The Liverpool and London FIRE AND LIFE INSURANCE COMPANY.

THE Agent for the above first class English Fire Insurance Company begs to call the attention of the public to the advantages offered by this Company, in respect to the security to the assured, and promptness to pay losses, which, without disparaging other Companies, may be safely asserted to be superior to those afforded by any other Company in the Island. The Liverpool and London F. & L. Insurance Company has been in successful operation since 1836, with agencies all over the world, and has paid in losses about two millions and a quarter sterling. Its subscribed capital is £2,000,000 sterling, and its invested funds alone amount to £1,342,000 stg.; and the fire premiums for 1861 amount to £360,130 19s 9d: and in addition to this very large capital, the Company, having been established before the recent Limited Liability Act, the individual fortunes of each of the shareholders, comprising some of the wealthiest merchants in Liverpool and London, are liable for the losses, should the whole of the capital be swept away. In this respect it differs, it is believed, from any other Company established here.

And lastly, the Agent being appointed by Power of Attorney directly from England, is authorised to draw Bills the moment a loss occurs, and without referring to the Home Company, to the extent of one thousand pounds sterling.

With these superior advantages, the Company is not disposed (though it might be well justified) to ask a higher rate of premium than other English Companies, which do not present the same advantageous features, and the Agent has been advised that an uniform rate has been agreed upon by the Directors of this Company and the "Queen's," and that the Agents here should, in this respect, "act in concert."

Stoves! Stoves! Stoves!

New and Improved Style.

For Economy, Comfort and Cheapness, can't be beat.

JUST RECEIVED at ORWELL CHEAP STORE, a new Stock of the almost everlasting Yarmouth, N. S. STOVES — with Single and Double Ovens for Cooking. ALSO,

Large and Small Franklin & Box Stoves. For School-houses, Churches, &c.

They will be sold on favorable terms, if taken during this month, so as to make room for other Fall Supplies. In use, they will save over other Stoves one half in firewood, besides much valuable time, which is equal to money. They have given general satisfaction to all parties who have used them for the last five years, and who are ready to testify to their usefulness. The readiness with which they impart great heat, has been remarked by all who use them, and in old dwellings as well as new have been productive of great comfort, while they do not cost more than the old brick or stone chimneys, which take up so much room, and are now being generally thrown down. They are supplied with large metal Boilers, very useful for dyeing purposes, making soap, or preparing food for cattle, and can be kept constantly in use, at a very small cost for fuel, and without the least risk from fire. In short, the great advantages to be derived from these wonderful, celebrated, and unsurpassing STOVES can only be known from a trial of them; and farmers and others are now invited to come and select for themselves, before the cold winter sets in upon them.

The present Stock of STOVES have the new and Improved OVENS, that can be cleansed without risk of moving them. This is a decided advantage lately added; to be had at the ORWELL CHEAP STORE, cheaper than the cheapest Country Store on the Island, where the greatest variety of GOODS may be found, from a NEEDLE to an ANCHOR, both included.

HEALTH FOR THE INVALID

BY

HOLLOWAY'S PILLS!

Loss of Appetite—Loss of Strength —Loss of Health.

The marvellous effect of this fine medicine upon the system is such as to immediately rally all the vital functions, the appetite is soon restored, a full flow of spirits quickly follows, the body becomes immensely invigorated, with a certainty of restored health: fresh air and a little exercise are necessary to bring about a permanent state of things. Holloway's Pills imparts tone and energy to the most delicate constitutions, and in a manner as to astonish all who take them. By their extraordinary virtues they have obtained the largest sale of any medicine in the world.

Head, Heart, Lungs and Stomach.

Look to the regularity of the functions of these foundations of vitality. Holloway's Pills restore to order the slightest departure from the proper action, and, therefore, may be considered as the regulators of the mainspring of human life. Apoplexy can always be prevented if the proper action of the bowels be attended to, which this famous medicine never fails to accomplish. Disorders of the head and heart often terminate suddenly and fatally from obstructions in the system, which might generally be prevented by taking small and regular doses of this fine corrective.

Female Disorders.

