

Home-Run Happy Cincinnati In National League Top Spot

By THE CANADIAN PRESS
The home-run happy Cincinnati Redlegs gave up four round-trippers Tuesday night, but their own three were more potent and they fanned Pittsburgh Pirates 8-7. Cincinnati's Ted Kluszewski and Pittsburgh's T. O. Byrnes and Jerry Lunch each hit two successive homers.

The win, coupled with Brooklyn's 3-1 loss at St. Louis, pushed Cincinnati into the league lead by a half-game.

The Cardinals had a crowd of 16,662, their biggest of the season at Busch Stadium, but elsewhere the majors weren't as lucky.

Dohn Johnson, a former Yankee

who had never beaten his old team mates since he left the club in 1950, pitched the league-leading Chicago White Sox to a 4-3 victory in the only American League game of the day. The other scheduled encounters—Cleveland at Boston, Detroit at Philadelphia and Baltimore at Washington—were rained out.

Rain also washed out one National League game between Philadelphia and Chicago.

In the 13 games to date, Cincinnati pitchers have yielded 26 homers while the Reds have smacked 15 four-baggers.

Big Klu hit his homers Tuesday night in the first and third innings

with one aboard. Jim Greengrass followed Ted with a circuit clout in the first off starter Max Surkont, relieved by Tim Yochim in the fifth.

Atwell's and Lunch's big blows came in the sixth and eighth off winner Corky Valentine.

Aces Defeat Senators 1-0 To Square Q H L Series

QUEBEC (CP)—Quebec Aces, facing elimination, scored a 1-0 shut out victory over Ottawa Senators Tuesday night to square their best of nine Quebec Hockey League final at four games apiece. The deciding game will be played at Ottawa tonight.

Irwin Grosse got the only marker late in the opening frame on a play with defenceman Rags Ragan. A total of 5,138 fans saw Grosse outguess goalie Ray Frederick, slipping the puck behind him after being passed in the clear in centre ice.

The game was slow-moving. Both clubs appeared tired. Jack Gelineau kicked out 19 shots in earning his shutout, while Frederick turned aside 21.

Coach Turk Broda pulled Frederick with 30 seconds of game time remaining in favor of another forward to try to tie the count and force overtime.

Referee Georges Gravel distributed five of the eight minor penalties to the Senators.

The Rochford Square School basketball team defeated Prince Street School 24-18 yesterday afternoon in the first game of a two-game total point series for the City Girls Interscholastic Basketball championship.

The game was played at the S. D. U. Gymnasium and handled by Earl Nicholson and Donnie MacLean.

T. Gallant led the Rochford Square girls by scoring seven points while team mates B. Ward and M. Cumiskey each scored five. B. Gallant scored three points for the winners while P. Stanley and D. MacMillan scored two.

For Prince Street Winnie MacPherson was high scorer with seven points. Beryl Shelton scored five, Maida Rogerson four and J. Matheson two.

The second game of the series will be played this afternoon at the S.D.U. Gymnasium at five o'clock.

Barons Will Divide Pot

NEW YORK (AP)—Cleveland Barons, who went from third place to win the American Hockey League's Calder Cup playoffs, will divide a pot of \$14,919 for that performance.

Division of the player pool for the playoffs was made public Tuesday for 10 games was \$41,443, an increase of \$858 over last season.

The players share in 50 per cent of the net receipts of the first three games of the preliminary playoffs and of the first four games of the finals. Thirty per cent of this is split among the first four teams on the basis of the regular season finish and the remainder according to their playoff performances.

Hershey Bears, beaten in the finals, receive \$13,261. They were second in the regular season, Buffalo and Pittsburgh, finishing first and fourth and losing in the preliminary playoffs, get \$7,847 and \$5,387 respectively.

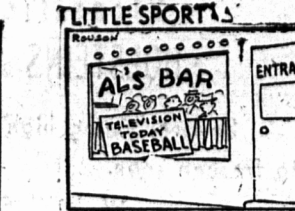

Our apologies to Bob Mooney for inadvertently omitting his name from the picture of the St. Dunstan's basketball team on Monday. The mistake was a rather frustrating one as Bob was very much in evidence not only in the picture but on the basketball court during the entire season. Possibly the shortest guard in Maritime basketball he is also one of the best. A competitive, hard driving player with a very good two hand set shot Mooney is one of the big reasons why the Saints have been so impressive in intercollegiate competition during the past two seasons.

