

THE DAILY EXAMINER.

SEPTEMBER 20, 1890.

The True Motive Revealed.

"I wish I had a tongue of flame," writes Erastus Wiman to the president of the New Haven chamber of commerce...

Commenting upon these remarks of the apostle of Commercial Union, the Graphic, of Chicago, says:

"It is plain that nothing can arrest the tide of popular opinion, which ceaselessly, though calmly, flows in the direction of closer connection between Canada and the United States."

The true motive which actuates the comparatively small minority in the States who favor reciprocity, is here revealed.

Notes and Comments.

From Vienna a new suggestion comes. The Agricultural Congress there assembled passed a resolution declaring that it will be necessary to create a Customs league in Central Europe to counteract the tariffs of Russia and the United States.

Mr. Wiman, the new leader of the Grit party, appeared before Senator Hoar's Committee on "relations with Canada," and advised them that the present Dominion Government would be defeated on an appeal to the people.

The Wesleyan says that the Methodist Ecumenical Conference, which is to meet in America in September, 1890, will be composed of four hundred members, selected from all the recognized bodies of Methodists throughout the world.

Exhibition Notes.

We understand that arrangements have been concluded for two first-class Concerts in the Exhibition Building, on Wednesday and Thursday evenings, 1st and 2nd of October, one to be given by the Philharmonic Society and the other by the children of the public schools.

A VALUABLE ANIMAL.—The New Glasgow, N.S., Chronicle says: Mr. W. K. MacKay, of Summerside, has sold his handsome young stallion Hardware, 11006, to Mr. J. J. Crowdis, of Baddeck, C. B. Hardware is a bay colt, foaled 1889, sired by Crayton, 4346, dam Sappho by Hernando, 2891, grandam Kate, by All Right, 5817, and is the first standard-bred horse Cape Breton can boast of.

The Summerside Races.

SOME CLOSE CONTESTS.

THE WINNING HORSES.

A Large Attendance.

(Special by Telephone).

The track was in fine order when the Futurity Stakes Race was called after one o'clock this afternoon. As already intimated, the race was for a purse of \$500—50 per cent. to go to the first, 30 to second, 15 to third, and 5 to fourth, mile heats, best two in three to harness.

- 1. Newton Dawson, Tryon, color red and orange, b g John L, by All Right, 5817, dam Nellie, by French Lion.
2. Joseph McDonald, Veruon River, color light brown and orange, b c Pilando, by Hernando, 2891, dam Pilot, by Black Pilot, 2,301.

Pilando is not in good condition, on account of an attack of strangles and a sore foot. Parkside, too, is not up to the mark, having met with an accident while out exercising ten days ago, and has not recovered from the lameness resulting therefrom.

The judges were G. B. McKay, J. C. Arsenault and T. B. Grady. Distance Judge—F. Peters. Timers—George Godkin and James Cameron. Starter—T. B. Grady.

TWO-YEAR-OLD CLASS.

It was a quarter to two when the horses were rung up. Pilando had the pole, Peerless second, John L. third, Inspector fourth, Rosaline fifth, Parkside sixth, Lulu Chief seventh, Almonte Wilkes eighth, Nellie Bly ninth, Star Eagle tenth, C P R eleventh.

After a good deal of scoring the horses were lined by G. M. Reid. Several other attempts were made before the word "go" was given. The horses got away as well as could be expected, but it was not long before the sulky attached to Inspector was struck by another sulky and knocked off the track. This created some confusion, out of which Pilando came ahead and maintained the lead till the half mile.

Second Heat.—After scoring several times the horses got away, the leading ones trotting prettily. There was a close contest between C. P. R. and Almonte Wilkes. The latter drew ahead and finished first, with C. P. R. 2nd, Parkside 3rd, Peerless 4th, Rosaline 5th, Star Eagle 6th, Pilando 7th and Lulu Chief 8th.

Third Heat.—Pilando having been drawn, there were only seven horses to start in this heat. Almonte Wilkes led from the start, and finished the race in 2.57, winning first money. C. P. R. was a good second, with Rosaline third and Peerless fourth. Parkside was a close fifth, Lulu Chief 6th, and Star Eagle distanced. C. P. R. takes second money, Peerless third, and Rosaline fourth.

THREE-YEAR-OLD CLASS.

The first heat in the three-year-old class showed some pretty trotting. There were four entries, but only three horses came to the starting point, viz., Nellie Bly, owned by Newton Lee, Truro; Rustico Dean, owned by B. Fitzsimmons, Long River, and Red Pilot, owned by James Tuplin, Margate.

Nellie Bly had the pole, with Rustico Dean second, and Red Pilot third. The horses got away together on the second score, but Rustico Dean soon fell behind. Nellie Bly had the lead, trotting beautifully, and won the heat easily in 2.56, with Red Pilot second, and Rustico Dean distanced.

Second Heat.—This was the most exciting and closely contested heat. The horses got away on the first score and kept very close together, being almost neck and neck at the winning post. The judges gave the heat to Nellie Bly. Time 3.02.

LETTERS TO THE EDITOR.

Is No Failure.

SIR,—It has been very clearly demonstrated during the last few days that the Scott Act is no failure, but when even partially enforced, becomes a terror to evildoers. The Act itself is all right, and it would be a fatal mistake to have it repealed. But it should be, as I am very sure it can be, very much better enforced, not by outside influences or temperance societies, but by the sworn prosecutor, Mr. Cameron, and by the whole police department.

Personal.

Senator Prowse was registered at the Hotel Davies yesterday. Thomas Cook, late of Charlottetown, has opened up a photographic studio at New Glasgow, N. S.

Judge Landry, of Dorchester, N. B., who was at the Hotel Davies yesterday, left in the steamer for Pictou this morning.

Mr. A. W. Hayden, representing the Canada Paper Company, is here on a business trip. He is at the Hotel Davies.

Dr. Geo. A. Baynes, having decided to remain permanently in Charlottetown, has leased a house on Upper Prince Street from Mr. Farquharson and has brought his family from Montreal.

Mr. Doyle McCarthy, better known as D'Oyley Carte, was supposed to have reached the limit to the stage metamorphosis of a name; but Mr. Mique Obrien, who is writing a comedy for Flora Moore, runs him close.

Mr. Martin Monaghan, son of Charles Monaghan, Esq., of Kelly's Cross, left for Montreal on Tuesday last to attend one of the universities. Mr. Monaghan, while at St. Dunstan's College, was one of its brightest students, and the same degree of success will, we feel sure, attend him in Montreal.

A Dublin despatch says that John Dillon, M. P., and William O'Brien have been arrested for their utterances in Ireland. Dillon was taken into custody at his residence, near Dublin, and immediately escorted to the railway station, where he was placed on a special train en route to Tipperary. He was accompanied by a large military escort. O'Brien was taken into custody at Glen Gariffe, and conveyed to Cork. Warrants of arrest for Patrick O'Brien, Thomas J. Condon and David Sheehy, M. P.s, and Rev. David Humphries, of Tipperary, have been issued.