No medicine can be so infallibly relied upon for overcoming all obstructions as these Pills; they never fail to restore a healthy action throughout the system. The printed instructions will enable all to correct the first symptoms of disease, and avert many serious maladies. Holloway's Pills soon change the sickly and sallow complexion, thus renewing the bloom of health. To females entering into womanhood, or at the turn of life, these Pills will be found invaluable. They should be taken two or three times a week, as a safeguard against dropsy, headaches, palpitations of the heart, and all nervous affections, so distressing at certain periods.

Sick Headache, Indigestion or Foul Stomach, and Disordered Liver.

In such a deranged state of health the food is decomposed instead of being digested, and proves poisonous rather than nutritious. This derangement can be at once set right by a course of these purifying and digestive Pills, which have acquired for themselves an imperishable fame for the mastery they have constantly exercised over the digestive organs. Holloway's Pills increase the appetite, regulate the liver, repress biliousness, healthily stimulate the kidneys, and move the bowels in a more wholesome and natural manner than any other medicine.

Disorders incidental to Children.

The liver and stomach of children are, from many causes, often out of order, as they are allowed to eat many things that would disagree with their parents, hence their blood becomes impure, and liable to take any disease that is prevalent, and that in the worst form. One Pill, reduced to a powder, and put in a little water, given occasionally to children of twelve months old, and to those of three or four years, three Pills, and to others of seven years of age, four Pills — will always make children look blooming and healthy. Seventy-five out of every hundred do not reach the age of maturity. Holloway's Pills would not only preserve their health, but save the lives of thousands. Many people foolishly think that children only require a little medicine twice a year.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Female Irregularities	Scrofula, or King's Evil
Asthma	Fevers of all kinds	Sore Throats
Bilious Complaints	Fits	Stone & Gravel
Blotches on the Skin	Gout	Second'ry Symptoms
Bowel Complaints	Head-ache	Tic-Douloureux
Colics	Indigestion	Tumours
Constipation of the Bowels	Inflammation	Ulcers
Consumption	Jaundice	Venereal Affections
Debility	Liver Compl'nts	Worms of all kinds
Dropsy	Lumbago	Weakness, from whatever cause &c., &c.
Dysentery	Piles	
Erysipelas	Rheumatism	
	Retention of Urine	

Sold at the Establishment of PROFESSOR HOLLOWAY, 244, Strand, (near Temple Bar,) London; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices: — 1s 1½d, 2s 9d, 4s 6d, 11s, 22s, and 33s each Box.

N. B.—There is a considerable saving by taking the larger sizes. Directions for the guidance of patients in every disorder are affixed to each Box, and can be had in any language, even in Chinese.

FIRE! FIRE! FIRE!

The London and Lancashire Fire Insurance Company

HAVE, by Power of Attorney, duly executed, appointed the subscriber their Agent for this Island.

The Company is established in England; has a capital of £1,000,000, sterling; and embraces in its directory, wealthy gentlemen. Its head offices are held in London and in Liverpool, and it has numerous Agencies throughout Great Britain and her extensive Colonies.

The subscriber is now prepared so accept RISKS against loss by FIRE upon every description of property, at the rates of premium formerly charged by him as the Agent of the "Alliance."

He cannot avoid congratulating the assured of the "Alliance" that since the withdrawal of its Agency, in 1860, they have not seriously suffered from loss or damage by fire. And he now notifies the assured that during the next twelve months he will make no charge for Policy upon insuring any Building that had been covered by the "Alliance" when the Agency was withdrawn.

The subscriber has much pleasure in being able to recommend this Company to the community as a substantial and first class office. He is authorised to settle claims with promptness and liberality. Queen Insurance Company OF LIVERPOOL. FIRE AND LIFE!

THE Subscriber, having been appointed agent for the above first class Insurance Company, is prepared to take risks on all descriptions of property.
J. S. CARVELL.
Charlottetown, Feb. 10. tf

[EXTRACTS FROM NEWSPAPERS.]

On reference to a return made to Parliament, and ordered by the House of Commons to be printed, 7th June, 1861, it will be seen that the increase of Duty for the year, paid by the "QUEEN," was £2567, being upwards of £1000 more than paid by any other office ever yet established in this City.

