The Continental

LIFE INSURANCE CO.

OF NEW YORK.

Has decided on establishing branches in this place, thus completing its line of branches from California to P. E. Island.

As the reputation of the CONTINENTAL is now WORLD WIDE, to adduce any argument in support of its ability, and of its claims to public confidence, would be a work of supererogation. The simple fact that it, last year, issued

12,537 POLICIES,

the largest number issued by any company in the world! is the best guaranty that can be offered of its ability and popularity, and of the public confidence.

The following are a few of the advantages offered by the Continental:

PERFECT SECURITY:—The assets of the Company are

$5,475,850!

securely invested.

ONE-THIRD THE PREMIUM may remain unpaid, as a loan on the Policy, (with us NOT) until cancelled by the dividend or otherwise.

THE COMPANY BEING PURELY MUTUAL all the profits of the business are annually divided among the Policy-holders.

THIRTY DAYS' GRACE allowed on the payments of premiums, and the Policy holds good during that time.

SHOULD ANY PERSON DESIRE to discontinue his Policy, after two years, the Company will take it off his hands, and give a paid-up Policy for the entire amount paid

ALL POLICIES NON-FORFEITING. No Charge for Policy, Medical Examination, or Stamps.

ALL CLAIMS IN PRINCE EDWARD ISLAND paid in the Island without the examination having to go to New York

EVERY POLICY-HOLDER is entitled to vote at the Annual Election of Officers, and all are eligible to office.

As the great importance of Life Insurance TO ALL, whether rich or poor, is now universally admitted, any arguments to point out its advantages would be superfluous The patronage of the Public of P. E. Island is therefore respectfully solicited.
