It's too small-everyone knows everyone else's business. Also, not enough girls.

Garth Waugh-Junior
I'm pleased with the university at the moment, provided tuition costs don't go up every year.

Marsha Gaudet-Junior
There is a lack of interesting, informative and useful courses. There is also a definite lack of interesting material for the Co-Ed.

Ernie Carmichael-Soph
There aren't enough sports facilities for the fees we pay. That damn old gym should have been burnt down a year ago. A few extra computers wouldn't hurt. Also the pigs are getting desperate of late-the bands are going to the dogs. There must be a bunch of old ladies on the Social Committee.

Alan Thompson-Junior
I love it here and I hope all my kids can come here too!!!

Ronnie Bourque-Soph
The classrooms in N and NA are depressing-like a prison. Kelley, for instance, has a much nicer atmosphere. Something should be done with Memorial.

Peter Carragher-Soph
Formal dances should be held in the gym, not the Barn. Also, why are our semesters longer than some other Maritime universities? Lastly, there should be snack machines in the library as the Bookstore is not open to fulfill late-night munchies.