[From Gore's General Advertiser, Oct. 24, 1861.]

"Indeed, we believe that we are perfectly justified in saying that no other Company, within the same period, ever attained so large an income in either the Fire or Life Departments as the Queen Insurance Company. In making this statement, we make no exception even in favor of our older local companies, namely, the Liverpool and London, the Royal, and the Lancashire Insurance Companies."

[From the Civil Service Gazette, Nov. 2, 1861.]

"Among these important institutions stands eminent for its solidity, as well as for its success, 'the Queen Insurance Company,' which last week held its annual meeting of proprietors in Liverpool. A reference to the ample report in another page will fully satisfy every reader of the signal progress made by this association since its foundation. Such success is, indeed, rarely attained; and it attests at once the excellence of its management, and the public confidence in its constitution."

[From the Liverpool Mercury, Nov. 2, 1861.]

"It must be gratifying to the public generally, and especially to the proprietors, to find that its income during the past three years has increased at the rate of £20,000 per annum. We believe that no other Company, within the same short period, ever attained so large an increase either in the Fire or Life Department. This speaks highly for the activity and zeal of the management, while the promptness with which all the claims, arising out of the late disastrous fire in London were met, testifies to their financial ability and the care and prudence which marked the investment of these funds."

ONE POWDER drives out Worms. ONE POWDER cures Bots. ONE POWDER puts a Horse in condition. ONE POWDER makes a Horse shed his coat. ONE POWDER gives a soft and glossy appearance to the hair. ONE POWDER cures the Horn Distemper in Cattle.

The CARLTON'S CONDITION POWDERS, given according to directions, are the best thing in the world to STRENGTHEN a horse, and to restore him to health and vigor after severe exposure or hard driving.

These Powders cause a healthy action of the digestive organs, and purify the blood of animals, thereby equalizing the circulation of the blood and imparting vigor to the whole frame. This soon demonstrates itself by an improvement in the appearance of the coat, for it is a certain fact that no animal can be in perfect health if the coat be rough and unthrifty.

Carlton's Condition Powders

will be found a perfect TONIC AND RESTORER after attacks of any acute diseases, such as Influenza, Strangles, Inflammation of the Lungs, Nasal Gleet, etc.

EVERY ONE WHO OWNS STOCK OF ANY KIND should use this Medicine, it is ALWAYS BENEFICIAL, and is so HARMLESS that it can always be given without fear.

FARMERS WHO ARE FATTENING their stock should use these CONDITION POWDERS. They will keep all kinds of stock healthy and in good heart, and make them fatten much easier and quicker than they otherwise would.

DR. LA'MERT ON SELF-PRESERVATION.

PRICE WITH ENGRAVINGS AND CASES, 1s. 6d., BY POST, 3s. CURRENCY.

SELF-PRESERVATION: A popular Essay on Nervous and Physical Debility, resulting from injurious habits contracted in youth, or excesses in maturity, which, by prematurely exhausting the functions of manhood, destroy the happiness of Married Life, or prevent the fulfilment of engagements that constitute the most cherished objects of existence.

By Dr LA'MERT, 37 Bedford Square, London, Licentiate of the Royal College of Physicians of Edinburgh; Member of the Royal College of Surgeons, England, &c.

The above work contains most useful and interesting information on the physiological changes which occur in the Reproductive System during the periods of youth, puberty, and manhood; and on the due attainment of that degree of functional vigour upon which the hopes of posterity depend. It also points out how all the attributes of manhood can be preserved to an advanced period of life, how they are lost, and how they can be recovered. It is free from the gross exaggerations, alarming descriptions, and dangerous remedies so generally resorted to by persons, who, practising with false medical qualifications, inflict most serious injuries, and render judicious treatment frequently abortive.

The author is the only legally qualified practitioner whose name stands on the 'Medical Register,' (the sole test of medical qualification) who has been exclusively engaged for a series of years in the treatment of the various functional disorders of the nervous and reproductive system, which, owing to the great discoveries of modern science, are rendered subservient to a rational, simple and easy mode of treatment.

At home for consultation daily from ten till two, and from six till eight, either personally or by letter—37 Bedford Square, London, England.

