pect Value Construction Program Higher

TTAWA (CP)—Value of Canada's 1956 construction program expected to soar 19 per cent over last year to a record \$6,271,000 from \$5,286,000,000, the cauc of statistics estimated Tuesday.

It is expected that nearly all increase will be in industrial building and engineering construction such as the St. Lawrence way and the gas pipeline from Alberta to the Pacific coast. Residential building likely will remain about the 1955 level.

Hamilton United Dominates Former Islander

Rev. Dr. E. Melville Aitken of Hamilton was unanimously nominated Moderator of the United Church of Canada at the Hamilton Presbytery at a meeting on May 2.

Beginning on a rural charge at Verdun, Prince Edward Island, Aitken held pastorates in St. Andrew's Church, Sidney, N.S., St. Central Church, Calgary, Alta., before coming to Hamilton three years ago as minister of St. United Church. The latter congregations are among the best in the dominion.

Dr. Aitken has held many important posts in his denomination. He was six years chairman of the Board of Overseas Missions and has also been chairman of the Deaconess Order of the United Church. He has also served on a national board of the Mission and Maintenance Department of the National Evangelistic Mission. He is a past president of the Hamilton Conference and is now the Executive of the General Council.

Rev. Dr. Clifford Elliott of St. Lee Church, Hamilton, who made a nomination pointed out that a pastoral ministry has not been presented in this highest office of the United Church for six years and that Dr. Aitken knows Canada including eastern and western provinces. His nomination was seconded by George Clark, recently "Man of the Year" in Hamilton.

Dr. Aitken's radio ministry from Niagara was the largest in the Canadian west. An artillery gunner in the First World War, he is since 1939 been padre of the 1st Field Regiment.

The new Moderator will be elected at the General Council meeting at Windsor, Ontario, in September.
