

News Notes.

Leprosy is spreading in New Caledonia, 3,000 aborigines and many convicts having been attacked.

The influenza has been set to music. The composer, Maroni, director of the opera at Smyrna, having recovered from an attack of the gripe, has expressed his gratitude to Hygeia in a symphony, the melody clearly indicating the course of the malady from the first sneeze to the doctor's bill.

The drunken man's luck again made itself manifest on Sunday. Patrolman Hurley, of the Bayonne, (N. J.) police force, who was marching a fellow to the round house along the railroad track, was struck by a train and killed. The drunken man escaped with a few slight bruises.

A Berlin despatch says that Professor Baidleben, at his clinic, on the 20th inst., presented to his students a young lady, who, he explained, belonged to a class of hysterical patients who actually enjoy painful operations performed on themselves. The young lady, while in a spasm of hysteria, broke her lower jaw and injured the facial artery, necessitating the ligation of the carotid artery. She insisted on having the painful and delicate operation of the complete exarticulation of the lower jaw performed without the administration of an anesthetic and at its conclusion informed the professor with every appearance of sincerity that it actually gave her pleasure.

ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural quiet sleep by relieving the child from pain; and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind. Jan 7 90.

AT LAST! A Wonderful Vegetable Discovery That Removes the Terrible Results of Overwork. A True Invigorator.

Weakness and prostration of the nervous system surely follow that overwork and worry which brings sorrow and suffering to so many Canadian homes. The terrible results of nervous weakness, are seen on every hand. Pains in the back, poor and unrefreshing sleep, lack of appetite, dyspepsia, and lost energy and strength, are the first symptoms of more serious and dangerous trouble. This is the way that Paralysis, Paresis and Insanity begin. Do not delay a moment longer, for some time it will be too late to regain your lost health and vitality. Use Paine's Celery Compound now, and the dull eyes will regain their brilliancy, the cheeks will grow rosy, the brain become clear, the nerves strong and steady, your sleep restful and refreshing, appetite good, and health and happiness will take the place of misery and suffering.

A Sabiston, the well known lithographer of Montreal, writes: "In the summer of 1888 I had to work very hard, and was troubled considerably with insomnia (sleeplessness). I resolved to try your Paine's Celery Compound, and after taking the contents of two bottles, felt like a new man. A good night's rest gave me strength for the duties of the day, and instead of starting out to business in the morning feeling as if I had completed a day's work instead of being about to commence one I started out in good spirits, feeling fresh and strong. My wife and various friends, to whom I recommended the medicine, have been benefited greatly, and in fact Paine's Celery Compound is a household word in our family."

DRUNKENNESS

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, at the Invalida Hotel and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapting and thoroughly testing remedies for the cure of woman's peculiar ailments. Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. Thousands of testimonials, received from patients and from physicians who have tested it in the most inveterate and obstinate cases which had baffled their skill, prove it to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect specific for woman's peculiar ailments. As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For "run-down," "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic. As a soothing and strengthening nervine, "Favorite Prescription" is unequalled and is invaluable in allaying and subsiding nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep, all relieves mental anxiety and despondency. Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded by an experienced and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial. "Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppression, prolapsus, or falling of the womb, weak back, "female weakness," antevulsion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with internal heat. As a regulator of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is perfectly safe, remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to the use of Dr. Pierce's Golden Medical Discovery, or Purgative Pills (Little Liver Pills), cures Liver, Kidney and Bladder Diseases. Their combined use also removes blood taints, and abolishes cancerous and scrofulous humors from the system. "Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturers, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years. Large bottles (100 doses) \$1.00, or six bottles for \$5.00. For large, illustrated Treatise on Diseases of Women (160 pages, paper-covered), send ten cents in stamps. Address, World's Dispensary Medical Association, 609 West 10th Street, N. Y.