Patients residing in the Colonies can be successfully treated by correspondence, and remedies can be forwarded in secresy and safety to any address.

IS THERE any VIRTUE in Mrs. S. A. ALLEN'S WORLD'S HAIR RESTORER AND ZYLOBALSAMUM?

Convincing Testimony.

REV. C. A. BUCKBEE, *Assistant Treasurer American Bible Union, N. Y. City,* writes: "I very cheerfully add my testimony to that of numerous friends to the great value of Mrs. S. A. Allen's World's Hair Restorer and Zylobalsamum."

REV. WM. CUTTER, N. Y. City: "My hair is changed to its natural color, and growing on bald spot."

REV. J. H. CORNELL, N. Y. City: "I procured it for a relative. The falling of the hair stopped, and restored it from being grey to its natural and beautiful color."

REV. J. WEST, Brooklyn, L. I.: "I will testify to their value in the most liberal sense. They have restored my hair where it was bald, and, where grey, to its original color."

REV. A. WEBSTER, Boston, Mass: "I have used them with great effect. I am now neither bald nor grey. My hair was dry and brittle; it is now soft as in youth."

REV. H. V. DEGEN, Boston, Mass: "That they promote the growth of the hair where baldness is, I have the evidence of my own eyes."

THE GREAT EXTERNAL AND INTERNAL REMEDY, STOPS THE MOST EXCRUCIATING PAIN IN A FEW MINUTES, AND RAPIDLY CURES THE PATIENT.

RADWAY'S READY RELIEF

Proves its superiority to all other Medicines at once. ITS FIRST INDICATION Is to relieve the sufferer of PAIN, no matter from what cause it may originate, or where it may be seated.

If in the Head, Face, or Throat
If in the Back, Spine, or Shoulder;
If in the Arms, Breast, or Side;
If in the Joints, Limbs, or Muscles;
If in the Nerves, Teeth, or Ears;

Or in any other part of the body, its application to the part or parts where the pain exists will afford immediate relief.

IF SEIZED WITH PAIN
In the Stomach, Bowels, or Kidneys;
In the Bladder, Spleen, or Liver;
In the Teeth, Ears, or Throat;
In the Brain or Nervous System;

One teaspoonful of RADWAY'S READY RELIEF to a wineglass of water will, in a few minutes, restore the patient to ease and comfort.

If Lame, Crippled, or Bed-ridden;
If Palsied, Scalded, or Burned;
If Bruised, Wounded, or Cut;

In all cases of Bites of Rabid Dogs, Reptiles, Stings of Poisonous Insects, the application of RADWAY'S READY RELIEF to the wound will prevent inflammation and mortification.

FEVER AND AGUE.

Persons exposed to the Malaria of Ague, or if seized with Chills and Fever, will find a positive Antidote and Cure in Radway's Ready Relief. Let two teaspoon-ful of the Ready Relief, in a wine-glass of water, be taken on getting out of bed in the morning, and however exposed to malaria you will escape.

WHEN SEIZED WITH
CHOLERA, or Diarrhœa, or Flux;
Dysentery, Cramps, and Spasms;
Bilious Cholic, or Gastritis;
Scarlet, Typhoid, or other Fevers;
Influenza, Coughs, or Colds;
Inflammation of the Stomach or Bowels;

RADWAY'S READY RELIEF

SHOULD BE TAKEN INTERNALLY.

One dose will stop the pain; its continued use will, in a few hours, cure the patient.

HOW IT CURES.

The secondary indication of RADWAY'S READY RELIEF is to cure the patient of the disease or malady that occasions the pain; this it accomplishes rapidly and radically. *So swift* is the patient transformed from pain, misery, weakness, and decrepitude, to the delightful enjoyment of health and strength, that patients frequently ascribe its talismanic power to the supernatural influence of enchantment.

RHEUMATISM, LUMBAGO, GOUT, NEURALGIA, TOOTH ACHE, CROUP, INFLUENZA, SORE THROAT, QUINZY, DIPTHERIA, HOARSENESS, BRONCHITIS, STIFF JOINTS, ENLARGED TENDONS, HEAD ACHE, (Sick or Nervous,) ASTHMA, or HARD BREATHING.

