

Tourists to Have Handicraft Courses Offered At Rustico

The provincial government plans to provide handicraft courses for tourists during the summer in the National Park area, deputy provincial secretary Wend MacKay said yesterday.

He said negotiations are underway to invite the Knights of Columbus Boys' Camp at Rustico for the month of July as the handicraft course center.

Courses would probably be of one-day duration to provide tourists with off-day activities during July.

Opening Date For Session To Be Set

Premier Walter R. Shaw said yesterday he expects a date for the opening of the Legislature to be set this week.

He said he would like to see the House will open within the first 10 days of March. Speculation is that the date will be March 7.

The cabinet is continuing its series of board meetings, considering the 1963-64 budget year expenditures. The cabinet will be holding its weekly meeting this morning.

It is expected that a delegation from the province will be invited to attend the annual meeting of the Maritime Council in Halifax, which will be held in the province capital.

Two fainting a night was the average during the 60 years that the horror theatre Grand Guignol was in business; the record was 15.

British Methodists Merger With Anglicans Proposed

By GODFREY ANDERSON LONDON (AP)—Proposals for merging Britain's Methodists with the Church of England were announced Monday by a panel of leaders of both churches.

The Church of England went through it will have communion of more than two centuries and is subject to a measure of parliamentary control.

The merger plan, first announced in 1958, was a subject of the two churches, involves two stages. Full communion by 1965, establishing bishops for the two churches, with services of holy communion administered by the clergy of both denominations and received by the congregations of both.

Mr. Stewart said the present location of the risk was ideal in that it was easily accessible to city children, particularly those from low-income families. He said the proposed school would be a day school.
