

# Personals

## Blue Bomber:

To the chick in WS 202 who sits by the window. The playbook will say you go long and I go deep. After the Game, we can hit the locker room at Myron's from some end zone dancing.

-- Q.B. Sneak

## To the new guy at the gym:

I love your sideburns! I really want to find out why they call you the body. If you want to show me please respond.

-- Secret Admirer

## SCY:

Hope you had a good time in TO. What did ya bring me? Sorry 'bout the dishes.

-- Your roomie

## Biology Man (aka Darcy M.):

I have seen you walking from Main to Duffy in the mornings, and I have been enjoying the view.

-- An Admirer

## John G:

How are the cross-dressing roommates?

-- Moorehouse

## Johnny Appleseed:

Can I interest you in an unbruised, juicy specimen?

-- MB

## To Mr. Solar System:

Let's get together for a game of pool at the Panther Lounge and you can discover what kind of shark I am.

-- Paradox

## Dear APG:

Too bad you hate the phone so much, you will never know what you missed out on.

-- Alexander Graham Bell

## To Mutant IIs:

Keep your reduced eyes off Mutant Is! Our tubes were meant for each other.

--Wild Types

## To Mutant IIs:

We've been watching you through the glass. Wanna party? We're virgins too! Forget the wild types!

-- Mutant Is

## Boy Toy:

If you want to keep your title, your list needs some more reasons.

-- Your trainer

## Student Exchanges

Do you enjoy travelling? Have you considered a student exchange? UPEI offers exchanges to Australia, Florida, New Mexico, Ohio, Pennsylvania and West Virginia.

If you are interested in a student exchange, your time is running out! Exchange booklets are available at Student Services and they must be returned by February 9, 1996.

If you would like to find out more about student exchanges, stop by Student Services and see me, Lynette Barrett, for more details. My office hours are:

Tuesday 9:30-12:30  
Wednesday 12:30-4:30  
Friday 9:30-12:30

## Campus Comment

by Karen Rawlins

How many emergency blue poles are on campus?

Kim Lacey, 1st year Science: "12.6"

Kerry Maze, 2nd year Political Studies: "8"

Brent Byrnes, 1st year Miscellaneous: "9"

Carolyn Hanrahan, 3rd year Arts: "7 or 8"

Tara Alexander, 3rd year Science: "I only know of 4."

Keri Evers, 1st year Science: "I've only ever seen one."

Murray Adams, 1st year Science: "4 or 5"

There are actually five of these poles on campus. Learn more about these and other safety features UPEI students have access to in the next issue.
