Give Them a Chance!

That is to say, your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well.

Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Boschee's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you, you may depend upon this for certain.

Sir John Peleton, who was recently knighted by Queen Victoria, is an American, and was agent for the State of Pennsylvania at Washington during war time.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other.

On a cable message from Europe, detectives met the steamer Adriatic upon her arrival at New York a few days, and arrested a man and woman charged with adultery and larceny. The prisoners are Rev. David Seymour, of the Methodist Episcopal Church at Janesville, Minn., and Mrs. Fannie Henry, wife of the editor of the Janesville Argus. The couple eloped on August 1st. Seymour took \$100 in church funds, and with the woman came to New York. They were pursued by Henry and his father-in-law. The couple sailed for Europe and doubled on their trail by coming back to New York. Henry had crossed the Atlantic also, but finding the trail doubled he cabled back to Inspector Byrnes, who arrested the elopers. In the police court both were held to await the arrival of Henry.
