Electronic AIR CLEANERS

Also available with your Fawcett Air Heating System—NEW ELECTRONIC AIR CLEANERS that collect dust particles as small as pollens and smoke, providing relief to allergy and asthma sufferers—NEW POWER HUMIDIFIERS that will provide a most unlimited moisture for larger homes where standard humidifiers may not be adequate.

MULTI-FUEL RANGE

Burns Oil, Coal, Wood and Garbage in an exclusive fuel economizing feature on all MULTI-FUEL ranges.

Oil and air flowing into the burner are automatically synchronized by the exclusive and patented Synchro-Matic Draft Control, thus assuring perfect combustion at every fire stage. The long, horizontal flame of the burner heats the range evenly, and the combustion chamber castings are manufactured for "lifetime" operation.

BUY FROM THE DEALER IN YOUR AREA!

TORRID-OIL RANGE

CONSTRUCTION

Heavy gauge steel, finished with Titanium porcelain enamel. Flush-to-floor installation. Recessed kick plate. Chrome-plated handles and trim.

FOR MORNING WARMTH

... set clock control to start oven 1 hour before you arise. Set even control at 300°. Set oil control at No. 3. Open oven door. At time set, range adjusts from low fire to No. 3. Kitchen will be warm and range ready for instant use.

COPPER HOT WATER COIL

An optional accessory for all Fawcett Torrid-Oil ranges, the coil provides a constant supply of hot water.

'TORRID-OIL' FURNACES

● Designed and engineered to heat your home comfortably

Heavy duty steel, electrically welded into a one piece, gas tight unit, rapid heat transfer combustion chamber with "Instant Glo" refractory brick. Famous Fawcett Torrid-Oil burner, compact, quiet and efficient in operation includes three standard controls. Automatic humidifier supplies proper amount of moisture to the air in your home for most healthy and comfortable atmosphere. Warm air delivered to all parts of your home first passes through an air filter which collects the airborne dust.

COMBINATION "OIL & GAS" RANGE

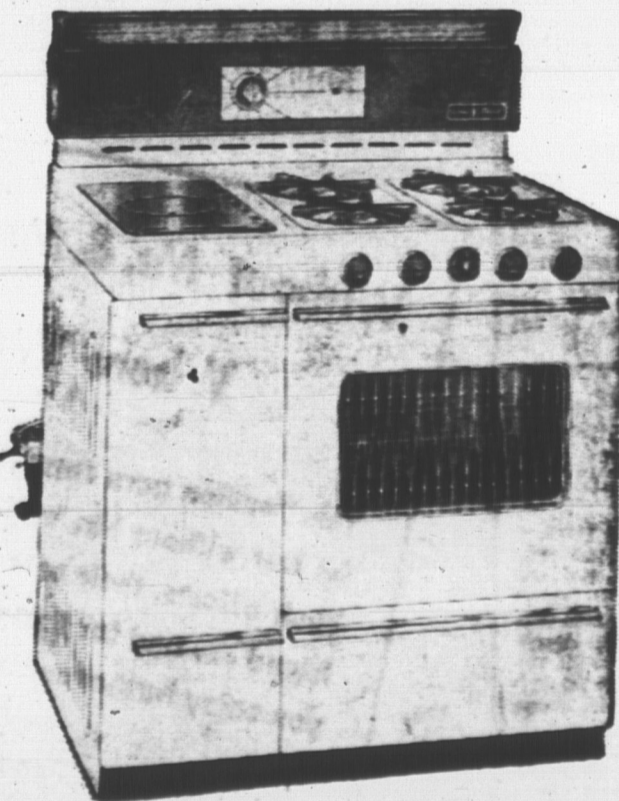

Clock controlled oven, turns ON and OFF automatically at the times set.

"Lifetime" guaranteed 21,000 BTU burner. Mottled dark blue porcelain oven interior. Non-tip chrome oven racks equipped with safety stops.

Perma-Vue non-log oven window and light. Drop-front 4-position broiler with mottled blue enamelled pan and grill.

Tempered glass backpanel, framed in chrome and color accented. Full length fluorescent lamp and switch. Convenient oven light switch.

Combination oven timer, electric clock and interval timer.

Whoever you live on P.E.I. there's a  dealer to serve you ..
