

## Don't Neglect Your Watch

If you allow your watch to run too long without cleaning, or with damaged parts it may be worn so badly as to destroy its usefulness as a timepiece; better have it examined by your Watch Doctor and if in need of repairs he will advise you accordingly and perhaps save your watch.

WE BOAST on our repair department turning out first-class work only. WE GUARANTEE ALL OUR WORK; if you have not given us a trial it will pay you to do so and we will be pleased to see you at GREAT GEORGE STREET.

## THE ONLY HELP

### A Victim of Bright's Disease For Many Years—Cured by Dodd's Kidney Pills.

Neepawa, June 4.—Mrs. T. H. McKee, formerly of Listowel, came here as a last resort. Had suffered ten years with Bright's Disease. Reported to be past help and dying, her reappearance on the street in apparent good health was a pleasant surprise. The explanation given was that her little boy had insisted that she should use Dodd's Kidney Pills and prophesied that they would cure her. She says:—"From the first few doses I began to feel better, and after taking four and a half boxes, I say it with my heartfelt gratitude, I am perfectly cured." Dodd's Kidney Pills is the only medicine in the world that has ever cured a case of Bright's Disease at such a stage.
