HUGE POWER PROJECT PROPOSED IN ALASKA

This is an artist's sketch of a proposed $1,300,000,000 Rampart Dam on the Yukon River in Alaska. Study by the Development and Resources Corporation of New York says the dam would be the key to a vast hydro-electric system feeding power to centres as far away as California. The report is based on a 27-year forecast for power and suggests a full development of the Rampart project by 1990. The public works committee of the U.S. Senate is studying the proposal but is still a long way from considering whether construction should be authorized. (CP Photo)

Lauzon Co. Has Lion's Share Of Shipbuilding Subsidies

OTTAWA (CP) — A detailed list of the $21,000,000 in federal shipbuilding subsidies granted since last May showed Friday that about 40 per cent of them are earmarked for vessels being built by Davie Shipbuilding Limited at Lauzon, Que.

Included were subsidies of $2,676,000,000 for each of two Great Lakes bulk carriers to be built by Davie for Canada Steamship Lines Limited and Hall Corporation of Canada, and $1,695,000 toward a Hall Corporation tanker.

The subsidies—up to 40 per cent of capital construction costs for Canadian-registered vessels — were announced last year by Transport Minister Balcer as part of a program that began May 12, 1961.

The list published today by the Canadian Maritime Commission, a federal agency, showed that of the $21,008,000 total, $9,395,000 apply to vessels being built in Quebec shipyards and $7,257,000 to those on the west coast. Another $2,853,000 is destined for Ontario shipyards, and $2,352,000 for work in the Atlantic provinces.

BUILD IRVING TANKER

Largest east - coast subsidy was $1,759,000 for a tanker to be built for the Irving Oil Company by the Saint John Shipbuilding and Dry Dock Company Limited., Saint John, N.B.

Of 11 other east-coast subsidies, three were for work in Newfoundland on cargo vessels —one of $59,000 at Newfoundland Shipyards Limited, and two for $48,000 each by E. F. Barnes Ltd., both in St. John's.

The eight other subsidies were for draggers and ranged from $19,000 to $80,600. Four went toward work at A. F. Theriault and Son Ltd., Meteghan River, N.S.; two at Smith and Rhuland Limited, Lunenburg, N.S.; and two at W. C. McKay and Sons Ltd., Shelburne, N.S.

STALE BREAD

Bread for stuffing should be three or four days old if fine, fluffy crumbs are desired.

House Briefs

OTTAWA (CP) — More than 90 per cent of all federal government cheques now are on bilingual forms, Finance Minister Nowlan said Friday. Replying to Gerard Laniel (L—Beauhannois - Salaberry), he said English-only cheques still issued to MPs are part of a fast-dwindling supply of cheque forms for payments to individuals.

Social Credit Leader Thompson asked for a report on Income tax arrears by Canadian corporations. He said he has been told there are large tax arrears owing. Speaker Marcel Lambert ruled the question out of order, saying Mr. Thompson apparently was seeking comment on a circular letter distributed to all Commons members.

A great effort is being made to find more work for Canadian Arsenals but the prospect is for more layoffs at the crown-owned plant, Defence Production Minister O'Hurley told Guy Marcoux (SC—Quebec Montmorency) in the Commons Friday.

The royal commission on health services hopes to make its report to the government next June, Prime Minister Diefenbaker informed the Commons Friday in reply to Paul Martin (L—Essex East).

Fisheries Minister Maclean told Eugene Whelan (L—Essex-South) there has been no request for his department's help in a price dispute between some great lakes fishermen and fish buyers.

E. J. Benson (L—Kingston) said United States pilots have to be brought to Kingston to move foreign ships from one berth to another in Kingston port. But his request for a comment by Transport Minister Balcer was ruled out of order by Speaker Lambert.

Do Beliefs Matter?

ILLUSTRATED SUNDAY SCHOOL LESSON

By Alfred J. Buescher

Scripture: Matthew 15:8-14; John 3:17-18; Acts 16:11-15; II Thessalonians 2:13-17; I Peter 3:15; II Peter 3:14-18.

Christ criticized the rule-conscious Pharisees for their hypocrisy, calling them "blind guides" who honored Him with their lips, but not their hearts. He told the people that unclean food could not defile a man like an unclean heart.—Matthew 15:8-14.

Another time, Jesus conversed with the Pharisee leader, Nicodemus, who was too literal-minded to understand Christ. God sent His only Son into the world, not to condemn it, but to save it; "He who believes in Him is not condemned."—John 3:17-18.

When the apostle Paul crossed from Asia to the European city of Philippi, he found a woman named Lydia worshiping by the river. Her complete belief made her an immediate convert; Paul baptized her and her whole household.—Acts 16:11-15.

Peter advised Christians to be prepared to make a strong but gentle defense of their beliefs to others. Both her and Paul emphasized the importance of prayer in keeping belief strong.—I Peter 3:15.

MEMORY VERSE:—"ALWAYS BE PREPARED TO MAKE A DEFENSE TO ANYONE WHO CALLS YOU TO ACCOUNT FOR THE HOPE THAT IS IN YOU"—I Peter 3:15.

DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS

Toronto: Market higher; trading heavy.

New York: Market higher; trading slow.

Montreal: Market higher; trading moderately heavy.

CURRENCY

MONTREAL (CP)—The U.S. dollar closed at a premium of 7⅝ per centin terms of Canadian funds, unchanged from Thursday's close. Pound sterling closed at $3.01 7-16, down 1-16.

NEW YORK

NEW YORK (AP)—The stock market moved ahead Friday and accomplished what it has been unable to do for about three weeks—two straight sessions of advance. Trading was dull.

Brokers were inclined to credit the rise not so much to renewed confidence as to caution in the form of short covering. This is the purchase of stock to close short sale contracts, in which borrowed stock is sold with the intent of profiting through repayment of the stock with shares bought at lower prices.

Some investment and speculative buying Friday was linked to fairly good gains among the aerospace stocks, chemicals, and assorted issues throughout the list.

The Dow Jones industrial average, helped by a few sizable gains of blue chips, advanced 4.12 to 586.59.

The Associated Press average of 60 stocks rose 1.6 to 217.7.

An estimated $2,300,000,000 was added to the quoted value of stocks listed on the New York Stock Exchange, based on the rise of the AP average.

Volume was a meagre 2,730,000 shares compared with 2,530,000 Thursday.

The averages were bolstered by advances of some blue chips: General Electric, up 1⅛, Du Pont, up ½, Eastman Kodak, up ¾.

On the Canadian list, Aluminum Ltd., and Distillers were up ⅝ each. Losers included Walker Gooderham, down ½, International Nickel, ⅜, and McIntyre Porcupine, ¼.

American Exchange prices were generally higher in slow trading. Preston gained 3-16 while Scurry Rainbow Oil and Shawinigan tacked on ⅛ each. Brazilian Traction eased ⅛.

THANKSGIVING

Often at Thanksgiving time, the heart looks back with nostalgia to days gone by . . . old friends lost in the rush of years. Perhaps loved ones have passed on so the circle around the table is not complete. Something about the season makes the heart look backward to blessings. But there is a danger in looking back to blessings if it prevents the heart from expanding to embrace new blessings and opportunities for service.

A practical opportunity for service is soon to be given to the people of Prince Edward Island to participate in a Province-wide venture in sharing with others THE UNITED WAY.

Will you think it over and give generously and thankfully as Providence has prospered you.

MAKE IT A REAL "THANKS" GIVING!

PRINCE EDWARD ISLAND UNITED FUND
