

Saturday Night.

Saturday night makes people more human, and sets their hearts to beating softly, as they used to before the world turned them into war drums and jarred them to pieces with tattoos. The ledger closes with a crash, the iron-doored vaults come to with a bang, up go the shutters with a will, click goes the key in the lock. It is Saturday night, and business breathes free again. Homeward, ho! The door that has been ajar all the week gently closes behind him; the world is all shut out. Shut out? Shut in rather. Here are his treasures after all, and not in the vault and not in the book—save the record of the old family Bible—and not in the bank. Maybe you are a bachelor, frosty and forty. Then, poor fellow, Saturday night is nothing to you, just as you are nothing to anybody. Get a wife, blue-eyed or black-eyed, but above all true-eyed. Get a little home, no matter how little; a sofa, just two or two and a half, and then get two or two and a half in it of a Saturday night, and then read this paragraph by the light of your wife's eyes, and thank God and take courage.

Wit and Humor.

Mrs. Partington says that her minister preached about "the parody of the probable son."

What was the most honest bet that was ever made? The alpha-bet. Its maker was evidently a man of letters too.

Pleasure is manifested in different ways, but we believe nobody ever heard a man sing when he has dropped a scuffle of ashes on the back stairs.

"Disease always speaks to us with solemn voice!" said a lugubrious lecturer on health. "Not when the disease is the dumb ague!" exclaimed the auditor.

An ambitious politician, imitating Henry Clay, said, in addressing his fellow citizens: "I'd rather be right than be President." "You'll never be either!" shouted one of the crowd.

Turkish beggars—sufferers of the present war in the East—have put in an appearance. One of these mendicants presented himself at the door of an uptown residence a few mornings since, with his hat extended in a supplicatory manner, and muttering "Allah Bismallah geloshes rustchvk," or something that way. When a cross dog came up in his rear and seized a mouthful of his baggy breeches, he exclaimed, "Git out o' that ye dirty brute, or I'll knock off the head o' ye!" He knew the dog wouldn't understand the Turkish language.

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, glens and oceans, and thousands of means for enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and Liver Complaint are the direct cause of seventy-five per cent. of such maladies as Bilioussness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it.

DR. MELVIN'S CAPSICUM POROUS PLASTERS.
 The Greatest Medical Discovery since the Creation of Man, or since the Commencement of the Christian Era.

There never has been a time when the healing of so many different diseases has been caused by outward application as the present. It is an undisputed fact that over half of the entire population of the globe resort to the use of ordinary plasters.

Dr. Melvin's Capsicum Porous Plasters are acknowledged by all who have used them, to act quicker than any other plaster they ever before tried, and that one of these plasters will do more real service than a hundred of the ordinary kind. All other plasters are slow of action, and require to be worn continually to effect a cure; but with these it is entirely different: the instant one is applied the patient will feel its effect.
 Physicians in all ages have thoroughly tested and well know the effect of Capsicum; and it has always been more or less used as a medical agent for an outward application; but it is only of very recent date that its advantages in a porous plaster have been discovered. Being, however, convinced of the wonderful cures effected by DR. MELVIN'S CAPSICUM POROUS PLASTERS, and their superiority over all other plasters, they now actually prescribe them, in their practice, for such diseases as rheumatism, pain in the side and back, and all such cases as have required the use of plasters or liniment. After you have tried other plasters and liniments, and they have failed, and you want a certain cure, ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER. You can hardly believe your own convictions of its wonderful effects. Although powerful and quick in its action, you can rely on its safety for the most delicate person to wear, as it is free from lead and other poisonous material commonly used in the manufacture of ordinary plasters. One trial is a sufficient guarantee of its merits, and one plaster will sell hundreds to your friends.
 Ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER, and take no other; or, on receipt of 25 cents for one, \$1 for five, or \$2 for a dozen, they will be mailed, post paid, to any address in the United States or Canada.
