

SHERWOOD SCOUT WINS TOP AWARD

Climaxing a concentrated effort on the part of one Charlottetown scout recently was this presentation. Douglas Moore, who now lives in Sherwood, is shown here receiving

both the Queen's Scout, Canadian Scouting's highest honor, and also his gold cord, for which Douglas had to win 18 proficiency badges as well as his Queen's Scout. The 16-

year-old lad is a member of the Eighth Charlottetown Troop, whose scoutmaster, Dr. A.L. Saunders, is making the presentation.

International Friendship Seen Alternative To War

TORONTO (CP) — The only alternative to ultimate war is the establishment of real international friendship by public figures of all nations, Lord Thomson told Rotarians today. In an address to the third plenary session of Rotary International's 50th convention here, the Canadian-born publisher said that to be friendly, nations must understand each other's point of view. Lord Thomson cited recent talks he had with Nikita Khrushchev in which the Russian premier complained that the West does not appreciate the great effort he is making to improve his people's living standards. "There is much truth in his charge," Lord Thomson said. "The sooner we stop deriding the Soviet people and vilifying their leaders, the sooner they will stop blackguarding us." He said the Russian government will probably continue to spread world communism and as a result create trouble in many parts of the world, but what the Russian government wants now above all is to improve the standard of living of its own people.

long run they will benefit most by being democratic and living under a free enterprise system. **MUST PROVE FACTS** "It is our responsibility to prove all these facts to them and do it quickly. "If we do not sermonize or condescend, but concentrate instead on dispassionately passing on technical and scientific knowledge and the fruits of our political and social experience, we will have gone far toward getting them to accept the concepts on which are based the liberties and achievements of Western civilization." He asked the international Rotary movement to assume part of the responsibility in helping to provide the urgently needed communications facilities to the yet uncommitted nations. Text of Lord Thomson's address was provided to the press in advance of delivery.

Probe Asked On Cook Dismissal

OTTAWA (CP) — Associate Defence Minister Gardia was asked Wednesday to investigate the reported dismissal of a civilian cook with the armed services in Halifax for taking home a 50-cent cake. Before the minister could reply, Speaker Alan Macnaughton ruled that the question by Gerald A. Regan (P—Halifax) should be submitted in writing. Mr. Regan had asked whether the minister was aware that "a civilian cook named Lorne Edward Pace, with 12 years good service in the RCN and two years as a civilian cook with the RCAF in Halifax, has been discharged for taking home a 50-cent cake."

He gave notice that he intends to raise the subject again at a 10 p.m. adjournment debate. Canadian natural gas is used commercially in California to pop the skins from tomatoes ripe for canning.
