HALL'S VEGETABLE SICILIAN HAIR RENEWER,

HAS proved itself to be the best preparation ever presented to the public; a fact to which thousands have testified who have been benefited by its use.

A few applications of this Compound will change brash, dry and wiry Hair to a moist and glossy appearance, and make it of

SILKEN TEXTURE.

The Proprietors offer the SICILIAN HAIR RENEWER to the public, entirely confident that by its restorative properties it will bring back the Hair to its

NATURAL COLOR.

It is not a dye, and consequently does not stain the skin or soil the finest fabric. If the Hair is falling off or becoming grey, the use of the RENEWER will surely arrest its decay, no matter from what cause, and will create a new growth, and make it assume in a short time all its former vigor, as it furnishes the nutritive principle by which the Hair is nourished and supported. As a

HAIR DRESSING,

the RENEWER is unequalled by any other Hair preparation in the world, giving it that beautiful texture which is so much admired by all. It does not contain any poisonous drugs, the basis of its remedial properties being a VEGETABLE COMPOUND It completely eradicates scurf and dandruff, and cures all diseases of the scalp, and by its cooling properties allays the itching and fever of the scalp. It combines not only the best remedial properties for all diseases of the Hair and Scalp, but also is the best dressing for the Hair This preparation has been sold for the past seven years entirely upon its own merits.

Beware of the numerous imitations, which in appearance only are similar to it, which are forced upon the public upon our reputation Call for HALL'S VEGETABLE SICILIAN HAIR RENEWER, and take no other, or you will be disappointed.

CHILDREN TEETHING

MRS. WINSLOW,

An experienced Nurse and Female Physician, presents to the attention of mothers her

Soothing Syrup,

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay **all pain** and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to yourselves, and

Relief and Health to your Infants.

We have put up and sold this article for over thirty years, and **can say, in confidence and truth** of it, what we have never been able to say of any other medicine—**never has it failed, in a single instance, to effect a cure,** when timely used. Never did we know an instance of dissatisfaction by any one who used it; on the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter **"what we do know,"** after thirty years' experience, **and pledge our reputation for the fulfilment of what we here declare** In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most **experienced** and **skilful nurses** in New England, and has been used with **never-failing success** in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS, AND WIND COLIC,

and overcomes convulsions, which, if not speedily remedied, end in death. We believe it the **best and surest remedy in the world,** in all cases of **Dysentery and Diarrhœa in Children,** whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints **—do not let your prejudices, nor the prejudices of others,** stand between your suffering child and the relief that will be sure—yes, **absolutely sure**—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of **CURTIS & PERKINS,** New York, is on the outside wrapper.

THE GREAT REMEDY FOR

CONSUMPTION,

and acknowledged by many prominent physicians to be far the most Reliable Preparation ever introduced for the RELIEF and CURE of all

LUNG COMPLAINTS.

This well known remedy is offered to the public, sanctioned by the experience of over forty years; and when resorted to in season, seldom fails to effect a speedy cure of

Coughs, Colds, Croup, Bronchitis, Influenza, Whooping Cough, Hoarseness, Pains or Soreness in the Chest and Side, Bleeding at the Lungs, Liver Complaint, &c.

The unequalled success that has attended the application of this medicine in all cases of

PULMONARY COMPLAINTS

has induced many physicians of high standing to employ it in their practice, some of whom advise us of the fact over their own signatures. We have space only for the names of a few of these:—

Such testimony

CANNOT BE DISCREDITED.

From the mass of evidence in our possession we select the following:—

From L. J. RACINE, Esq.,

of *La Minerve,* Montreal. "Having experienced the most gratifying results from the use of *Dr. Wistar's Balsam of Wild Cherry,* I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. The symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found *immediate relief,* and after having used four bottles I was completely restored to health. I have used the Balsam in my family, and administered it to my children, with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy *par excellence.*"

A CURE FOR WHOOPING COUGH.

ST. HYACINTHE, C.E., Aug. 21, 1856.

Messrs. SETH W. FOWLE & SON.

Gentlemen:—Several months since a little daughter of mine, ten years of age, was taken with *Whooping Cough* in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of *Dr. Wistar's Balsam of Wild Cherry.* In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce anybody to use your Balsam I shall be glad, for I have great confidence in it.

