

Hanged to an Apple Tree.

LYNCHED TO PREVENT ESCAPE THROUGH IN-SANITY-A PARALYSED FATHER KEPT IN IGNORANCE.

As a colored laborer was on his way to the village of Liberty Va., before the dawn of day on the morning of the 18th, he observed the dead body of Hairston Terry...

These words were quickly followed by two pistol shots from Terry's five shooter. Five minutes later Jeter was a dead man and Terry arrested and in jail.

It is now seems very probable that not only would that plea have been made, but some think, would have been fully sustained. A well known Lynchburg physician is believed to have been consulted some months ago by the mother about the young man's mental condition.

The Cavalry Horse.

Already in this campaign it has been conclusively proven that in order to be of any practical use in a country made up of such widely scattered settlements the soldiers must be well mounted, while means for the rapid transportation of supplies and military necessities of all sorts should be ample and of the best description.

All this means a brisk demand for horses of the proper kind, and of which we have comparatively few. Good-sized, active, well-bred horses will prove one of the necessities of the Militia Department for some years to come, and it is questionable if our farmers and breeders will be able to meet the demand in this direction for some years to come.

A Remarkable Proposal.

A remarkable proposal was recently made to the Irish loyalists. It is that a subscription shall be started to purchase a royal residence in Ireland which shall be presented to the Queen as a token of the good feeling and affection of Irish loyalists.

AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy.

A Sufferer from Headache writes: "AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One stomachic quickly moved my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers."

W. L. PAGE, of W. L. Page & Bro., Franklin St., Richmond, Va., June 3, 1882.

"I have used AYER'S PILLS in numerous instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable."

Mexia, Texas, June 17, 1882.

The Rev. FRANCIS B. HARLOWE, writing from Atlanta, Ga., says: "For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the constipation, and have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.