To the Physical Fitness Department must go credit for the sponsoring of the interscholastic and juvenile basketball play-offs now underway in the City. We have heard several people closely connected with the various teams laud the Department for a great deal of improvement in their players since the competitions were opened and they credit this improvement to the play-offs.

There are interscholastic play-offs for both boys and girls. At the moment the Prince Street and Rochford Square girls are playing a two game, total points series to decide a City winner. Notre Dame and West Kent Schools were eliminated. Prince Street and West Kent schools engaged in an interscholastic tournament with Prince Street emerging victorious while St. Dunstan's, Prince of Wales College and Prince Street are currently playing in the juvenile tournament.

Physical Fitness officials Bill Reid and Art Perry along with Earl Nicholson, Director of Physical Education in the City schools, are the men responsible for the play-offs. They have been given fine assistance by Donnie MacLean, George Scantlebury, Gus Dorais and Jack Reardon in an officiating capacity. The games have been largely attended by the younger fry and have served to prove that there is still a great deal of interest in basketball in local circles.

Legion Cribbage Tournament At S'side Tonight

The grand climax of Canadian Legion sponsored cribbage will take place at the Summerside Legion hall this afternoon and night when eighteen teams from Kensington, Borden, Miscouche, Bloomfield, Summerside and O-Lex will compete in the championship finals for Prince County. Play will commence at 3.30 p.m. and will continue till 6 p.m. when a recess will be held for supper. After the winner is decided, a social evening will follow.

This final cribbage tournament has been the talk of cribbage players in the various centres for months now and each centre will bring along fans and boosters to cheer their teams on to victory. Bill Lawson has been cribbage chairman during the winter and spring months here in Summerside and under his energetic leadership the project has been an unqualified success. Bill is still at the helm and expects this final get-together will be the season's crowning glory and that next season the whole island will be organized, and an Island championship team declared.

Today's Basketball

Today at 5.00 p.m. at S.D.U. gym Rochford Square Girls play Prince Street Girls in the second game of a home-and-home series, baskets to count, for the Island girls' interscholastic title and the Physical Fitness Trophy. Rochford Square go into this game with a 6-point lead after yesterday's first game but these teams are evenly matched, play good basketball, so it is still anyone's series. Transportation for the teams to S.D.U. will leave W. G. Barbour's showrooms at 4.30 sharp.

These two men spent long hours in the heart of the night flooding the would-be ice surface. Some of these nights undoubtedly seemed as cold as the nights described in Robert Service's gold rush poems.

They had the work of constructing the rink and cleaning it off again after the winter's storms. Its no easy task to run an open air rink in this country as everyone knows. To the Rotary Club whose financial assistance made the rink possible, to the Abegweit Club, to Brigadier Reid, Art Perry and the others who worked to make a rink a reality for the kids we doff the chapeau.

CHURCH STRETTON, England—(CP)—The golf course in this Shropshire town may be closed. The first four holes rise steadily to 1,400 feet above sea level and club secretary Harold Holmes says "there are many flat courses that golfers won't come here now."

Stock Car Drivers Form Auto Racing Association

A Provincial Auto Racing Association, was formed last night at the annual meeting of the P. E. I. Stock car drivers and owners in the Provincial Exhibition annex.

The meeting was attended by upwards of 60 race car men from across the Province and they exhibited an enthusiasm which augurs well for the success of stock car racing this coming season.

Keith Bryenton of Union Road was elected president of the newly formed Association. Ivan Kerry of Charlottetown was elected vice president and Kenneth Yeo of Charlottetown, secretary-treasurer.

Frank Morgan of Charlottetown and Lorne Dolron of Mount Stewart were elected directors. These two men along with the president, vice president and secretary-treasurer will form a five man directorate.

The meeting discussed plans for the coming season. They plan to commence racing around June 1 and will race at least on Charlottetown and Summerside tracks and possibly other centres in the Province.

