short and sweet

Here's exciting news for candy lovers! Now, thanks to double-rich Carnation Evaporated Milk, you can make delicious deep-chocolate fudge with wonderful creamy-smooth texture, in just 5 minutes! With no softball tests, no beating required! And no failures — ever! Remember, the secret of success is double-rich Carnation. No other form of milk will do. So try my easy recipe today. You'll find this wonderful old-fashioned candy will add a bright spark to any get-together — will make a sure-to-be-appreciated gift as well.

Richer, mellow coffee flavor — that's what you get when you cream your coffee with Carnation. Because double-rich Carnation, the evaporated milk that tastes most like fresh cream, blends better to bring out all the full-bodied coffee flavor. Carnation looks like cream, pours like cream, and even whips — yet it costs only 1/2 as much as cream. Try Carnation in your next cup of coffee.

Here's a recipe for a versatile butterscotch sauce that will transform a plain dessert into something company-special. Serve it with whipped cream over plain cake. Or with a few chopped nuts over pudding or ice cream. You can be sure that your sauce will be rich in flavor, just-right in consistency — every time — when you make it with Carnation.

BUTTERSCOTCH SAUCE (Makes about 1 1/2 cups sauce)
1 cup firmly packed brown sugar
1/2 cup corn syrup
1/4 cup undiluted CARNATION EVAPORATED MILK
1/4 cup butter
1 teaspoon vanilla
1/2 cup undiluted CARNATION EVAPORATED MILK

CARNATION 5-MINUTE FUDGE (Makes about 2 pounds)
3/4 cup undiluted CARNATION EVAPORATED MILK
1 1/2 cups granulated sugar
1/2 teaspoon salt
1 1/2 cups cut-up or miniature marshmallows
1 1/2 cups (1 1/2 six-oz. packages) BAKER'S CHOCOLATE CHIPS
1 teaspoon vanilla
1/2 cup chopped nuts

Mix Carnation Milk, sugar and salt in saucepan over medium heat. Heat to boiling; then cook 5 minutes, stirring constantly. Remove from heat. Add remaining ingredients. Stir 1 to 2 minutes (until marshmallows melt). Pour into buttered 9-inch square pan. Cool. Cut in squares. Top fudge squares with colored mint wafers or nuts if desired.

This recipe can be prepared in a number of exciting variations — like this Chocolate Fudge Roll.

Prepare 5-Minute Fudge as directed above. Spread chopped nuts on heavy waxed paper. Spoon fudge over nuts, form into roll, covering all sides completely with nuts. Cool; then slice.

SPECIAL OFFER! Carnation's Punch 'n' Protect Can Opener! Punches 2 holes for easy pouring — then serves as a cover. Send 10c, your name and address to "Can Opener", c/o Mary Blake, Dept. CN, Carnation Co. Ltd., Toronto.
