LET US REASON TOGETHER.

HOLLOWAY'S PILLS.

WHY ARE WE SICK?

It has been the lot of the human race to be weighed down by disease and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the INFIRM, of all climates, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of disease.

THESE PILLS PURIFY THE BLOOD. These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purify the blood, the very fountain of life, and thus curing disease in all its form.

DYSPEPSIA AND LIVER COMPLAINTS. Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to those organs, however much deranged, and when all other means have failed.

GENERAL DEBILITY.—ILL HEALTH. Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicine of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delicate health, or where the system has been impaired, or its invigorating properties never fail to afford relief.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is so the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no family should be without it.

Holloway's Pills are the best remedy known in the world for the following Diseases:

Ague Dropsy Liver Com-plaints Secondary symptoms. Asthma Dysentery Lumbago Tic-Douloureux. Bilious Com-plaints Erysipelas Piles Tumours. Female Irregularities Rheumatism Ulcers. Blotches on the skin Fevers of all kinds Retention of Urine Venereal affections. Bowel Com-plaints Fits Scrofula, or Worms of all kinds. Colic Gout King's Evil Weakness. Constipation Head-ache Sore Throats from whatever cause. Indigestion Stone & Gravel &c. &c. Consumption Inflammation of the Vein Jaundice