It is anticipated that the drivers will race at Charlottetown and Summerside on alternate Saturday nights.

Nearly a dozen cars are prepared to line up at the starting line already, it was revealed at last night's meeting. Another meeting will be held prior to the first race.

It was decided last night that racing cars should be in the pit at least half an hour before the first race commences and that the entries must be in the hands of the secretary-treasurer two days before the race.

The newly formed Association is called the Prince Edward Island Auto Racing Association. The membership fee is \$1.00. Thirty-three members joined the association last night.

Marquess Of Queensbury Dies

POKESTONE, England, (AP)—The Marquess of Queensbury, grandson of the man who gave his name to the modern rules of boxing, died Tuesday.

Sportsman, stockbroker, soldier and author, he was 88.

The marquess was born Francis Archibald Kelch Douglas and became the 11th holder of the title in 1920.

In 1949 the marquess said of boxing: "It is in a very bad way... My grandfather would be disgusted with it. Rank commercialism has ruined the sport. English boxing is not reviving. Boxers today are interested only in money and where money is high, the game is not always straight."

Horsemen Aid Injured Jockey

BOWIE, Md., (AP)—The horse racing fraternity which has raised more than \$5,000 is trying to collect more for Mike Caffarella, a jockey from Schenectady, N. Y., who will never ride again and will be lucky to walk.

The 36-year-old Caffarella is in hospital with two vertebrae broken in a four-horse spill at Bowie two weeks ago.

The Jockey's Guild is paying all hospital expenses and a weekly compensation to Caffarella. The money comes from dues paid by the jockeys, but they felt it wasn't enough.

The hat was passed and the riders contributed \$3,100. Horsemen have given another \$1,000.

They are now after the track management to run an extra race next week with all proceeds, including jockey fees, to go to Caffarella.

Deciding Game On Neutral Ice

PENTICTON, B. C. (CP)—Neutral ice at Vernon, B. C., will be the site Wednesday of the eighth and deciding game of the western Canada Allan Cup final between Penticton V's and Winnipeg Maroons, it was announced Tuesday.

Each team has won two games, and three games have been 4-4 ties, in what was scheduled as a best-of-seven series.

Chicago Cubs No Surprise To New Manager

CHICAGO (AP)—The explosive-ness of the Chicago Cubs, who have hit 21 homers in their first nine games and have a staggering .325 team batting average, comes as no surprise to their new manager, Stan Hack.

"I knew the ball club had that kind of power when I took over," Hack said Monday as he prepared for a nine-game stand against eastern teams.

"I think it comes from an overall confidence that the team has power," continued the former Cub third base favorite who succeeded Phil Cavarretta at the helm before the season started.

Randy Jackson, the limber third-baseman who hit .285 and clubbed 19 homers last season, currently is batting .500 to lead the majors. In 38 turns at bat, he has collected 19 hits, including four homers, and driven in 11 runs.

It has taken several games for the Cubs' big one-two punch, Hank Sauer and Ralph Kiner, to get started. Prior to the week-end Cincinnati visit, where the Cubs broke even in four games, Kiner had failed to bat in a run. But against the Redlegs he slammed the ball out of the park three times and drove home seven runs.

Sauer made seven hits in the series, two of them for the circuit, and knocked in four runs. He now has four homers and 10 RBIs.

Two rookies, shortstop Ernie Banks and outfielder Bob Talbot, are the only Cub regulars hitting under .300.

Jimmy Slade Wins Decision Over Jackson

BROOKLYN (AP)—Spiller Jimmy Slade defeated Hurricane Tommy Jackson Monday night, taming the ring's latest heavyweight sensation by winning a unanimous 10-round decision at Eastern Parkway Arena. Slade weighed 181 1/2, Jackson 194 1/2 pounds.

Effectively counter-punching from a crouch while Jackson's long punches cut the air, the 18-to-1 underdog rocked his man repeatedly on the way to his most important victory.

Judge Bert Grant had it 7-3, Judge Amos Schlavone 6-4 and referee Berney Felix 5-4-1, all for Slade. The AP card had Slade on top 7-3.
