

\$544,200 In Farm Loans Approved For P. E. Island

In Prince Edward Island during the fiscal period which ended on March 31, 1958, the Canadian Farm Loan Board approved a total of 142 loans totalling \$544,200, according to a statistical report released yesterday in Ottawa by the Commissioner, Frank L. Chester.

As noted by the local manager, Mr. J.A. Lawson, this total for the second straight year was greater than that shown by either the New Brunswick or Nova Scotia.

In this Province as at March 31, 1958, there were outstanding 1,137 first mortgage loans totalling \$2,462,150 of which amounting \$23,794 was principal payments due, \$14,183 interest payments due, and \$1,570 in other charges; the remainder being made up of principal and interest not yet payable.

In addition there were also outstanding here 35 other loans totalling \$10,514 secured by second mortgages, and three loans totalling \$1,671 secured by agreements of sale.

To date since its inception in 1929 the Board has loaned Canadian farmers \$140,537,070, of which a total of \$4,205,464 has been disbursed on the Island.

During the 12-months ended March 31, 1958, the Board approved across the nation a total of 702 loans amounting to \$21,278,450.

An increase of \$2 per cent over the previous year 12-month period, this was the largest loan amount approved by the Board in any single year since the commencement of its operations almost thirty years ago.

Despite this new record, the higher, Regina Jean, Weight 6 lbs. 11 1/2 ozs.

Farm Loan Commissioner predicts that the Board will loan Canadian farmers a further \$30,000,000 in this current year.

The average loan in the last fiscal period was \$5,748 as compared with \$4,785 in the previous year. Approximately 63.4 per cent of the total loaned was approved for the purchase of land and pay land-secured debt, compared with 58.5 per cent for these purposes in the preceding year.

The Board is an agency of the Government of Canada, established for the purpose of making long-term mortgage loans to Canadian farmers for all general farm purposes.

Funds for lending are borrowed from the Government of Canada at current interest rates and are lent to farmers for periods up to thirty years at a rate sufficient to provide for the administration costs and the cost of funds. The present interest rate is 5 per cent.

Inspector Retires From Department Of Agriculture

Mr. Russel F. Nicholson of Hunter River, P.E.I., will now be able to enjoy a well-earned retirement after a service of thirty years with the Fruit and Vegetable Division, Canada Department of Agriculture.

A testimonial banquet at Queen Hotel Wednesday, was attended by the entire staff of the Division, to do honour to Mr. Nicholson. After all had partook of the sumptuous dinner, the chairman, Mr. E.B. Ellis, District Supervisor, in his remarks spoke of some of the work of the staff and the faithful service of the honoured guest.

Mr. Ellis then called on Inspector N.C. MacFadyen to read an address and Miss Ethel J. Sutherland presented Mr. Nicholson with a well-filled purse on behalf of the staff.

Supervising Inspector G.L. MacDonald presented Mrs. Nicholson with a bouquet of roses. Mr. Nicholson fittingly replied, thanking the staff for the gifts on behalf of himself and Mrs. Nicholson.

Mrs. Nicholson then spoke briefly, adding her words of appreciation to those of her husband. The staff all joined in singing "For He's a Jolly Good Fellow."

Several inspectors spoke briefly, including Inspectors M.A. MacLeod, W.E. Smith, Senior Inspector G.A.T. Harrison and Supervising Inspector G.E. MacDonald.

Urges Return To The Family Altar

More than a thousand people thrilled to the inspiring message of Rev. Tommy Tyson as he spoke at Trinity Church on "The Purpose and Power of Prayer". Mr. Tyson said the greatest of our sins is not that of pride or anger or selfishness. It is prayerlessness.

The preacher went on to suggest some of the things that keep people from prayer but concluded by saying that all of these are weak excuses prompted by the devil to keep people from communion with their Heavenly Father.

PRAYER AT HOME He made a strong plea for people to re-establish the family altar in the home—where father and mother and children can kneel together in prayer. In his plea Mr. Tyson asked for people to make a covenant with God that they would begin the practice of family worship. Quite a number responded to the invitation.

Tonight the Mission moves to the Coliseum where a large attendance is expected from all parts of the Island. Choirs will unite to form a massed choir.

OTHER DENOMINATIONS Last night the service took on an inter denominational atmosphere as Rev. Harold Mitton of the Baptist church led in prayer and Rev. Charles Townsley of Marshfield Presbyterian Church sang a solo. Other special numbers included a solo by Mrs. Nancy Cox of the Kirk Church and the MacWilliams sisters from Eldon.

Rev. A. Frank MacLean conducted the service and extended a word of welcome to the gathering. The Young people of the Baptist Church attended in a body.

Tonight Mr. Tyson will ask the question—"Are You a Child of God's Kingdom?" Tomorrow night Rev. Jim Jones will speak to a young people's rally to which the public are invited. This meeting will be held in Trinity Church.

Good Crowd At Second Night

The 24th annual Hospital Bazaar continued into its second night last evening with another good crowd in attendance.

Door prizes were won by Eugene Kelly, 41 Spring Park Road, and Robert Larter, Chestnut Street. The C.W.L. prize was won by Mrs. R. Hollifield, Spring Park Road.

Frank MacInyre furnished the evening's entertainment rendering a number of solos.

Tonight four Charlottetown entertainers will be featured entertainers. They are Patsy Leigh, Jimmy Flanagan, "Bidi" Wynn and "Bowser" Gallant.
