How you benefited from our

71st year! Every business day North American Life pays cash benefits to policyowners and beneficiaries who have realized their plans for financial security. During the year just past these payments were \$8,903,226; bringing the 71-year total of benefits to over \$171,000,000.

In addition, North American Life now holds \$130,109,334 in policy reserves! This amount together with premiums and interest to be received in the future guarantees the policy benefits payable to the 143,000 policyowners of this Mutual Company.

The Company's total assets now amount to \$155,965,040, an increase of \$11,934,345 during the year. These resources which are security for the Company's obligations have been placed in sound investments which are helping Canada and its people to grow and prosper.

Total Premiums Received \$19,506,420
Beneficiaries \$8,903,226

The complete Annual Report will be mailed upon request.
