THE LEGISLATURE.

LEGISLATIVE COUNCIL DEBATES

Hon. Mr. LAIRD—The hon. Leader of the Opposition characterizes this as a dishonest measure, but I have yet to learn that a measure to give fair representation is wrong...

Mr. CAMPBELL—The hon. member says I grew rich on dishonesty, but I will say here that it was no advantage to me pecuniarily to hold the office of Commissioner of Public Works...

kind to keep themselves in power, they left the districts as they found them. I move the amendment be disagreed to.

The question was put on the motion that the amendment be disagreed to. Contents—Messrs. Campbell, Nicholson, Poole, Ross.—4

Non Contents—Messrs. Dodd, Kieckham, Laird, Mackenzie, McNutt, Rogers, Springeour.—7

The amendment was agreed to. Several clauses were agreed to.

46 (1) The second electoral district shall be divided into three electoral divisions.

(2) The first electoral division shall comprise and include township number thirty-eight.

(3) The second electoral division shall comprise and include townships number thirty-nine, and all that portion of township number forty south of St. Peter's Bay.

(4) The third electoral division shall comprise and include townships numbers forty-one and forty-two, and that portion of township number forty north of St. Peter's Bay.

The motion was agreed to. Mr. SCRIMGEOUR moved the following:

Section forty-seven to be struck out and the following substituted:

(47) The third electoral district shall be divided into four electoral divisions.

(1) The first electoral division shall comprise and include township number 66.

(2) The second electoral division shall comprise and include township number 51.

(3) The third electoral division shall comprise and include townships numbers 52 and 53.

(4) The fourth electoral division shall comprise and include that portion of Lot 54 lying to the north of Grand River Road and also all that portion of Lot 55 lying to the north of the Grand River Road and also all that portion of Lot 55 lying to the south of the Grand River Road and east and north of the Grand River.

The motion was agreed to. Mr. SCRIMGEOUR moved the following:

Section forty-eight to be struck out and the following substituted therefor:

(48) The fourth electoral district shall be divided into three electoral divisions.

(1) The first electoral division shall comprise and include township number 59.

(2) The second electoral division shall comprise and include township number 64 and the several Islands in Murray Harbor.

(3) The third electoral division shall comprise and include all that portion of Townships 63 and 61 lying to the west of the following line, that is to say: A line commencing at Log Cove; thence by Clow's Mills to Benjie's Road; thence following said road to Peters' Road; thence in the east line of the farm formerly in the possession of Daniel Singleton to the line between Lots 63 and 61; thence in the east line of the farms now or formerly in possession of Patrick McCarron, Senior, William McCarron, and George King, to the Sturgeon or Line Road; thence following the Cleary Mill Road to the boundary of Township 59.

The motion was agreed to. Mr. SCRIMGEOUR moved the following:

Section Forty-nine to be struck out and the following substituted therefor:

(49) The Fifth Electoral District shall be divided into four electoral divisions.

(1) The First Electoral Division shall comprise and include Georgetown, Common and Royalty, and the reserved lands adjacent thereto.

(2) The Second Electoral District shall comprise and include Township Number 56.

(3) The Third Electoral Division shall comprise and include all that portion of Lot 55 lying to the south and west of Grand River, and also all that portion of Lot 54 lying to the south of the Grand River Road; also Boughton Island.

(4) The Fourth Electoral Division shall comprise and include all those portions of Lots 51 and 53 lying to the east of the line described in the third sub-section of Section 48; also Panmure Island.

The motion was agreed to. Another clause was read.

Mr. MACKENZIE—Owing to the state of our finances, and the fact staring us in the face that before long the Government in power will have to tax property-holders in this province, we have to curtail expenses in every possible direction. It is only fair that if a person is to be taxed, he or she should have a voice in electing the law makers who will impose the tax.

Bill was before the House, we inserted an amendment giving votes to widows and spinsters who owned property in Charlottetown, and we found it created no revolution; it worked admirably. There is a petition before the House asking that a Bill be passed giving the same privileges to the ladies of Summerside. If the law works well in Charlottetown I have no doubt it will also work well in Summerside. Two years ago we amended the election law of the Province by inserting in it a clause to allow widows and spinsters having property, to vote, we sent our amendment down to the House of Assembly, but they threw it out. I do not know whether to try that amendment again, we might be making too many changes in our election machinery, and as this Bill is on trial perhaps it would be as well to refrain from doing it now.

Mr. NICHOLSON—Now is the time, I will support you.

Mr. MACKENZIE—I am surprised that the House of Assembly took such a view of it at that time. Since they placed themselves on record against this principle, I would be afraid to move it now, lest it might endanger the Bill. If this is to be our dying gift perhaps it would be well for us to pass this to make amends for any wrong we have done while here. I do not know but what there is a majority of ladies in the Fifth District of King's County, and an amendment of this nature would add a great deal of strength to Georgetown. I know where women have a right to vote, in ninety-nine cases out of a hundred, they will vote in the best interests of the country.

Mr. NICHOLSON—If certain members are to be elected to represent property, it is only right they should represent all property, and I suppose property owned by widows and spinsters is just as valuable as if owned by men. I am sorry the hon. member is weakened in the matter, I hope he is not ashamed of his principles, perhaps he does not want to give the Government he supports the trouble of considering this amendment, but I would expect something better of him. I would like to see women owning property have a right to vote, I would think a great deal more of a woman's vote than a man's, and I believe if the women had votes the Conservatives would be in power for all time to come.

Section forty-seven to be struck out and the following substituted:

(2) The second electoral division shall comprise and include townships numbers 52 and 53.