It is truly marvellous how quick RADWAY'S READY RELIEF cures the sufferers of these maladies. The poor, crippled, and pain-stricken Rheumatic has not to wait days before a change takes place, but in a few minutes derives ease and comfort.

CHRONIC RHEUMATISM CURED.

Twenty Years of Sleepless Nights.

Wm. Sydney Myers, Esq., of Havana, Cuba, the correspondent of the London Times, suffered with Acute and Chronic Rheumatism for twenty-five years, and for twenty years he had not enjoyed one whole night's calm rest. He applied RADWAY'S READY RELIEF—it immediately gave him ease and secured him the first calm and undisturbed sleep during the twenty years. The continued use of the READY RELIEF cured him.

PREVENTION BETTER THAN CURE.
THERE IS NO OCCASION FOR SICKNESS.

When you first feel pain, then take a teaspoonful of the READY RELIEF, in water; or apply it to the parts where you feel the discomfort.

ALL MALIGNANT DISEASES

first give warning of their presence, and if met promptly before they become securely intrenched within the system, will be readily expelled.

SIGNS OF SICKNESS.

Headache, Pains in the Limbs—in the Stomach, Bowels, and Kidneys—Cold Chills, and Hot Flushes, Coated Tongue, Burning Skin, Nausea, Shivering, Dullness, Loss of Appetite, Restlessness, Giddiness, &c., &c., are premonitory symptoms of Malignant Diseases. One dose of the READY RELIEF is sufficient to break up and expel diseased action, and restore the patient to health.

SOLDIERS.

Every soldier should carry with him a supply of Radway's Ready Relief. It supplies the place of all other medicines; and as a beverage, a teaspoonful of the Relief, to a wine-glass of water, is a nicer, pleasanter stimulant than brandy, whisky, or bitters.

SICKNESS PREVENTED IN THE 8TH MAINE REGT.

Eighth Maine regiment, Serg't J. P. Lord, writes that Radway's Ready Relief saved the regiment from death while quartered at Tybee Island, S. C., when working in the swamps, erecting fortifications. Every man seized with Typhoid and other Fevers, Fever and Ague, Diarrhœa, Dysentery, Rheumatism, was cured by the use of the Ready Relief.

CAUTION.

THE NEW FRENCH REMEDY.

By Royal Letters Patent, under the special sanction of Her Majesty's Government, and the Chiefs of the Faculte de France.

THERAPION:—or CURE OF CURES. This successful and highly popular medicament, as employed in the continental hospitals by Rostan, Jobert, Velpeau, and others, combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed. Devoid of *taste, odour*, and *appearance* of medicine, it can be left or carried anywhere, and taken from time to time without exciting suspicion. Each package contains full instructions for every case.

THERAPION, No. 1, in three days only removes gonorrhœa, gleet and all discharges, effectually superseding injections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases. In dysentery, piles, irritation of the lower bowel, cough, bronchitis, asthma and some of the more trying complaints of this kind, it will be found astonishingly efficacious, affording prompt relief, where other well-tried remedies have been powerless.

THERAPION, No. 2, for syphilis, disease of the bones, sore throat, threatened destruction of the nose and palate; impurity of blood, scurvy, pimples, spots, blotches, and all diseases for which it has been too much a fashion to employ mercury, sarsaparilla, &c., to the destruction of the sufferer's teeth; and ruin of health. Under this medicine every vestige of disease rapidly disappears; and the skin assumes the pleasing softness of infancy.

THERAPION, No. 3, for relaxation, spermatorrhœa, and all the distressing consequences arising from early abuse, excess, residence in hot, unhealthy climates, &c. It possesses surprising power in restoring strength and vigour to the debilitated. To those who are prevented entering the marriage state by the consequences of early error, it will render essential aid by subduing all disqualifications; and restoring the lost tone to the system. Therapion may be procured at 11s, and 33s per package, through all medicine vendors, or in £5 packages for foreign shipment, direct from London only, by which £1 12s. are saved; and £10 packages for the more inveterate cases, by which a still greater saving is effected. In ordering the above, the purchaser should state which of the three numbers he requires.

