BELL AND BEACON BOAT ON DAUNTS ROCK.

THE Corporation of the Port of Dublin has given Notice, that a Bell and Beacon boat has been placed to mark the position of Daunts rock, off Roberts head, near Cork Harbour.

The Beacon boat is colored black, with the words *Daunts Rock* in white letters on the superstructure, which is surmounted by a ball 24 feet above the sea, and lies in 12 fathoms at low water springs, at nearly 1¼ cables S.S.W. of the rock, with the Telegraph tower on Roche point in line with the peak of a distant mountain bearing N.E. ¼ E.; and the gable end of a white house in Roberts cove just open of the north-east side of entrance to the cove N. ¼ E.

The Beacon boat rides by 80 fathoms of chain and will therefore occasionally swing near the rock.

The buoy which has hitherto marked Daunts Rock remains in the same position as before.
