THREE OAKS HIGH

by Jane Victor

Three Oaks, we are more than proud to present you...

Three Oaks, the name comes from Three trees (schools) joining together to make up one big tree.

Three Oaks Senior High, We are more than proud to present you.

This school is made of three schools; Athena, Summerside, and Miscouche High. The teachers are

taken from these schools, we have the best staff and specially, what we love about our teachers is their relationship with their students.

The school has all kinds facilities, some of these are: sports, resource centre, video system, and all kinds of clubs.

We would like to make this note in memory of our loved Art teacher Thomas

Hamilton Irving. May we keep him alive through what he shared with us during his life. Mr. Irving's works are alive through his love, music, and most of all, his art.

Three Oaks, we remember you through good times and bad times but we all have pulled through to start a new step in our lives. May the unity, love, and spirit hold you together till end of life.

BUSINESS

Due to the good business program at U.P.E.I., the majority of the students from our school are business majors. There are few in Sciences and Arts.

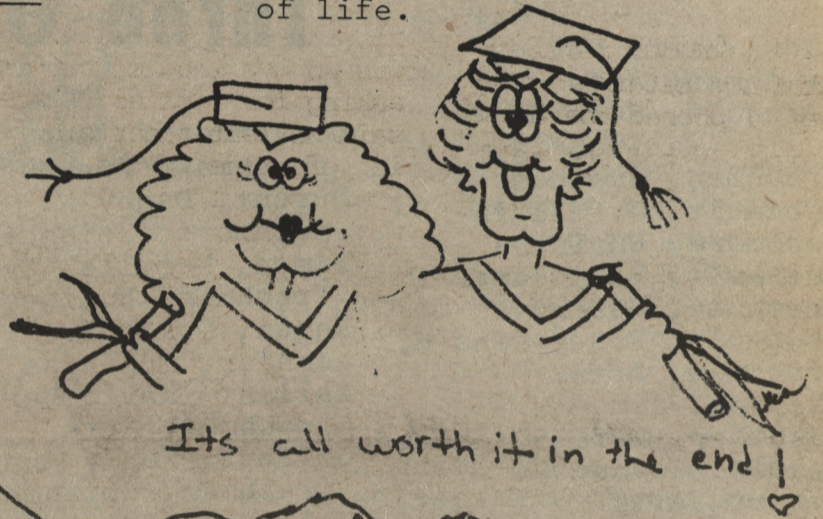

Three Oaks usually have pretty good background of business courses from high school. We are offered business, accounting, typing, Law in school.
