LANTERN EXCURSION.—A good time may be expected at the excursion on to-morrow (Wednesday) evening. Mr. Galbraith with his band will enliven the evening. The str. "Southport" leaves the Ferry Wharf, Prince Street, at 8 o'clock, p. m., and 9 o'clock. Refreshments to be had on board. Tickets 25 cents.

THE Premier of Canada was quietly and civilly questioned by some of the electors regarding his steel rail purchase. The answers of the Premier were evasive and were given in a bad tempered, curt, sarcastic and insolent tone. The tax-payers of this Dominion have a right to learn from the man who takes their money and spends it extravagantly and without permission of Parliament why he did so.

THE Patrio! has the following conundrum: "How much apiece does a special train of six cars cost, when divided among the twenty-two passengers who occupied its seats?" We reply by saying that every man who did go to Tracadie by the special, paid his fare. We have it from good authority, that those who went to Georgetown to swell the number of McKenzie's supporters, were carried at the country's expense, and paid nothing "apiece." Deny it if you dare!

AMONG those who stood upon the platform at the Drill Shed and behaved unseemly, dis-courteously and cowardly towards Liberal-Conservatives was Mr. L. H. Davies, the Local Premier. He wildly gesticulated; he rolled up his sleeves; he was even prepared to act the blackguard and settle disputes by muscular strength. He was backed up by the Lawsons, Donald Farquharson, Hon. John Robertson and a pack of hungry Grit Bashi Bazouks prepared to fight for the bone from which they have been sucking marrow for the last five years.

UNITED TEMPERANCE ASSOCIATION.—The annual session of the National Lodge of this influential body will, we are informed, open at Halifax, N. S., on the 30th inst. An excellent opportunity will thus be afforded our temperance friends of visiting the flourishing capital of the neighboring Province, and at the same time seeing and conversing with their fellow-laborers in the temperance field from all parts of the Dominion. Further particulars will be communicated, on application, to J. W. Morrison, Esq., of this city.

The Premier in Georgetown.

A RESIDENT'S ACCOUNT.

To the Editor of the Examiner:—SIR,—On Thursday evening last, a telegram was received by one of our most corpulent Grit citizens, stating that the leader of that body—the Premier of Canada—would address the electors of King's County, at 7 o'clock, p. m., on Saturday, in the Drill Shed of this town.

On the evening of that day, a telegram was received, representing that the str. "Albert" had left Pictou at 3 p. m., with Hons. A. McKenzie and R. J. Cartwright on board. At seven o'clock, a throng of hungry officials were on the Queen's Wharf to receive their chief-tain; but not until after 10 o'clock did the "Albert" put in an appearance. Arriving at the Wharf, three cheers were proposed for the Premier by John McCormack, of Cardigan Bridge, the ingenious builder of the Souris Hospital, and taken up by the hungry officials aforesaid. Three ringing cheers were then given to Sir John McDonald. Again the Grits cheered Cartwright faintly, and the Liberal-Conservatives cheered Tupper and Tilley lustily. Then all repaired to the Drill Shed to hear the defence made by the master of the sinking ship. The Premier began his address about 10.30, and spoke for upwards of an hour, with a number of interruptions, by questions, cries of steel rails, etc. Then Cartwright came forward and was greeted with "What about your insult to the Highlanders," etc. These questions did not appear to suit the taste of the Minister of Finance. His answer to the first was "that he was only joking," but this did not suffice. The audience could not swallow such an untruth, and the popular impression is that Cartwright is a clever corruptionist. His speech lasted until Sunday morning, thus closing out from speaking all Liberal-Conservatives. But had there been ample time for them to do so, the McKenzie fort would have been actually besieged. The meeting closed by the cheering of McKenzie by the Grits and three monster cheers for Sir John A. McDonald. None of the Liberal Conservative candidates could attend on account of the picnic at Tracadie. The cool reception extended to the Premier at this place is a signal of his complete failure at the coming election. His smiles will not beguile, nor his threats frighten. His promises will not entrap, and the opening of the Dominion Parliament will find Mr. McKenzie basking in the cool shades of opposition. Vox populi suprema lex est.

Yours, etc., SCRIBA.

NEWS BY TELEGRAPH.

BERLIN, Aug. 17.

Emil Hoedel, who attempted to assassinate the Emperor William on May 11th, was beheaded yesterday. When informed that his execution was fixed upon he became deathly pale. He repulsed the ministrations of the chaplain, declaring them useless, as it would take years to convert him. Fifty persons, including officials, judges, police and twelve citizens, attended the execution, which is generally approved. Official notice of the execution was posted throughout the city as a warning. It required but a single stroke of the axe to decapitate Hoedel. The remains were immediately buried.

Enjoy Life.

What a truly beautiful world we live in. Nature gives us grandeur of mountains, glens and oceans, and thousands of means for enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worried out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof that Green's August Flower will make them as free from disease as when born. Dyspepsia and Liver Complaint are the direct cause of seventy-five per cent. of such maladies as Bilioussness, Indigestion, Sick Headache, Costiveness, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. SYDNEY COAL.

REDUCTION IN PRICE!

NOTICE TO THE PUBLIC!

THE GENERAL MINING ASSOCIATION (Limited) beg to intimate to the Public that the price of SYDNEY COAL has been

Reduced to \$2 per ton of 2240 lbs.,

a price which it is hoped will place it within the reach of all consumers.

The opening of the new winning at "THE SYDNEY MINES" and the fact that the SYDNEY COAL now being shipped is all from the DEEP taken in connection with recent improvements in the process of screening, affords purchasers a positive guarantee of the very superior quality and condition of the SYDNEY COAL now offered for sale.

It is a well-known fact that for many years past the prices of other Cape Breton coals have been regulated by the rates fixed for SYDNEY COAL; but while it is true that other coals, to get a sale at all, have been pressed on the market at various prices under the current rate of SYDNEY COAL, it is no less true that, taking into account the superior lasting qualities of SYDNEY COAL when compared with other Cape Breton coals, the advantage, both as to economy and convenience, is in favor of SYDNEY COAL, even at a much higher price.

The General Mining Association (Limited) regret that they should again have to caution the Public against the attempts being made from time to time to induce them to buy inferior coals purporting to be "EQUAL TO SYDNEY," "SUPERIOR TO SYDNEY," etc., etc., while some yet more unscrupulous vendors have not hesitated to advertise their coal as SYDNEY COAL (from some designated locality). All these efforts to sell coal by such means are only so many admissions on the part of those who make them of the STANDARD character of SYDNEY COAL.

It has come to the knowledge of the Association that in frequent instances parties giving orders to truckmen and others for SYDNEY COAL have been furnished with other and inferior coal. The Public are cautioned against permitting themselves to be imposed upon in this way.

Every vessel loaded at THE SYDNEY MINES is furnished with a certificate of the cargo being Sydney Coal. Parties purchasing should satisfy themselves by demanding the production of this certificate.

The "Sydney Coal" is registered under the laws of the Dominion, and unauthorized parties using the Trade Mark "SYDNEY COAL" are liable to prosecution.
