

THE WORLD'S LARGEST SELLING FARM TRACTORS AND EQUIPMENT!

**IT'S HERE NOW!
THE GIANT OF THE
RUGGED NEW MF
TRACTOR BREED—
THE MF 1100**

See it—test-drive it—at our dealership . . . the totally new MF 1100 in the 92 hp diesel class. Get the big idea of what this new giant can do for you.

The MF 1100 is Massey-Ferguson engineered and built, with a combination of power, performance and comfort no other tractor has. Come in today!

YOUR MASSEY-FERGUSON DEALER

The Above M.F. 150 Recently Released by Tractor Testing in Nebraska Sets ALL TIME Record for Horse Power . . . Developed Per Gallon of Fuel Used.

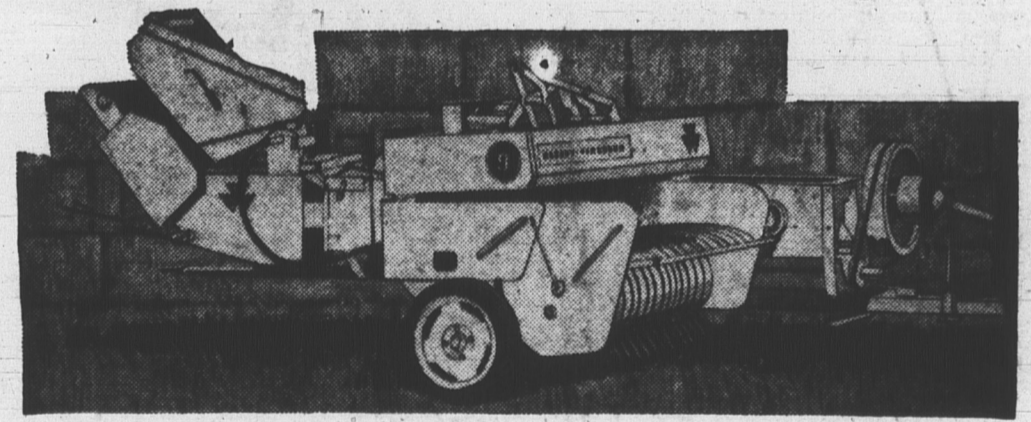

New Advanced Ferguson System permits convenient single lever operation of all draft controlled implements. Draft Lever on outer quadrant automatically maintains implement at uniform depth. Operate mounted implements which are not draft controlled (blades, scoops, post hole diggers, for example) with the inner quadrant Hydralever. Adjustable stop allows the implement to be lowered to the same depth each time.

WE'LL TAKE A BIG GREASE JOB OFF YOUR HANDS WITH THIS MF 9 BALER

Here's a baler you don't have to grease every day. Its sealed bearings *never* need greasing, and that is a big grease job off your hands. You get in the field sooner, and keep rolling all day.

You get all the other features you want in a baler too. This MF 9 hustles down the windrows, and produces six bales a min-

ute that are tied to stay tied. The wide pick-up and special packer forks handle the leaves gently to give you high-quality feed.

Eliminate a man from your haying team with the MF 21 PTO Bale Thrower. It doesn't miss the wagon, even on turns.

Stop in for a demonstration, or call and we'll bring an MF 9 Baler to your farm.
