on the problem, stated that something will have to be done to curtail water wastage in the town. He pointed out that since 1949 there has been a much greater drain on the water reserves of the town due in a great measure to the large amount of water used for cooling purposes at the Civic Stadium, the Curling Rink, the various dairies, all these having increased the use of town water 1-3 times.

Candle Lighting Service Held At S'side Church Last Night

"Giving ourselves" was the theme of the Candle lighting service conducted by the minister and members of the Young People's Union of Trinity Church, Summerside, on Sunday evening.

In the course of his meditation Rev. C.R. Webber stated that before we can really give of our time and talents we have to give ourselves to the service of Him, whom God gave as a light to his people for all time.

The candle-lighting ceremony was most impressive, with only the candles giving light while the Y.P.U. sang "Silent Night, Holy Night", "Joy To The World", and Miss Marie Geldard accompanied Miss Lorraine Johnson as she sang "O Holy Night".

Members of the Y.P.U. formed the choir, and offered, "See Amid

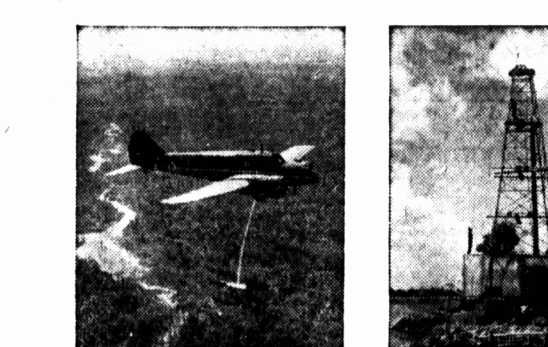

the Winter's Snow", by John Goss. Taking part also in the order of service were Ernest Murphy, leader, Glenda Brown, Scripture reading; Robert Adams, prayer offering; and Pauline Moase, responsive reading.

The installation of the union's officers was carried out by the minister. They are as follows: president, Elmer MacLean; association president, Vance Bridges; secretary, Doreen Smith; convener, Faith and Evangelism, Mary MacLure; missions and world outreach, Robert Adams; citizenship and community service, Arthur Matheson; stewardship and training, Pauline Moase; members, Verna Bryan; church members, Doris Hecht; members, Bertha MacLure; ex-officio members, Lella Beaird, Ernest Murphy, and Olive Jelley.

\$4,500 FOR RED CROSS

Russ Seller in announcing the results in the recent Radio auction, moved that the sum of \$4,500 be handed to the Canadian Red Cross Society to be used for the benefit of Crippled Children. One hundred dollars each was also voted to the Protestant Welfare Bureau and the Catholic Welfare Bureau. Two hundred dollars was voted the Charlottetown Playgrounds Commission and a sum sufficient was assigned to be expended on a Christmas party for the young folk at the Sanatorium and also at the Orthopedic Centre. Other guests were Claude Lewis, York, Ira Lewis, York, Stuart MacGregor, East Baltic, Wilfred Stewart, East Baltic, S.C. Wright, Deputy Minister of Agriculture, Gil Henry, Winsloe, W.R. Shaw, St. Catherine's, Walter Wilson, City, H., MacLaren, City.

Inco Research helps Canada Grow

1. How these mines were discovered—For years Inco used airborne devices to scan vast areas. The possibilities of ore deposits in this area suggested further exploration.

2. How ore bodies were probed—Diamond drills then began bringing up samples of rock and ore from underground; another step toward exploring the size and location of ore bodies.

This is how a Nickel mine is born

New mines in Northern Manitoba will help add over 100 million pounds to Nickel output

Farm Achievement

(continued from page 1)

with Jesters Standard Dreamer in 1952 and the next year he came back with Edgelea Jester's Beacon Standard to win the grand championship again. The Dreamer bull had been bred and raised by Mr. Mutch. He selected the Edgelea animal as a junior calf from the Bagg farm outside Toronto, and had raised and developed him. This year he was reserve senior and reserve grand at Toronto where Mr. Mutch also had the highest priced female in the Sale of Stars.

