MURRAY HARBOR W. I.

MORELL C. W. L. The monthly meeting of the Queen Mary W. I. met in the Legion Hall on May 1st, with the president presiding. Meeting opened by singing "Juanita", followed by Creed in unison. Roll call was answered by the name of a fish caught in home waters. There were 14 members present. Minutes of last meeting were read and approved.

Correspondence read included a letter from National President, from Rev. Father Walsh, director of Radio League, Toronto, thanking the members for their generous donation to the Radio League. It was decided that each member donate an article to the Exhibition booth in aid of the Precious Blood Monastery, Charlottetown. The meeting closed with prayer.

Resolutions passed at District Conventions last year and sent out for our consideration were read and discussed. A paper on Home Economics by Mrs. M. MacGowan was read. Also a paper on soil by Mrs. E. Ramsay was read and questionnaire filled out.

Convassers were appointed to canvass the Murray Harbor and Guernsey Cove Districts for the Salvation Army. Mrs. Tom Fraser and Mrs. Garnet Perry were appointed to interview Mr. L. J. Baell about land to enlarge the school playground.

Mrs. Garnet Perry reported on the blackboard and platform, and Miss Olive Keeping gave the Murray Harbor School Report. It was decided that the Institute would again provide a room for the "Baby Clinic."

Program consisted of several contests by Mrs. J. J. MacKay. Collection was 70. The meeting closed with the National Anthem. After which a dainty lunch was served by the nesses and assistants.

BLABY, Leicestershire, England —(OP)—A town councillor and parish clerk took over the role of gravedigger for a day here so that the official gravedigger could attend his daughter's wedding.

ley Kramer decided to commit Ring Lardner's classic story, "Champion," to the screen, he searched for an actual championship fight that would best demonstrate this indefinable trait that champion is born with. The Tony Zale-Rocky Graziano championship fight was it. When "Champion" opens at the Prince Edward Theatre today through United Artists release, audiences will see Kirk Douglas receiving the beating of his life. Yet, he is the champion, and like all true champions, he manages to get up off the canvas and go on to win.

The climatic scene where the champion's life ebbs away in his dressing-room, away from the roar of the crowd and the cheers of the throng, leaves the hard hitting impression that champs, all champs in the movies or in real life—maintain the illusion of greatness to the very end.

RAW COURAGE—THAT'S WHAT CHAMPS HAVE All great champs have it—Dempsey climbing out of the ropes to KO Firpo, Feller blazing a fast one down the middle with bases loaded for a strike-out, Jesse Owens straining for the tape; no matter what sport—champs have it. Without that extra something, call it guts, raw courage, or what you will, you can't reach the top. Tony Zale had it. Beaters to a pulp by Rocky Graziano, he got up off the canvas to go on and win by a "knockout to garnish the middle-weight championship of the world. Model for Action.

Fight fans have seen it happen, time and again, and so when Stan-

Even when dried indoors... EVEN WITHOUT RINSING

Surf gives you Sweeter Washes

...whiter, brighter to look at! ...fresh-air-sweet to smell!

Surf contains an amazing detergent which removes not only every trace of soil and grease, but all "dirty clothes" odor, too! Your wash is so deep-down clean it's actually sweeter-smelling!

Your Surf-clean wash is perfection! Your eyes can tell how white and bright it looks. Your nose will report a sunshiny fresh-air sweetness—even when you've had to dry the clothes indoors.

What's more, you don't even have to rinse your clothes to get this cleaner, sweeter wash. Surf has the magic power of grabbing and holding the dirt in the wash water, so when you wring out the water you wring the dirt out with it.

When you don't rinse your Surf-clean wash, its astonishing purifying ingredient goes right on working in your clothes. (If you do want to rinse, add a little Surf to your rinse-water.)

All the Surf you grocer now has in his store is "no-rinse" Surf... specially developed—to save you hours of work and dollars in hot water and fuel bills.

Use Surf for EVERYTHING

Surf makes mountains of rich, long-lasting suds... suds that do 3 times the work of ordinary soaps in hardest water... suds that are powerful enough for your grimeiest clothes yet safe, gentle for sheer lingerie... and easy on your hands.

So, try Surf next washday. See the difference between your Surf-clean wash and the washes you've had before.

"ORDINARY" CLEAN

Though you may think your wash is perfectly clean, a faint "musty" odor often betrays the presence of dirt, grease or scum. Rinsing won't get rid of this... but Surf does.

SURF CLEAN

Even without rinsing, Surf removes every last trace of dirt, grease and scum... every trace of odor, too! That's why it gets your clothes so white, so bright... so sweet!

If it's Surf-clean, it's really clean... EVEN WITHOUT RINSING
