Asthma Coughs Fought Easy Way

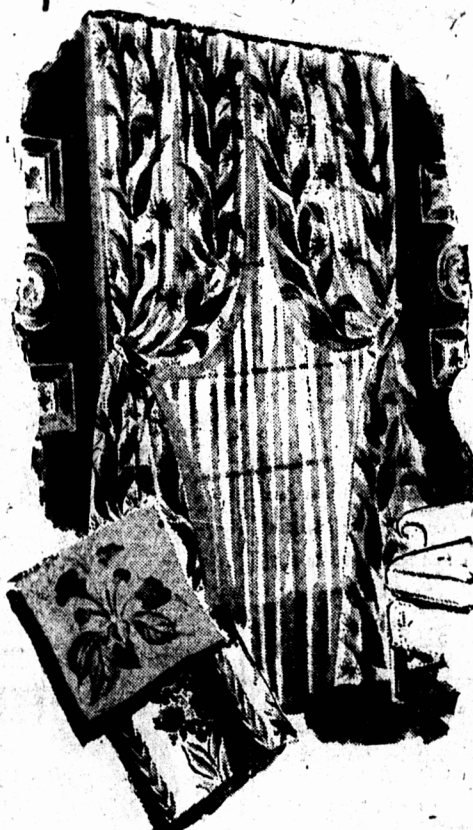

If you suffer from difficult breathing, coughing, wheezing, and can't sleep well be-cause of Asthma or Bronchitis attacks, you owe it to yourself to try MENDACO. The very first dose of MENDACO starts working through your blood in 30 minutes, helping Nature loosen and remove the thick, sticky mucus which causes coughing, gasping, diffi-cult breathing. This loosening action helps open up your bronchial tubes so you can breathe more freely; then you can sleep more restfully, gain vitality and begin to enjoy life. Get MENDACO from your drug-gist today. Money back unless quickly and completely satisfied.
