THE WAR.

If our telegraphic advices are correct, the Russians have received a stunning blow.

PARTY OF ORDER.

THE PARTY OF ORDER is about to be formed to ensure the election of worthy representatives to the City Council.

ACCEPTING THE SITUATION.

SOME of our contemporaries are very foolishly charging us with inconsistency, because having said that we "accepted the situation" on the School question, we still point out the defects of their Act.

ATTEMPTED HIGHWAY ROBBERY.

A PLUCKY OFFICER AND AN EXCITING CHASE.

On Monday night three employes of the contractors for the erection of the Lunatic Asylum were met on the "Lower Road," in the vicinity of Kensington, by four men.

The facts were brought to the notice of the Civic authorities by Mr. James M. Butcher, and, as a sufficient number of Policemen could not be spared to make the arrest, Mr. Butcher volunteered—if assisted by one policeman—to try to bring the robbers to justice.

ST. PAUL'S CATHOLIC CHURCH, of this town, has been provided with a new Bell, weighing over seven hundred pounds, which was made by the McShane Bell Co., Baltimore.

A PASSENGER by the nine o'clock train on Monday night complains that the news boy on the train charged him seven cents for an orange "which weighed less than two ounces, and could be spanned between the thumb and fore finger, and which withal was not of the freshest quality."

Local and Other Items.

TEA PARTY at St. Peter's Bay to-day.

TEA PARTY at West River to-day.

Why were there no street lights last night?

Hon. James McDonald, of Halifax, is visiting the Island.

STEAMERS.—The Worcester arrived last evening with about thirty passengers.

The success of the Thunders is ascribed by one Englishman to their temperance.

LARGE NEW POTATOES. Much Esq., of Southport, laid upon our table yesterday some new potatoes fully equal in size to any we have seen this season.

SALE OF A P. E. ISLAND STEAMER.—The steamer Alpha was sold at Auction in Yarmouth by Messrs. William Law & Co. for \$4700.

THE POST OFFICE.—In reply to X X X we are desired to state that the Post Office was closed at 10 o'clock on Monday night, on account of repairs to the floor, which are going on.

THE "Northern Light" is quite an attraction to the east end of the town, and the length and frequency of her visits are being appreciated by the dwellers in the suburb which she mostly resorts to.

MR. HEARD AND THE UNION BANK.—The last number of the Herald has a long communicated article in reference to the Supreme Court—Heard v. the Union Bank—defining the duties of the directors and eulogising the conduct of the Bank generally.

HORNE, PIERCE & CO.,

AGENTS FOR P. E. ISLAND.

WE, the undersigned Farmers of P. E. Island, purchased in the summer of 1876, of Messrs. Horne, Pierce & Co., of Charlottetown, a Walter A. Wood Reaper and Mower Attachment, manufactured at Hoosick Falls, N. Y. Two complete Machines, except the ground wheel, pole, and seat, are used for each Machine.—for the price of one ordinary Combined Machine, giving us nearly the wear of two machines for one. We pronounce these Machines by far the best we have ever seen, and recommend them to our brother farmers of the Island. It is capable of picking up broken down grain, equally if not better than any other Machine that we have ever seen at work; is equally light in draught, and not liable to breakage.
