TROUBLE IN INDIA.

News Indefinite and Fragmentary

LIKELIHOOD OF AN ATTACK.

More Dissatisfaction Reported.

LONDON, Sept. 2.—The news regarding the Indian frontier trouble is indefinite and fragmentary and it is difficult to follow the varying movements of the British forces.

News has been received of fresh accessions to the forces of the insurgents and the appearance of various fanatics who are endeavoring to stir those tribesmen who are reluctant to join the revolt to attack the British. There is every probability that an attack will be made by the British at some point within a few days.

A report comes from Quetta, Beluchistan, to the effect that the militia there have become disaffected; but the rumor is not credited in Government circles.

NOTES FROM THE CAPITAL.

Mr. Tarte Will Take His Turn.

The Premier in Ottawa.

OTTAWA, Sept. 2.—Hon. Mr. Tarte goes to Europe next month.

A militia general order has been issued to the effect that service as a non-commissioned officer in the regular army hereafter cannot qualify as an officer in the active militia for a higher substantive rank than that of second lieutenant.

The Premier reached here last night and was well received.

Shooting at Ottawa.

OTTAWA, Sept. 2.—In the Dominion Rifle Association shooting yesterday the Walker challenge cup was won by the 13th, by a score of 542 points.

LATEST NEWS BY WIRE AND MAIL

WASHINGTON, Aug. 31.—The full report of the Venezuelan boundary commission has just come from the press in the shape of Volume I, devoted to the historical portion of the work undertaken by the commission. This report, previously sent to Congress, is short and mainly devoted to an explanation of the labors of the various experts employed, and nowhere is there any indication that the commission itself has arrived at any conclusion as to the merits of the respective claims of Great Britain and Venezuela.

NEW YORK, August 31.—Unless Charles A. Kuenzel, of 260 Eleventh street, Hoboken, changes his mind or something breaks an airship expedition to the Klondike gold regions will start from Guttenberg race track about three weeks from now. Mr. Kuenzel is an old German soldier, who served in the balloon department of the Emperor's army. He is a practical mechanical engineer, and has been working on airships for years. He has made several successful ascensions, and thinks he has solved the problem of navigation of the atmosphere, regardless of the wind.

A WOMAN'S PRAYER.

O Lord, who knowest every need of mine, Help me to bear each cross, and not repine; Grant me fresh courage every day, Help me to do my work always Without complaint!

O Lord, Thou knowest well how dark the way, Guide thou my footsteps, lest they stray; Give me fresh faith for every hour, Lest I should ever doubt Thy power, And make complaint!

Give me a heart, O Lord, strong to endure, Help me to keep it simple, pure; Make me unselfish, helpful, true In every act, whatever I do, And keep content!

Help me to do my woman's share, Make me courageous, strong to bear Sunshine or shadow in my life; Sustain me in the daily strife To keep content!
