CARBOU TERMINAL NOT READY—Captain T. G. Taylor, who celebrates his 85th birthday today, has recently returned from a holiday spent in his native Pictou. He visited the site of the Caribou terminal for the Wood Island ferry, and was advised by the contractor that it would be some considerable time before there would be any progress to report. The undertaking will be a costly one, and the piles, etc., to be used are all to be from British Columbia. The Captain also visited his old friend, the Hon. E. M. Macdonald, and was sorry to find he was far from well. The dust nuisance on the roads in Pictou is no better than it is at Keppoch, and summer visitors there can visualize how bad that is. The Captain is in excellent health, and looking forward to succeeding birthdays.

TRINITY UNITED CHURCH—Sunday services will be held at usual hours—Rev. L. M. Murray, B.A., B.D., will be in charge during Rev. Mr. Miller's absence on vacation. The preacher for next Sunday will be Rev. A. S. Weir of Vernon River. Mrs. Weir will be the soloist at the morning service and will sing a setting of the familiar text "God So Loved The World" by Pearis. Mr. Roy Smallman will sing Sanderson's "Beyond The Dawn" at the evening worship. Mr. A. Roy Kendall will be at the Grand Organ.

CENTRAL CHRISTIAN CHURCH—Sunday will be the closing day of the Rev. S. C. Cooper's ministry at the Central Christian Church. The farewell sermon will be preached on Sunday morning at 11 o'clock. The sermon topic will be "Confidence in the Gospel of

Christ." A specially illustrated sermon at the evening service on "The Beautiful Garden of Prayer", drawn by Mrs. Cooper in pastel shades, will be the final message. Songs in keeping with the occasion will be sung by the choir and special musical numbers will be rendered.

VISITORS TO P. E. ISLAND—Mr. and Mrs. Clifford Wood, daughter Gerda and son James, also Mr. and Mrs. James G. Wood, all of Gowanda, N.Y., are visiting friends and relatives in P. E. Island. Both families formerly belonged to P.E.I. but have lived in U.S.A. for many years. It has been a great treat to renew acquaintances again. Everyone with whom they all came in contact welcomed them cordially and they never had a trip so much enjoyed. The visitors expect to leave for their home in Gowanda, N.Y., on the 31st calling at Bangor, Maine and at Waltham, Mass., to visit another brother, Mr. Lemuel Wood, whom they saw on their way to the Island. Mr. W. C. Wood is a brother of Leif's Wood of Hunter River and his two sisters are Mrs. James Dunning of Clifton and Mrs. George Johnson of Long River. Mrs. Wood is a sister of Mr. S. E. Cannon of O'Leary Road and of Mrs. Mary Herlihy of Cascumpe and Mrs. Albert Gay of Summerside. While on their trip they visited Charlottetown and were in the Provincial Building and stood where Their Majesties the King and Queen stood, which was a great thrill to them. They missed many old friends who have gone from this life to their reward. To Mr. and Mrs. Wood this reunion has been an uplift and they are greatly pleased to see the improvements on P. E. I.

PROVINCIAL EXHIBITION Prize Lists for 1939 are now ready and being mailed. If a copy does not reach you please write J. W. Boulter, Secretary, Charlottetown. L-230-6-27-11.

Northeast U. S. in Grip of Record Drought

WITHERED STALKS of corn on a farm near Ellenville, N.Y.—a typical scene in drought-stricken areas. A meager supply of water obtained from a water hole. FIGHTING FIRE, which sweeps through the timber reservoir once, a mere mud hole now dries dry woodlands in southern part of Catskill six weeks of drought at the town of Kerhonkson, N.Y. Mountains.

As the worst mid-summer drought in the history of the East withers crops, bakes forests, dries up streams and imperils water supplies, a new and dreaded menace—fire—appeared to rage virtually unchecked in some of the woodland of New York state and New Jersey.
