A POINTER FOR THE GIRLS.—According to the Boston correspondent of the St. John Sun there is a great disparity between incoming and outgoing travel with the Maritime Provinces just now. At the steamship offices they report that persons going eastward outnumber the class called by the girls, an excess, 3 to 1.

A CELEBRATED CASE.—The suit of Mayor Thomas against the speaker of the Assembly, sergeant-at-arms, jailor and detective and also 22 members of the Legislature of Nova Scotia, was commenced before Judge Townshend on the 17th. The legislature passed a law exempting the first four named, and under this the judge discharged them. Then a motion was made for the discharge of the legislature, and when the court adjourned for the day this was being argued by the respective counsel.

PARNELL'S LIKENESS.—Miss Murphy lost a likeness of the late Charles Stewart Parnell somewhere in the city on Saturday afternoon, and as she has great confidence in THE EXAMINER as an advertising medium, she has asked us to let "the public" know of her mishap. She says Parnell went to school to her in Cork, and on that account she prizes his picture greatly. She is very much grieved at her loss, and would be deeply grateful if the finder would leave the picture at this office.

HUNTER RIVER TEA.—A special train will run in connection with the tea at Hunter River on the 23rd, leaving Summerside at 8 o'clock, a. m.; returning, will leave Hunter River for Summerside at 5 15 p. m. standard time, connecting at Kingsport morning and evening with Cape Traverse train. Return fares: Summerside and Barbara Welt, inclusive, 60; Kensington and Freetown, 50; Emerald, 40; Bradshaw and Clyde, inclusive, one single first-class fare.—D. McKinnon, sec'y.

MORE HORSES SHIPPED.—The Agriculturalist says: The stallion Pat Morris was shipped yesterday morning by the St. Lawrence to Mr. J. A. Lesman, Halifax, who has purchased him from Mr. W. K. McKay, of this town. Mr. P. McNaughton, of Moncton, took over in the same boat the well-known trotting and carriage mare Maudabaska, by All Right, lately owned by Capt. D. McKinnon, of this town. Mr. McNaughton paid a handsome sum, we understand, for this mare.

RAILWAY ACCIDENT.—There was a big smash on the Pictou branch in the heavy rock cuttings between Willey and Union Stations on Wednesday morning before daylight. Some fifty tons of rock had slipped out of the cuttings on to the track, and an empty coal train from Truro to Stellarton, collided with it. The engine was badly demolished and several cars were thrown off the track. Nobody was injured. No trains could pass Pictou until the road was cleared up.

GELIC SERMON.—The Gelic sermon by Rev. Malcolm Ross Sunday afternoon in the Prince Street Baptist Church was much appreciated and listened to with marked attention by a large audience of Gelic speaking men and women. The venerable preacher took as his text: "Matth. Cxvi—v 26." Air did an tarbhe a ta ann do dhine, ged chosadh e an aughail nile, agus nam fein a chall? No did i' n' mharlart a'beir dhine air son silvas?" Professor D. J. Macleod, John Ross and John T. McKenzie lead the Gelic singing, in which many of the congregation heartily joined.

AN ISLANDER DROWNED.—The Summerside Pioneer says:—The body of Joseph Martin, son of Mr. Simon Martin, Tignish, was brought home via the St. Lawrence last evening for burial, accompanied by Mr. Fabian Peters, also a native of Tignish. Young Martin, who was about 20 years old, and Mr. Peters worked in a paper mill at New Berlin, New Hampshire. The deceased with another were out about 4 o'clock in the evening in a small boat, which leaked badly, playing and fooling with nothing to bail the boat out. The result of it was that Martin was drowned. The body was taken to Tignish on Saturday's regular train.

CHILD SLAVES.—The Boston correspondent of the St. John Sun says: In New Brunswick nearly every child is sent to school until it is at least 15 years of age. But it is wonderful, with the compulsory system in vogue here, how many children never see the inside of a school. For instance, in Rhode Island, the same law exists in the union, and statistics issued by the legislature of that state show that there are 5,273 children at work in factories alone, and the majority are under eleven years of age. The average wages paid each per week, is \$1.25, at the same statistics show many, but not all, children attend meetings two or three nights a week, at which a male adult employs teaches them. Although the days of the confederacy are over, yet Rhode Island has its population of child slaves.

APPOINTMENT.—Maxwell Henry has been appointed keeper of the quarantine hospital at harbor's mouth, in the place of his father who died about a month ago. It is said that there were about forty-eight applications for the position.

ATTENTION is directed to the advertisement in the "Wants" column of THE EXAMINER, of the Trainor property on Power St., which is offered for sale or to rent. Particulars can be obtained from Mr. B. Trainor at the Post Office department.

FIREMEN'S TOURNAMENT.—Ward has been received from Halifax that three of the fire companies of that place will leave there on Wednesday morning and will cross over to the Island in the steamer from Pictou on regular trip that afternoon. A large number of their friends will accompany them.

ANOTHER DISCOVERY.—The works of an ancient watch were discovered on the farm of Mr. T. A. McLean, at Holland Cove, a few days ago. They were found about four feet below the surface, near where Mr. Fechan discovered the old French coin, as already noted. The case of the watch had disappeared. It is supposed that it was of wood. The watch and subtly belonged to the French period. The discovery was made in the woods, on the site of a house, the hearthstone of which, also, has been turned up.

