

(WRITTEN FOR THE EXAMINER)

Purpose.

As the current of life bears us swiftly along To the sea of eternity, Our fate will be as it will be strong.

Let us not, like the bubble, float aimlessly past, With fortune our only guide, Far like it we'll surely be scattered at last.

But remember that often the sunniest smile Precedes the bitterest tear. 'Tis a path o'er which none a free pass can obtain;

If we wish to run well we must have in mind An object worthy and true, And never was any found lagging behind.

Then let us not drift on the ocean of life, But steer a course wisely and well; Ever ready to rescue a soul which the strife Has left rudderless where it fell.

"Untold Agony." from Catarrh." Prof. W. HAPSNER, the famous mesmerist, of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me useless incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could scarcely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Sneezing and Spitting." THOMAS J. RUSHING, Esq., 2003 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from chronic nasal catarrh for many years. At times I could hardly breathe, and was constantly sneezing and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one that only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh. ELI ROBINSON, Rimpin P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very bad. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure, and she is now eighteen years old and sound and healthy."
