SUPER CASCADE CHASSIS—

World's most powerful chassis gives you dazzling performance even in fringe or difficult areas. Transformer operated for long trouble-free performance.

ALUMINIZED PICTURE TUBE

A "Magic Mirror" of aluminum inside the picture tube beams all picture light out towards you for double the brightness. Admiral's exclusive Optic Filter screens out glare and haze.

TOP FRONT TUNING

Admiral puts the TV controls where they belong... up top at the front of the cabinet. You can tune your Admiral from an upright standing position.

BEAUTIFUL CABINETS

Take your choice from a wide selection of modern-styled cabinets. Admiral's slendertized cabinet design takes up less space in your room.
