U.K. Labor Has Policy For Election

By ED SIMON Canadian Press Staff Writer SCARBOROUGH, England (CP)

Apart from a few of the most fanatical zealots, Labor party delegates broke up their annual conference Friday convinced that they have a policy to fight a general election on.

The leadership was firmly in Hugh Gaitskill's hands. He had personally won near-unanimous support for major pronouncements on economic and foreign affairs and the executive's statements on education and agriculture had gained general acceptance.

Rank- and file campaigns to commit the party to unilateral nuclear disarmament and immediate abolition of the public schools had been crushed.

B-A Oil Plans Big Financing

TORONTO (CP)—Financing estimated at around \$80,000,000 is planned by British American Oil Co. Ltd.

The financing—announced in a letter to shareholders by E. D. Brockett, president—will consist of the sale of 2,000,000 common shares.

Gulf Oil Corporation of Pittsburgh—which owns more than 57 per cent of British American stock—has offered to buy 1,156,200 of the new shares, thus maintaining its present percentage of ownership.

Gulf has also offered to purchase any of the remaining shares not purchased by the public.

Gulf has thus, in effect, offered to back the entire financing. British American, Mr. Brockett said, proposes to accept the Gulf offer.

ALBERTON HIGH NOTES Alberton High School Student Council Elected

Hi! Here we are again with some A.H.S. news. At a meeting of the student union earlier in the term the Student Council for 1958-59 was elected. Following are the officers: president Douglas Currie vice-president, Lorraine Campbell; secretary-treasurer Donna Huil.

The following class presidents have been chosen also: grade 9, Cora Coughlin; grade 10, Hilton Barbour; grade 11, Arlene Rennie; grade 12, Janet Profit.

Once again we would like to remind the students of the plan whereby they may participate in a campaign for raising money for the school funds since the campaign lasts over the weekend lets really get out and do our part. The magazine campaign depends on you for its success. How about it kids?

The boys have been quite busy with football practice. However, although their work isn't in vain we are all disappointed to report that there aren't any schools on the Island for them to play against.

The students council is planning to hold regular dances in the future if we are able to secure the consent of the school board.

Best of luck to all our former AHS students, five of whom have entered the teaching profession.
