**LONG, HARD WINTER**  
ATTIKOKAN, Ont. — (CP) — Workmen here are convinced that last winter was a pip. Digging sewer trenches they came across solid ice at a depth of five feet.

# AUTOMOBILE LOTTERIES

The attention of the public is directed to section 236 of the Criminal Code of Canada which reads in part as follows:—

"236. Lotteries.—Every one is guilty of an indictable offence and liable to two years' imprisonment and to a fine not exceeding two thousand dollars who—

(a) Printing Lottery.—Makes, prints, advertises or publishes, or causes or procures to be made, printed, advertised or published, any proposal, scheme or plan for advancing, lending, giving, selling or in any way disposing of any property, by lots, cards, tickets, or any mode of chance whatsoever; or

(b) Selling Tickets, etc.—Sells, barter, exchanges or otherwise disposes of, or causes or procures, or aids or assists in, the sale, barter, exchange or other disposal of, or offers for sale, barter or exchange, any lot, card, ticket or other means or device for advancing, lending, giving, selling or otherwise disposing of any property, by lots, tickets, or any mode of chance whatsoever."

It is to be distinctly understood that September first, next, is the absolute deadline for lotteries in this Province. Some cars were given away by lot this summer, despite these provisions of the Criminal Code, and prosecutions were not proceeded with because of the plea that all arrangements had been made and the cars purchased for such disposal for charitable purposes, but with the distinct understanding that this summer would see the last of such lotteries. Accordingly, the Police have been directed to prosecute without delay any and all violations of this section which come to their attention after September first, 1950.

## THAT DATE MARKS THE END OF CAR LOTTERIES.

## Back Stretch

(Continued from Page 6)

he held several colt records, notably that of Briar Queen as a four-year-old.  
"There is a horse called Todd McKay over here that I was told had worked a mile in 2:14 in Ontario, before Heber Sweeney brought him here, but I am particularly interested in the get of Signal Senator as I mentioned before. I am a reader of your notes and all the horse papers I can get my hands on, but I miss the great writers such as John Hervey, Henry Ten Eck and others." Thanks, Mr. Palmer, and we too, have faith in the Signal Senators and ask you to keep your eye on them and let us hear of their doings.

Mrs. E. Roland Harriman, wife of the Hon. President of the U.S. T.A., holds the world's record over a mile track for a pacer driven by a lady and just recently she has shattered the world's record for three-year-old pacing fillies on a half-mile track driving Tassel Hanover in 2:01 4-5 at Goshen; the former record was 2:03 3/4.

At Lewiston, Maine, June 29th, Abner Britton by Abner T. Clegg, formerly owned by George A. Calbeck, Summerside, won the Classified Pace, purse \$600, in 2:12 4-5. At Saratoga Raceway, July 5th, Joe O'Brien won the second division of the 222 pace with Bernard Hanover in 2:12 3-5. The following night he won the classified trot for two-year-olds with Carol Lee and the named trot with Sharon Hanover, a four-year-old by Peter Astra, in 2:11 4-5. The 2:17 Trot, purse \$1,800, was won by Brewer's Gallon (O'Brien) 2:10 1-5. Imperial Hammer, the yearling that sold at auction at Harrisburg for \$72,000 last fall, has not made the headlines yet. He is a very growthy colt and his trainer, John Simpson has been going along carefully with him. Reports are that he has improved very much in the last few weeks and will make his debut at the Grand Circuit meeting at Goshen mile track. His owner, Mr. McIntyre, made a fortune by discovering oil wells.

Glancing over the racing summaries of the Maritimes this week we note where Pearl Bumps (Daniels) owned by Dr. George Bishop, was a winner at Truro Wednesday night, heading Bud Kalmuck and five others in 2:15. Another winner was Dudy Budlong (Allen) owned by Dr. J. A. Donahoe. Second was Quaker's Boy (Brown), time, 2:14. At Moncton, Lock Hanover (Carr) won the first heat of the Free For All with McKiyo Cash (Halfpenny) winning the second heat. Other winners were Junior Hal (Whelan), Abbey Boy (Horseman) and Tryon (Cormier).