Yours, P. GUITTE,
Proprietor of the *Courrier de St. Hyacinthe.*

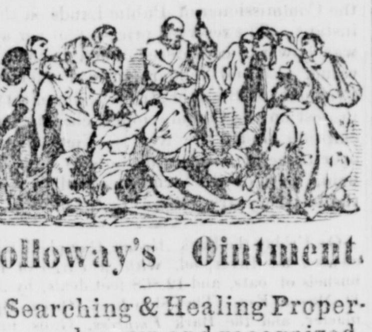
The Most Reliable Friend!



Holloway's Ointment.

Its Searching & Healing Properties are known and recognized throughout the World.

The number of years this invaluable Ointment has stood the test of public opinion, (and the longer known the better appreciated) is a testimony of itself more convincing than anything that could be written in praise of its truly wonderful healing properties. In the cure of bad legs, bad breasts, sores, wounds, and ulcers, its effect is marvellous. For ring-worm, scald-head, scrofula, and diseases of the skin generally, there is no remedy to be compared to it. When assiduously rubbed upon the skin (previously well bathed in warm water) this Ointment is quickly absorbed into the system, and cleanses, in its passage, every part to which it is applied.

Glandular Swellings, Mumps, Bronchitis, Quinsey, Sore Throats and Diptheria.

In any of the above diseases, immediate and permanent relief is obtained by effectually rubbing this detergent Ointment, twice a day, upon the neck, chest and back. Its acts upon the very mainsprings of life; for through the glands pass all new matter required for the body's reparation and all old particles detrimental to its preservation. The Ointment, used conjointly with Holloway's Pills, will act so searchingly and certainly as to effect cures in the most hopeless cases.

Rheumatism, Lumbago, Contracted and Stiff Joints.

Many thousands of martyrs from the above complaints have found life almost unsupportable; yet, if Holloway's Ointment be briskly and perseveringly rubbed upon the parts affected, ease may be safely guaranteed, especially if the pores of the skin be previously opened by fomentations with warm water. The gross humors require expulsion from the system; it is therefore necessary to have recourse to Holloway's admirable Pills, which, by purifying and strengthening the system, greatly assist the operation of the Ointment and facilitate and confirm the cure.

Bad Legs, Bad Breasts, and Ulcerations of all kinds.

There is no medicinal preparation in the world which may be so thoroughly relied upon, in the treatment of the above ailments, as Holloway's Ointment. Nothing can be so simple or safe as the manner in which it is applied, or its action on the body, both locally and constitutionally. The Ointment, rubbed around the part affected, enters the pores just as salt enters meat. It quickly penetrates to the source of the evil and drives it from the system.

Erysipelas and Scrofulous Sores.

In all irritations of the skin, sores, ulcers, burns or scrofulous enlargements of any kind, Holloway's Ointment presents a ready and easy means of cure. It manifests a peculiar power in restraining inflammation, removing stagnation, cooling the heated blood, and checking all acrimonious and unhealthy discharge.

Diseases attendant on Childhood.

Diseases incident to early life fall more under the management of the mother than the medical man. Holloway's Ointment should therefore be regarded by her as a "Household Treasure," as it never fails in bringing out the rash in measles and scarlatina; and for the removal of all skin diseases its effect is miraculous. In cases of whooping cough and croup, this invaluable Ointment should be rubbed twice a day upon the throat and chest, and the youngest invalid will derive therefrom the most soothing relief. Two or three of Holloways's famous Pills, reduced to a powder, will augment the curative powers of the Unguent.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Corns (soft)	Rheumatism
Bad Breasts	Cancers	Scald Heads
Burns	Contracted and Stiff Joints	Sore Nipples
Bunions	Elephantiasis	Sore Throats
Bite of Moschetoes and Sand Flies	Fistulas	Skin Diseases
	Gout	Scurvy
		Sore Heads
Coco-bay	Glandular Swellings	Tumours
Chiego-foot		Ulcers
Chilblains	Lumbago	Wounds
Chapped Hands	Piles	Yaws

Certificate from a Physician 20 years ago,

Before the Medical College, Glasgow.

I do hereby certify, that by request of scores of my patients and others, I have analyzed what is known as old Dr. Judson's Worm Candy Sticks; on analysis, I find it to contain nothing that is the least injurious to the youngest infant. I find that the Medicine used, acts specifically on the Worms, and is a perfect regulator of the debilitated system —knowing this to be the fact, and the medicine so pleasantly disguised in a candy stick, I strongly recommend to this Board of Physicians to prescribe *Dr. Judson's Dead Shot Worm Candy* to all of their patients that are troubled with the common or Tape Worm.
