HON. W. W. SULLIVAN was in Ottawa on the 16th.

SIR CHARLES TUPPER has returned from Manitoba.

CHARLES FAWCETT, Esq., of Sackville, N. B., was in the city to-day.

THE bark *Moselle* with grain from Montreal to Bremen, sailed from Quebec on the 19th inst.

THE bark *Ralph B. Peake*, from New York to Havre, arrived at Plymouth, on the 18th inst., wind bound.

MR. GEO. A. SHARP, late Freight Agent of the Island Railway, has been appointed to the position of Station Master of this city.—*Presbyterian*. Is Marshal Flynn superseded?

THE Oddfellows of this City have commenced a fund for the relief of the widows and orphans of their brethren who were victims of the terrible disaster at Stellarton, N. S.

CHAPPELLE'S Reliable Almanac for 1881 will be out on Monday, and will be the fullest, most authentic, and best publication of the kind ever published on the Island.

THE Subject for discussion at the next meeting of the Educational Institute will be "The best means to secure regularity and punctuality in the attendance of scholars at school."

MR. W. A. HUTCHERSON, has opened a New Grocery Store, on Queen Street, in the shop adjoining Miller Bros. Those who want a good article in his line, will do well to give him a call. See advt.

REMEMBER the sale of valuable property, situate on Great George Street, owned by W. W. Stambes, which takes place on Monday next, at 12 o'clock noon, in front of the Law Courts Building, in Charlottetown.

THE brig *Hildred*, Walsh, with cargo of 19,760 bushels of oats, of 34 lbs. each, and 700 pieces deals, containing 21,500 feet superficial measurement, shipped by Peake Bros. & Co., cleared for Queenstown for orders on the 17th inst.

THE brig *Lionel*, McLean, with cargo of 21,850 bushels of oats, of 34 lbs. each, and 400 pieces deals, containing 11,000 feet of superficial measurement, shipped by Peake Bros. & Co., cleared for Plymouth, G. B., for orders on the 20th inst.

SUICIDE.—An insane man named Joseph Toombs committed suicide by hanging himself at Rustico yesterday morning. The deceased was missed from his residence in the morning, search was made, and about noon his dead body was found suspended to a tree in the woods, a short distance from the dwelling house.

AGENT the Saint and inner case, the last issue of *Grip* gives us another cartoon. The "Sinner," having been released from his unenviable position, is in the act of crawling from under the pillory, leaving the "Saint" the lord of the situation. *Grip*, however, falls into error, by announcing the liberated as the "Saint." No one, we feel sure, would apply such a title to him. *Grip* is for sale at the "Diamond Bookstore."

SCHER A. C. Meniac, Nelson, from Charlottetown, P. E. I., for New Bedford, with 6000 bushels of potatoes, ran ashore in Quick's Hole on Monday morning. The cargo, which was only partially insured, will be a total loss, and there are doubts of saving the vessel, which is nearly a new one, as there is two feet of water in the hold. Tug *Charlie* went to her assistance from New Bedford.—*N. Y. Herald*, 17th.

THE Steamer *Worcester* sailed for Boston on Thursday evening, with a cargo consisting of 1836 barrels of mackerel, 1522 barrels and bags potatoes, 400 cases eggs, 25 kits mackerel, junk, palts, etc. She had also the following passengers:—Miss McDonald, Wm Walsh, B McInnis, Miss Sweeney, Messrs McDonald, F A Keenan, A Thorne, Charles Auld, Mrs Fuller, Mr Fuller, Mr E Doyle, Miss E J Campbell, Miss McKenzie, Miss Haley, Miss Cummings, Geo Brown, Jas Darling, J Ferguson, Jas Mobbs, Miss McQuaid, Mrs McCabe and daughter. The Hop Bitters Regatta!

Laycock Takes First Money.

Special despatch to Examiner.

LONDON, Nov. 20. In the final heat of the Hop Bitters Regatta Laycock took first money, Ross second, Hosmer third, and Smith fourth. The struggle between Laycock and Ross for first place was very tight.

CANADIAN.

HALIFAX, Nov. 18.

The coroner's inquest on Stellarton victims was in progress at New Glasgow all day. Five witnesses were examined, but nothing was elicited indicating the cause of the disaster. It is believed that the flooding of the mine has already fully extinguished the fire. Efforts for relief are being made in all quarters. At a meeting in Halifax to-day over \$1,500 was subscribed, and a strong committee was appointed to canvass the city.

EUROPEAN.

DUBLIN, Nov. 18.

The report that reinforcements are to be sent to Ballinrobe is untrue.

LONDON, Nov. 18.

The *Times* repeats its statement of yesterday that there are differences in the Cabinet. It says the arguments in favor of coercion in Ireland are urged as strongly as ever, and that the Cabinet is certainly not decided on setting them aside. On the other hand the objections of Bright and Chamberlain have not been surrendered. It may be assumed that the question is an open one, but every day tends to its settlement in a sense favorable to the contention of Bright and Chamberlain.

NEW YORK, Nov. 18.

A London despatch says there were rumors there last night of disagreements in the Cabinet meeting yesterday. Prior to the meeting, Bright assured Gladstone and Granville that if coercion by the army was attempted in Ireland, he will resign from the Cabinet. It is stated that if Bright resigns, Forster will go with him, and Earl Derby will take Forster's place. Derby is reported to have had an interview with Gladstone last evening.

NEW YORK, Nov. 18.

A cable from London says the news from Ireland continues alarming. It is now feared there is only too much foundation for reports that the peasantry are arming and only waiting for a favorable opportunity to defy the authority of the government. Alarming reports are continually pouring in from all parts of the Island.

LONDON, Nov. 18.

A telegram from Cork reports that two brothers named Moore have been arrested on the charge of being concerned in the murder of Mr. Wheeler. Michael Moore, one of the brothers, accompanied Wheeler when he was killed.

TEHERAN, Nov. 18.

The Kurds are being pursued towards the frontier.
