PROMENADE CONCERT.—The Citizen's Band will give a promenade concert in the Public Gardens to-morrow night at 8 o'clock. A good programme has been prepared.

DRESSMAKER WANTED.—The Port Hawkesbury Bulletin says there is a good opening in that place for a good dressmaker, and that the right person will get plenty of business.

B. S. S.—A full attendance of the members and teachers of the Baptist Sunday School at the meeting to-night at 8 o'clock is earnestly requested. Urgent and important matters of business.

LATE.—The steamers Premier and East-net, due here from Halifax this morning, have not, up to the time of our going to press, arrived, owing probably to the boisterous storm outside.

FROM BARBADOES.—The brig Hattie Louise, Captain King arrived from Barbadoes this morning, with a full cargo of molasses and sugar, with a full crew, making the passage in 13 days.

VALUABLE furniture, carpets, etc., by auction to-morrow at the residence of J. A. Nicholson, Esq., Grafton Street East. See notice in another column. No better opportunity to purchase articles as good as new at auction prices.

SKODA'S OINTMENT, the Great German Skin Cure, and Street Corns Remover. Removes Blackheads, Pimples, etc., as if by magic. 3 oz. tubes in elegant cartons 50 cts.

NORTHWEST CROPS.—A few days ago the Minister of Agriculture received a despatch from Prof. Saunders, who is at Brandon. Professor Saunders says the crops are excellent, the straw being as far advanced as at the same period last year.

FOR BOSTON.—The S. S. Britannia, Capt. Doane, sailed for Boston on Tuesday at one o'clock. She carried a full cargo of general merchandise and the following passengers: A. W. Pickering, J. G. Tanton, Mr and Mrs Coulter, Mr and Mrs A. Tupper, A. Morson, M. Griffin, R. Cameron, Mr McNeil, Mrs and Miss McPhail.

AWAY WEST.—The last of the four cheap excursions to the Northwest, inaugurated by the Canadian Pacific Railway, left the Maritime Provinces on Monday. Among the excursionists from this Province were Mr. Judson Simpson, son of Mr. Samuel Simpson, Lot 16, and Mr. Nelson Howatt, North St. Eleanor.—Journal.

FIRE AGAIN.—Another fire broke out at 3 o'clock this afternoon in the same old house, belonging to Mrs. Lowden, on King St. east. It seems to have ignited between the walls. The firemen were very promptly on hand—our popular Salvage Corps in uniform. It is needless to say that the fire was quickly quenched.

A CORRECTION.—A correspondent writes: "In the list which you published in the DAILY EXAMINER of those who passed for entrance to the Prince of Wales College, one would suppose that Lester Brisant (the boy who obtained the scholarship for King's Co.) passed from White Sands School, but it was from Murray Harbor South School that he passed."

POLICE COURT.—Two drunks were fined \$1 or 4 days and \$2 or 8 days respectively. Charles McMillan, breach of the Charlottetown Liquor Regulation Act, was fined \$100 or 2 months' imprisonment. A similar charge against the same person was dismissed, the Magistrate holding that this was the same offence as the first. A nuisance case was dismissed.

NEW BRUNSWICK SILVER.—The famous Elm Tree mine, at Petit Rocher, at the head of the province has been opened again, and a large force of men are at work. An expert is at the mine to examine into the quality of the ore taken out. The owners of the mine have much faith in the value of their property. It is about three or four years since work on the mine was stopped.—St. John Telegraph.

GRAND WESTERN TEA.—In to-day's issue we publish the railway arrangements of the Grand Western Tea to be held at Alberton on Wednesday, August 3rd. It will be seen that every facility is afforded those wishing to enjoy a good day's outing; and from the reports that have reached us regarding the preparations, an immense crowd may be expected—weather permitting. Passengers from the east can come to Charlottetown by the evening train of the 2nd at a single first-class fare, and can return on the 4th; and those from Charlottetown and intermediate stations, who wish to avoid the crowd on special trains, or who intend remaining over with friends until the following day, can purchase return tickets at a single first-class fare by regular trains on August 2nd, good to return up to and on Aug. 4th. Let everyone prepare in time, then, to enjoy this big excursion and tea—the only opportunity that will be afforded for seeing the west this season.

TELEGRAPHIC NEWS.

SPECIAL DISPATCHES TO THE EXAMINER.

THE ENGLISH ELECTIONS.

Gladstone's Majority 42.