At Sydney, N.S., July 18th, Mary A. Bearemore (Ratchford) and Johnny Early (Hastings) divided honors in dashes 1 and 5, the former winning the second heat and the Early horse the first heat. A starter in this race was The Baker 2:06 4/5 and he was 2-2. The Baker has been campaigning for over a dozen years but we understand it is as keen as seventeen as he ever was. Louise Protector (Harrison) won the first heat of the Classified Trot in 2:21 with Sim H. (Chasson) winning the second dash in 2:15 4-5. He is a bay gelding by Simcoe Harvester. He started once in 1948 but made no starts in 1949. He looks like a good speed prospect. It is pleasing to see Ohio Hal and Redwood Grattan back in the winning columns. Redwood Grattan will be remembered for his sensational half stepped in the season of 1949—1:02 3-5. Later he took a record of 2:12. Ohio Hal is well known to all race fans here for his splendid campaign through the Island circuit last season.

A lovely afternoon, a lightning fast track and a record crowd helped to enhance an afternoon's racing at Covehead's Parlor Track that will be long remembered by those present. It was a real speed festival. In Race No. 1 the expected happened when Argot Pointer, recently purchased from Harry Breen of Halifax, by Horace B. Willis of Charlottetown, won the first and second heats with lightning fast rushes in the latter part of each mile. His first heat was won in a photo finish with Josedale Clipper in 2:12 1-5. In the second heat he had a larger margin in 2:11. In the third heat Josedale Clipper (MacGregor) was the winner with Filbert (Hennessey) second, Worthy Ermine (Moreside) third and Argot Pointer fourth. But it was the sizzling half of Argot Pointer in 1:02 2-5 that really caused the large audience to sit up and take notice. That is certainly speed of a high order over a half-mile track. Race No. 2 was a crowd pleaser in every heat. In the first Billy McVey (Craig) paced around the field from the three-quarter pole, winning in 2:11 2-5 from Prince Budlong (Cudmore). In the second heat a pacing duel between Prince Budlong and Tiny Budlong (Weir) ended in a victory for Tiny, time 2:10 2-5—the fastest mile paced this season over an Island track, and a new record for Tiny Budlong. Rhodola D. (MacDonald) that had been 4-3 in the first two heats, equipped with her former set of shoes weighing a couple of ounces more, showed good pacing form, winning the third heat in 2:12 3-5 from Dale B. (C. O'Brien). In a race-off with Billy McVey and Tiny Budlong, Rhodola D. won the fourth heat and race in 2:13, much to the delight of the owner, Dr. Austin DeJaney, Summerside.  
To add to the many thrills of the afternoon, Fred Reeves of Summerside, and his trotter Guy

Harvester, set in among a bunch of very fast pacers, pulled away from them at the word Go and was never headed, trotting in 2:12—just one-fifth of a second away from the fastest heat trotted this season in the Province—Lee Brewer's 2:12 4-5. Guy Harvester won the second heat in 2:13 4-5, Eleanor G. (Weir) was 2-2-1, her third heat in 2:12 3-5 being an excellent performance. So impressive was Guy Harvester because of his manner, frictionless gait and the fact that he is by Simcoe Harvester 2:04 4/5, and his great-granddam is the famous Ima Jay 2:04 1/2, that several buyers made a bee line for his stall, but offers of \$1,000 and over would not tempt Mr. Reeves to part with his horse.

Race No. 4 with its ten starters was a most exciting one to watch as horses changed places so frequently and every driver was right on the job. Harold Stead's Calumet Onward won the first two heats, lowering his record which now stands at 2:15 3-5. In the final heat Power Bros. Direct (Weir) came through, pacing like a champion on the outside to win in 2:16 3-5—a new record. Other pacers we liked in this event were Daisy Budlong (McIntyre) 2-2-4, Belle Budlong (MacDonald) 3-2-4, Toby Patch (Burt) 8-3-3.

Frederick's mid-summer meet which started on Wednesday and was continued on Thursday, as usual drew a good class of horses. Pleading to many friends of the ex-Island horse Donald G. R. was his winning of the No. 5 Classified in three straight, with Roy Barnard handling the lines. Others in that event were Brutus Scott (Hood) 2-2-2, Indiana Boy 3-3-3, Queenie Chief 4-4-4. In the second heat Donald G. R. came within three-fifths of a second of his record—2:10—made last week. On Thursday Ola Budlong (Dewitt) won the No. 4 Classified, stepping in 2:10 4-5, 2:12 4-5, 2:10 3-5, while Private George (Hood) won the Free For All Pace in 2:07, the Maritimes' fastest mile in 1950; June morning 2-2-2. The No. 1 class was a straight heat won for Jean Aubrey (Morrison) best time 2:18. Dr. F. C. Douglas of Charlottetown was the starter.