HER MAJESTY'S HON. COMMISSIONERS have graciously permitted the Government stamp, bearing the word "Therapion" in white letters, to be attached to each package; thus insuring the public against fraudulent imitations, and securing to the proprietor the sole right of supply throughout her dominions; and any infringement of which they will prosecute with the utmost severity.

AGENTS FOR ENGLAND, Thomas & Co., 7, Upper St. Martin's-lane, London; Raimes & Co., Liverpool; Apothecaries Comp., Glasgow; Ferris & Co., Bristol; Cornish & Co., Plymouth; Rowe, Devenport; Randall & Co., Southampton; and obtainable through all medicine vendors in the known world, or in case of difficulty, by enclosing a draft or order for £5 or £10, according to the nature of the case, payable in London to Messrs. Thomas & Co., as above, a large package will be sent by return mail, carefully secured from observation or accident.

PREMATURE DECAY OF THE SYSTEM, and its perfect restoration, whether arising from youthful imprudence or the excesses of adult life, infection, climate, &c. Observations on marriage, the prevention and removal of certain disqualifications. Rules and numerous prescriptions for self treatment. Sufferers who are prevented from matrimony by the consequences of imprudence should read this work, as pointing out the sure way to restoration of health. Sent post free in an envelope on receipt of 3s, by Mr. Lawes, Medical Publisher, 14, Hand Court, London.

The Cause and Cure of Premature Decline.

THE MEDICAL ADVISER on the modern treatment of mental and physical incapacity, syphilis, stricture, &c.; with unfailing rules and prescriptions for the speedy cure, by very simple means, of all the more common diseases and supposed incurable maladies of the sexual system. By Dr W DE ROOS, M. D., M. R. C. S., L. S. A., &c., *of the Ecole de Medicine, Paris, Graduate in Medicine, Surgery and Midwifery; Licentiate of the Royal Society of Apothecaries, &c.*

REVIEWS AND NOTICES.

"To be your own counsel or your own doctor, entails risks that have become proverbial to a degree that prevents much good resolution from taking any benefit or advantage when reasonably offered. Suspicion begets irresolution, and where there is no confidence good results seldom follow. Medical books are a field for the faculty alone, and the public act wisely in refraining from their study. 'Drink deep or taste not the Pierian spring,' is good advice where the uninformed mind, listening to its own apprehensions is oftener ready to imagine than use its cool judgment. There is one class of medical lore, however, that stands in a position somewhat exceptional to our remark, and which treats on disorders and irregularities in which morality is offended. For this reason the patient too often suffers in secret, or pursues in ignorance practices that daily bring him into a more hopeless condition for want of friendly advice. To such we recommend a perusal of the 'Med. Adviser' of Walter De Roos, M. D., of London, an established Physician, graduate and licentiate of all the regular institutions of London and Paris; and who has made nervous disorders and their baneful origin his particular study, and obtained such a practice in this branch of therapeutics as qualifies him to be a safe and competent adviser.—*County Chronicle, May 7th, 1861.*

"The MEDICAL ADVISER, by WALTER DE ROOS, M. D., for the class of diseases upon which it treats is undoubtedly the best and most soundly practical book which has come under our notice. The author is a man of most enlarged experience."—*Derby Telegraph, June 29th, 1861.*

To those who contemplate marriage its perusal is especially recommended.—The knowledge it imparts must come *some* time, and happy they who do not possess it too late.—Cure is certain in every curable case, and few indeed are they which are not so.—It is calculated to effect a complete revolution in the treatment of these complaints.—Simple and inexpensive, every sufferer may cure himself speedily, privately, and at the least possible cost.

From long practical observation of the treatment pursued in the most famous Institutions of this country and the continent, for those diseases referred to in the above work, the Proprietor has had somewhat unusual facilities for acquiring that uniform success which has hitherto characterized his practice, in which the distressing consequences resulting from the injurious employment of mercury, capivi, sarsaparilla, and similar dangerous medicines are entirely obviated. Lasting benefit in these cases can only be reasonably expected at the hands of those who devote their chief attention to such diseases; and to such only can confidence be safely extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness, whilst to all who need such aid he offers every assurance of speedy restoration.