Shorthorns—Dan Jewell, North River: Mr. Jewell, another recent star in the show rings of the Maritimes, cleaned up eight first places at the Maritime Winter Fair. He also had two firsts and four thirds in the total of fourteen entries. Several years ago he showed the grand champion steer at the Provincial Fat Stock Show and Sale and had the best feeder steer at Amherst two years ago, it was stated. His specialty is dual purpose Shorthorns.

grand champion winner

in tablestock potatoes at the royal Winter Fair this year with his Katahdins. He had a second in Katahdin seed at Toronto and a fourth at Amherst this year and last year he was honored by the Rotary Club for winning the championship in seed potatoes at Toronto with his Katahdins Mr. Matheson noted.

SHEEP AD SWEE

Almon Boswall, Dunstaffnage and S.C. Stewart and Son, Marshfield: In introducing these people Mr. Matheson said that he was not going to separate the winners of the two farms represented as both had been outstanding breeders, show ring champions and keen rivals for many years at Charlottetown, Amherst and Toronto.

Mentioning one of the many outstanding feats of each, he recalled that Mr. Boswall had bred a d raised Woodstock Duke 14A, an animal that had made three all time All-Canadian records in one year in Advanced Registry breeding. Mr. Boswall also is a former director of the Canadian Swine Breeders Association.

The Stewart farm was represented at the meeting by Boswell Stewart and his son, Wilfred Stewart. Mr. Matheson noted that this year the Stewarts had come out very strongly with North Country Cheviots and had taken six first places

LEFT HOSPITAL, KILLED KINGSTON, Ont. (CP)

A patient who left Kingston General Hospital early Saturday, barefoot and wearing a fur coat over her nightclothes, was killed when she ran into the path of an auto. Mrs. Leona St. James was restless during the night and left the hospital as a nurse prepared a sedative for her.

MINK BREEDERS

B.B. Jones, Bunbury: A former director of the Canada Mink Breeders, the National association, and a past president of the P.E. Island Fur Breeders Association. Mr. Jones was introduced as a man who is well known in the Mink world but whose farm is even better known in the Holstein world. Mr. Matheson recalled that Abegweit Milady, bred by Mr. Jones' father, the late Senator J. Walter Jones, had had two world record butter fat production records in succeeding years. The last one, made at a junior four-year-old, had been a world record over all breeds, all ages, regardless of times milked daily.

POTATOES

Seed Potatoes—Arthur Dixon, Fortuna Bridge: Mr. Dixon won the grand championship in seed potatoes at Amherst this year with his sample of Katahdins. He also had a first with Sebagoes. A year ago he was the reserve grand champion at Amherst when he had firsts in both Katahdins and Sebagoes. In addition he had a fifth with Katahdins and a sixth in Sebagoes at the Royal this year.

Tablestock potatoes—S.A. MacAulay: Mr. MacAulay was the

3. How an exploration shaft was sunk—This was the toughest job of all. Only a few men could work at a time. Their air-powered drills could drive only a few feet a day. After each blast, the shaft was scaled and shattered rock mucked out—long hours of work between each round of drilling.

Ten years and ten million dollars ago, Inco launched Exploration Project Manitoba.

Purpose of the project: to discover new deposits of Inco Nickel, new sources of mineral wealth deep in the woodlands.

The exploration project having revealed sufficient ore to warrant mining, Inco will now develop its new underground mines and processing plants in *Mystery-Moak Lakes* area of Northern Manitoba.

To get them into production calls for a new railway, townsite, power plant, schools, hospital. This \$175,000,000 project is part of an Inco four-year expansion program expected to help add over 100 million pounds a year to over-all Nickel output.

Mining for Nickel, a colour film, shows step by step how Nickel mines are discovered, developed and expanded. It is loaned to technical societies, universities and industry.