The Lecher stable consisting of A. G. Scott 2:10, Miss Donna Mae 2:16 2-5, and Jennie Kalmuck 2:16 1-5, arrived at the Exhibition grounds Thursday afternoon. Jennie raced in dashes 4 and 8 last evening and Miss Donna Mae will race in numbers 3 and 7 tonight, and A. G. Scott in dashes 5 and 9. The above trio have been doing well this season, starting early at Springhill and continuing at Moncton and Sackville. A. G. Scott won in 2:10 and 2:10 1-5 at Moncton and either won or was second in 2:09 at the same place. He is a coal black stallion, six years old, by Highland Scott 1:59 1/2 and last year as a five-year-old took part in seven races, winning thirteen heats and losing five. Tonight he will meet Argot Pointer 2:00 3-5, fresh from a victory at Covehead. Additional starters will be Worthy Ermine 2:08 2-5, Filbert 2:09, Tiny Budlong 2:10 2-5, Babe Britton 2:10 2-5, and Josedale Clipper 2:08 1/2.

A. B. Cutcliffe has sold his beautiful brood mare Margaret Jean 2:10 4/5 by Clover Guy 2:07 1/2, dam, Helena Aubrey, to Newton Taylor of Rocky Point. Margaret Jean was one of our top pacing mares years ago and also a champion on ice. With her breeding, splendid conformation and record she should be a most desirable brood mare—in fact she has already produced two very handsome youngsters.

We have received a very kind invitation from our genial friend Roy Hicks to attend Moncton's Diamond Jubilee Celebration July 30th to August 12th—and particularly the harness racing events on August 3rd, 4th and 10th. Roy has done much for horse racing through his very popular broadcasts over C.K.W.

## Hunters Corner

(Continued from Page 6)

car rolled into high gear and headed out the St. Peter's highway. After we past the built up section this side of Belvedere the Pontiac really began to roll. The driver swung his powerful shoulders with the car and she took the curves like a dilly and it was not until we passed two painted gate posts that slipped in a blur of white and looked to be as close together as pickets on a paling fence that I began to sit up and take notice.  
The headlights of a car showed over a rise and a half mile distant and I drew just two breaths and "Whupp" they were behind us. It was then I looked over the driver's shoulder. My eyes followed the dial around to the seventy mark before they caught up with the speedometer needle. "Hey, do you know how fast you are travelling?" "Sure thing I know, I've been over this old road lots of times and know every inch of it." Incidentally Souris is his home town and maybe he imagined he was on his way to keep a heavy date. He half turned his head: "What county is X in?" "Kings" was my reply. "In that case we'll have to take them to Georgetown jail." What an optimist!

Just as I began to wonder what it felt like to go through the roof of a car, we reached the vicinity of our destination. Did you ever try to tip toe down a railway track nearing the witching hour of midnight without thumping on the track-side grasses and startled us momentarily. Nearing the trout hole we stopped and listened. I didn't expect to find anybody but there was no sense in taking

## C.Y.C. To Hold Yacht Races Today

Officials of the Charlottetown Yacht Club announced yesterday that they will hold a racing meet this afternoon in the local harbour for Class III and Snipe craft, in which some twelve boats are expected to compete.  
Officials plan to make the Saturday meet a weekly affair, and boats from Summerside, Montague and other points throughout the Province are invited to participate.  
The race for the Class III craft will get underway at 2:30 and the Snipe Class just five minutes earlier.

## Ace McCloskey To Fight Landry

YARMOUTH, N. S., July 21 — (CP)—Ace McCloskey of Charlottetown and Dartmouth, N. S. will meet Billy Landry of Stellarton, N. S. in a 10-round boxing bout here July 29. The bout is sponsored by the Yarmouth Legion Branch and the local fire department.

## Big League Stars May Be Called Up

NEW YORK, July 21 — (AP)—The crisis in Korea threatened today to call some of the major league's brightest young stars to service in the United States Armed Forces.  
Both the American and National League races could be affected vitally by selective service action or the summons of reserves to active duty.  
Curt Simmons, pitching ace of Philadelphia Phillies in the National League, will do two weeks of National Guard duty in August. Whether this might be extended depends on decisions in Washington.  
Art Houtteman, star pitcher of the American League-leading Detroit Tigers, is 22 and 1-A in the draft. Al Rosen, Cleveland's home-hitting rookie, holds a naval reserve commission. Eleven members of Philadelphia Athletics are members of reserve groups.  
Almost every club in either league would be affected if there is a big expansion in service calls.

