FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. 1yr

THE Telephone Company OF P. E. ISLAND. PARTIES using the Telephones would find taking much more satisfactory if they would observe the following rules:— 1st. Speak with the mouth about four inches from the transmitter. 2nd. Speak in a moderate tone of voice, not too loud, and distinctly. 3rd. Place the telephone so as to cover the ear, just as if you wished to shut out all other sounds. Do not press too hard on the ear. It is possible to talk and be heard when standing back two or three feet from the transmitter, if you speak loud enough, but it is not a pleasant mode of conversation, is entirely unnecessary, and is a useless waste of wind and lungs, besides being very annoying to all within range of your voice.

THE Grocer's Botanic Dyspepsia Syrup.

Missee, New Brunswick, Aug. 9th, 1892. The Grocer's Botanic Dyspepsia Syrup, St. John, N. B. GENTLEMEN:—For five long years I SUFFERED with the worst form of DYSPEPSIA imaginable. I could eat nothing without distress, even the lightest food causing me untold agony. For the last three years I have been confined to my bed more than half my time. I would have terrible distress in my stomach, severe headache, and be so dizzy at times that everything around me would grow dark; many a time I have said, "I wish I were dead." I tried all kinds of Dyspepsia Cures without any relief whatever, and my physician did not see good. One day my brother had an errand at the drugstore of A. Chipman Smith & Co., St. John, and they wished him to take a bottle of Grocer's Botanic Dyspepsia Syrup, to try, to see. When he came home with the bottle, I saw it, and I was cured. I have no faith in this because I have tried so many remedies without receiving any benefit. BUT I did try it, and thank be to Grocer's Dyspepsia Syrup, and its maker, I was cured. I have been pursuing on the market for some time, and I believe the above statement to be true. I can truthfully say I am cured. I have no distress at my stomach, no headache, no dizzy spells, and the world looks bright to me again. I can now eat any kind of food, whenever two months ago I could eat nothing but bread and milk, and these in small quantities. My sleep is sound and I enjoy perfect health. I can cheerfully recommend Grocer's Botanic Dyspepsia Syrup to any who are suffering from stomach trouble, in any form, and who cheerfully answer all inquiries regarding my case. I hereby certify that I have said nothing of Grocer's Syrup to the brother of Gro. H. McKee, and that I believe the above statement to be true. Signed, E. K. W. INGRAM, with A. Chipman Smith & Co.
