CRICKET. The day proved to be fine notwithstanding a stormy night and threatening morning and the match between the cricket teams of Moncton and Charlottetown went on at Victoria Park.

Stumps were pitched at 11 o'clock this forenoon, the Charlottetown team going first to bat. The visitors are very strong in their bowling and quickly put the home team out with 27 runs. They then went in and rolled up 53 runs, a score almost double that of the Charlottetowns. The Charlottetown men have not, however, given up hope yet, as they were all without practice and expect to do better in the second innings.

The principal features of the game were the two magnificent catches of William Flood. The following is the score of the first innings:—