## Baseball Results

**National League**  
Brooklyn ..... 000 210 103 7 10 0

Erskine and Atwell; Brittin, Stuffel (4) and Oswald.

chances. . . .  
No muted voices. No splashing or reflected light on leaves. Just the soft murmur of water rushing over stones. The pool gleamed placid in the light of our flashlights with no recent disturbance visible. Another night patrol written off on the debit side of the ledger. Frankly I figured at the start that the chances of finding netters in action were a thousand to one against . . . but even those odds are worth a try to catch such a culprit, or culprits.

It's almost a certainty that the poachers knew they had been spotted or if they didn't it doesn't take an hour to net a trout pool. Twenty minutes at the outside and any trout not caught are frightened away. (I'm not speaking from experience.) In future if any fishermen catch a netter in the act just roll him up in his own net and phone the nearest R.C.M. Police Detachment. We have the most beautiful machinery in the world all oiled and ready to go to work on just such cases.

# WELCOME TO THE SCOTCH GATHERING

THE ANNUAL GATHERING OF THE CLANS OF PRINCE EDWARD ISLAND  
Under the auspices of the **Caledonian Club**  
WILL BE HELD AT **STRATHGARTNEY**

**WEDNESDAY, AUGUST 2nd**  
Light lunch served on grounds  
GAMES START AT 3 P.M.  
Fun For All The Family — See You At The Gathering  
**W. H. BEATON,** Chief  
**J. W. MacKINNON,** Secretary.

# ATTENTION ALL EMPLOYERS OF LABOUR

Your attention is directed to the very important matter of "ACCIDENT PREVENTION" in all your undertakings, where workmen are employed and in which the safety of your workman must receive your first consideration. We ask you to consider carefully the reading of the following Regulations made under the Workmen's Compensation Act and approved by the Lieutenant-Governor-in-Council, December 20th 1949:—

**SAFETY AND FIRST AID Regulation 7**  
Sec. 1. An employer who disregards the recommendations of the Safety Officer or other person authorized by the Board (Section 71, subsection 1) to make such inspection of the ways, works, machinery and appliances for the safety of the workmen under his employ, shall be liable to have his rate raised according to his hazard or hazard and if the hazard or hazards so continue after this inspection, the employer shall be restrained from carrying on operations until such hazard or hazards are removed to the Board's satisfaction.  
Sec. 2. Every employer shall likewise comply with the First Aid requirements for his workmen as required by the Board to be kept on his premises, factory, sawmill, or other place of employment and these appliances shall at all times be in easy access to the workmen. (Section 18, sub-section 9.)  
Our inspectors will visit you from time to time and will make any reasonable recommendations for your action with respect to installing, where necessary, such safeguards and measures that will prevent possible injury or death to your workmen. Your full co-operation and assistance in this great work of human welfare is expected.  
**WORKMEN'S COMPENSATION BOARD OF PRINCE EDWARD ISLAND**

## Golf Tourney Ends Today

**SASKATOON GOLF AND COUNTRY CLUB, July 21—(CP)—**Bill Mawhinney of Vancouver and Nick Weslock of Windsor, Ont., today won their semi-finals in the Canadian Amateur Golf Championship and tomorrow's final promised to be a knock-down, drag-em-out scrap.  
Mawhinney overcame Jerry Kesseling of Kitchener, Ont., 2 and 1, in the sensational game of the day after being down two holes at the end of the morning round.  
Weslock, the canny, experienced veteran, had an easier time eliminating Vern Mohs of Edmonton, 6 and 4, although the Edmonton red head steaded in the afternoon and Nick had a few lapses.  
High winds throughout the day, with brightening and sunny weather, gave the players plenty of trouble with tee and second shots.  
Medal scores ran rather high all round, and there were lapses in putting that were costly.  
The Mawhinney-Kesseling match was an in-and-out affair from start to finish.  
Gerry finally got going late on the back nine, taking the 14th, 15th and 18th to have a two-hole lead at the luncheon adjournment.  
Mawhinney began his march promptly at the start of the afternoon round, taking the first three holes in a row without any particularly brilliant golf. Kesseling fizzled two putts on the first two and was in a trap on the next.

## LARGE SPORT CATCH

**HALIFAX — (CP)—**One hundred and forty three salmon and grills were taken from L'Anse-au-River near here in one week recently, the largest sport fish catch.

## CENTURY OLD COIN

**PICTON, Ont. — (CP)—**A Bank of Upper Canada penny dated 1850 was turned up in a garden here recently. The century-old coin is well preserved and the inscription legible.