LONDON, July 21. According to the latest returns the parties now stand: Conservatives and Liberal Unionists, 314; Opposition, 353. It is claimed that the three remaining districts are certain to return supporters of Mr. Gladstone, so that the latter's majority will be 42.

The Homestead Affair.

PITTSBURG, Pa., July 20. The day of reckoning for the Homestead strikers has begun. The murders that were done in the fearful battle which was fought between them and the watchmen sent by the Carnegie Steel Co. to protect its property are to be avenged. To-day seven warrants were issued for the arrest for murder of men whom secretary Lovjoy, of the company, swears were of the mob that took part in the battle. To-night the first of the seven, Burgess McLuckie, who was to an extent the counsellor of the mob, is locked up in the Allegheny county jail. The other six will be in custody by morning. This is only the beginning. One thing is certain, very few guilty men will escape.

The United States and Chili.

WASHINGTON, July 20. The Secretary of State has announced that an entirely cordial and mutually satisfactory settlement has been reached between the governments of the United States and Chili respecting the indemnity to be paid by the latter on account of the assault of the crew of the Baltimore. Seventy-five thousand dollars in gold will be distributed among the families of the two men who lost their lives and to the surviving members of the crew who were wounded.

Rumored Resignation.

MONTREAL, July 20. The Witness publishes the following despatch dated Ottawa, July 19: "It is probable that Lord Stanley will place his resignation in Lord Salisbury's hands before the British Premier leaves office. This is not mere conjecture but the belief of those attached to the Governor-General's office. His Excellency has been engaged during the last week putting things in order in his office on Parliament Hill—a thing he has not done since he took office, four years ago."

General Telegraphic News.

TANZIEER, July 18.—Sir Charles Burn Smith, British envoy, has withdrawn from Fez. His mission proved a failure. His Excellency has been engaged during the last week putting things in order in his office on Parliament Hill—a thing he has not done since he took office, four years ago. The British envoy referred to the adoption of a commercial treaty, the provisions of which would be enjoyed equally by all nations. In this proposal British representatives were supported by the governments of Germany, Austria, Italy, Spain and Belgium. The Sultan refused to sign any treaty except one drawn up on his own lines. This one he offered the British envoy a bribe of £30,000 to sign. The envoy treated the offer as an insult. French intrigues, it is alleged, guided the Sultan.

DIGBY, July 18.—A sad drowning accident occurred last evening at Valley Mills, owned by Captain N. B. Raymond, three miles from Digby. Raymond, with his six-year-old son, had been out for a few hours, and in returning the child was some distance behind the parent. A short time after arriving home Raymond noticed the absence of the boy, and on going in search of him found his body in the pond above the mill. A bruise over the eye showed that he had fallen from the bridge, striking his head against a log, and it is supposed while stunned and unable to call for help was drowned. This is the second son Captain Raymond has lost by drowning in almost the same spot within a few weeks, and the parents are distracted with grief.

TORONTO July 18.—The hundredth anniversary of the establishment of representative government in Upper Canada was celebrated at Niagara, Saturday, under the auspices of the Pioneer and Historical Association of Ontario. It was participated in by about 2,000 people, who cheered themselves hoarse in their enthusiastic approbation of the patriotic utterances of the distinguished speakers who addressed them. Among the speakers were Lieut.-Gov. Kirkpatrick, Sir Oliver Mowatt, Dr. Ferguson, ex-M. P., and Col. George Taylor Denison. In his address Sir Oliver Mowatt strongly opposed the idea of annexation.

MONTREAL, July 18.—A great amount of comment was caused to-day by a well-grounded report that Mr. Bruneau, of Richelieu, Mr. Deslisle, of Port Neuf, and Mr. Faurel, of Bonaventure, all three supporters of Mr. Laurier, have signified their intention of resigning their seats and retiring from public life. They aver that the party prospects are quite hopeless both at Quebec and Ottawa, and as the Government did not increase the indemnity, these patriots will serve their country no longer at the old rates. They likewise state that at the last party caucus held at Ottawa, Mr. Sutherland, of North Oxford, grossly insulted Mr. Laurier by stating that if the party had a leader from Ontario he would not get down on his knees and beg an additional five hundred dollars from the Tories.

The Star

THE BEAUTIFUL STAR

Has vindicated her right to be called Beautiful from the universal admiration of our patrons for the Beautiful in Art. This is evidenced by the good taste they display in patronizing the Star Tailoring Establishment when they want something particularly nice and artistic. Our success in filling the bill has passed into a proverb, namely, when you fail to get suited at the Star Tailoring Establishment you are too fastidious for this yere world.
