CARLOAD PRICES ON WOODS FREEZERS

Of course you know the advantages of owning a home freezer—such as the savings in food dollars by buying in bulk, the saving in time through less shopping trips, the convenience of having fresh fruits, vegetables the year round. But added to all this is the advantage of having a quality freezer which gives you many, many years of trouble free service. And, during this "May Markdown Sale" you'll also save extra dollars by buying at these carload prices.

CHECK THESE 14 EXTRA SALES FEATURES:—

1. Designed to hold 420-850 lbs. of frozen food.
2. Separate fast freezing compartment for fast freezing of fresh foods.
3. High density insulation 4" on bottom 2" on sides.
4. Dry well construction which prevents sweating on the outside of the freezer. Tubing on bottom and Side Walls.
5. All Steel construction—1 piece wrap around Cabinet.
6. Self-sealing counter balanced lid with lock.
7. Moisture sealed—inner and outer shells are moisture sealed and rust proofed.
8. Dish pan bottom—prevents moisture from seeping into insulation.
9. Tubing and walls coated with rust proofing compound.
10. 100% "ACRYLIC" Finish. Stain Resistant.
11. High-impact-polystyrene breaker strips self sealing—interlocking with cabinet.
12. Thermo-mastic applied to lab tubing—for fast heat transfer.
13. Warning bell—Alarm—Operates from flashlight battery.
14. Copper Tubing throughout.

A GOOD HOME FREEZER is a Wise Investment and WOODS is ONE OF THE BEST.