POLICE COURT.—This morning, John Mills, (colored) arrested on a charge of attempted assault on a female, was sentenced to three months imprisonment with hard labor. One nuisance case was disposed of for a fine of five cents and costs, and another was adj. unad. Three drunkards were also disposed of—two for fines of \$3 or 14 days and the third for \$1 or 4 days.

SCOTTISH GATHERING, 10TH AUGUST, 1892.—Two prizes will be given at this gathering for the best essay on the early history of the Scotch settlers of P. E. Island. 1st prize \$12.50, donated by Lieut. Col. J. D. Irving; 2nd \$10.00, by the Caledonian Club. The subject matter and information will be considered by the judges rather than the merit of composition. The following rules will govern the competition. The essays must not exceed two thousand five hundred words. All essays to be mailed to the Secretary of the Caledonian Club not later than August 1st, 1892. For further particulars apply to J. A. McLaren, care of Jas. Paton & Co., Charlottetown.

WICKED HALIFAX.—A very serious charge has been laid against a member of the Halifax police force. The accusation is made by the naval petty force, and it is one of the most grave and dishonorable ever brought against a member of the force there. In making the report the officer said he was passing along the street with a woman, when the policeman accosted him, and said he would arrest him. The naval man asked on what charge, saying he had done nothing to call for arrest. The policeman said the woman bore a bad reputation, and being in his company at such a late hour justified the arrest. The officer, however, quietly intimated, says his accuser, that a payment of \$5 to him would avoid trouble. The officer alleges that he paid that sum. Then the naval man went to the police station and reported the whole matter. The marshal has reported to the police committee and an investigation will be held very shortly.

Personal.

Bishop Anson, of Qu'Appelle, has resigned and will remove to England. Mrs. D. McLellan, of Summerside, is in town visiting her father, Mr. James Fitzpatrick.—Moncton Transcript. King Humbert and Queen Marguerite are now on the list of royal visitors, and will pay their respects to Germany's ruler at Potsdam. The Halifax Evening Mail reports that "Robert Harris, R. C. A., is engaged upon a portrait of Chief Justice Macdonald." Mr. Harris is also engaged upon a portrait of Sir Leonard Tilley.

Much drirk horse talk is being indulged in in connection with the Democratic convention at Chicago this week. As chances stand, however, the likelihood is that the winning gait has been set by a Cleveland Bay. Rev. Dr. E. O. Baxton, of Cleveland, has taken up the work of exhibiting to the public the non-interference of the police with crime. He shows how juries and perjurers flourish, while the workers of iniquity are not punished. He says that the theaters of Cleveland are hotbeds of vice and immorality, and handles the authorities without gloves.

The Montreal Gazette remarks: Sir Oliver Mowatt has been graciously pleased to inform his political admirers that if they do not like his new title they can still continue to call him by that everybody's appellation, "Mister." He can do this with perfect confidence that the "Sir" he has won will never be dropped. The persistence with which the Canadian Liberal takes delight in prefixing the word "H. H." to the names of a lot of second-rate politicians who have no more right to it than they have to be called "Lord," is the Ontario Premier's guarantee against disrespect.

Men's, Boys' and Children's Suits.

THE GENERAL REMARKS:

"We see, sure enough, you do better for us when we call to see you than you advertise to do. Your assortment is the largest we have ever seen and your prices the lowest. How are you going to pay your bill when you sell so cheap?"

WE SAY TO OUR CUSTOMERS:

We can afford to sell at those prices because we buy in large quantities for Spot Cash, and we sell so much that we can live on a very small profit; so we thank our customers for being able to sell at the prices we do.

We are boys from the country, and fully understand how hard it is to make a dollar when prices for produce are so low. In asking you to trade with us, we do so because we are sure we can do better for you in CLOTHING and HATS than any Firm in Town.

A Trial will Convince You that we are indeed THE WONDERFUL CHEAP MEN.

No Game of Bluff

CAN KEEP US FROM DOING

THE CARPET BUSINESS!

SINCE WE HAVE OPENED OUR CARPET DEPARTMENT our trade has far exceeded our expectations. Our object in going into the Carpet business was to give people FAIR, SQUARE TREATMENT, and goods at the right prices. Now we claim, as our right, your patronage. You may ask WHY.

READ BELOW.

While our competitors for years were asking and getting \$1.55 and \$1.65 for 5-frame Brussels Carpet, and 36 cents for cheap Tapestry, we have sold our best Brussels for \$1.15, and cheap Tapestry for 25 cents per yard—never asking more—which goes to show that our competitors have been making an enormous profit out of the people. This cannot be denied. We don't believe in monopolies, and have been the means of breaking the Carpet business in two, and taking the largest half ourselves. Competitors may feel sore, but we can assure the public it is not from overwork. We wish our competitors well, but we think this explanation necessary. WE CUT YOUR CARPET FOR NOTHING, don't charge for waste, and do all work in connection with HOUSE FURNISHING.