FOREIGN RESIDENTS can be successfully treated by correspondence, on sending the detail of their cases, with a Bank note or Bill on a London house for £5 or £10, in order that a package of medicines to meet the exigencies of the case, may be sent out by next mail, thus avoiding the protracted suffering and unnecessary loss of valuable time, which must otherwise occur.

DR DE ROOS' GUTTÆ VITÆ OR LIFE DROPS; *Protected by Royal Letters Patent of England; Seals of the Faculty de France; Royal College of Prussia, &c.*, have in numberless instances proved their superiority over every other advertised remedy for Spermatorrhœa, languor, lassitude, depression of spirits, irritability, anger, excitement, needless fear, distaste and incapacity for society, study or business; indigestion, pains in the side, palpitation of the heart, giddiness, noises in the head, impotency, impediments to marriage, &c. This medicine strengthens the vitality of the whole system, gives energy to the muscles and nerves, thus speedily removes nervous complaints, renovates the impaired powers of life, and invigorates the most shattered constitution. For skin eruptions, sore throat, pains in the bones, and all those diseases in which mercury, sarsaparilla, &c. are too often employed in vain, to the serious detriment of health, its surprising efficacy has only to be tested to be appreciated.

As these complaints if neglected become chronic or incurable, sufferers will do well before they waste valuable time in seeking aid from instruments, and other absurdities professing to supersede medicines, to make fair trial of a remedy, which concocted on unerring scientific principles, cannot fail, and may be carried about the person, or left upon the toilet table, without exciting a suspicion of its nature. Price, 11s, and four times the quantity at 33s per bottle. The £5 packages containing twelve 11s quantities, by which a saving of £1 12s is effected, will be sent from 25, Bedford Place, only on receipt of the amount per draft on a London house or otherwise.

Extracts from letters which can be seen by any one. "I am happy to say that I am now quite well, thanks to you and your medicine of medicines."—*D. P. St. Asaph.* "I am happy to say that I shall not require more, thank God, and I hope He will reward you for what you have done for me."—*A. C., Hartlepool.* "If my tongue could speak, or my pen could write to express my gratitude to you I should feel happy, but neither tongue nor pen of mine can do so."—*H. A. Birmingham.* "Without you I should have been in my grave but now I am a happy man again."—*D. F. F., Inverness.* "I can never thank you sufficiently; had I never read of the Guttæ Vitæ, where or what I might have been now, I cannot tell."—*W. G., West Pelton.*

PAINS IN THE BACK, GRAVEL, LUMBAGO, GOUT, RHEUMATISM, DISEASE OF THE KIDNEYS, BLADDER, &c. DR DE ROOS' COMPOUND RENAL PILLS are a most safe and speedy Remedy for the above dangerous complaints. Discharges and Diseases of the Urinary Organs generally, which too frequently harass the sufferer over the best years of life, and end only in an agonizing death. They agree with the most delicate stomach, and in three days effect a cure when capivi, cubebs, &c., have utterly failed. 2s 9d., 4s. 6d., 11s., and 33s. per box. The superiority of these celebrated medicines over everything of the kind, is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above remedies the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

"I have taken your Pills and always derive great benefit from them."—*W. W. H., Queen's College, Cambridge.* "I have taken your Pills with the most happy result."—*B. H., Cork.* "Your Pills do me great good, I feel better this last twelve months than for years before."—*F. G., Wareham, Ashford.* "Your Pills did me more good than anything I have taken."—*M. J. Dursley.* "I have tried your Pills and derived the greatest benefit therefrom."—*V. G., Navy Hotel, St. Helier's.*

McConbrey, Esq., St. John's, Newfoundland; Thomas Walker & Sons, St. John, New Brunswick; Lymans & Co., Toronto, of whom also may be had "THE MEDICAL ADVISER," or should difficulty arise in procuring any of the above, enclose the amount by draft or otherwise, to 25 Bedford Place, Bloomsbury Square, London, W. C., and they will be sent securely packed per return.

CAUTION.—There being highly injurious imitations of the above, sufferers should guard against the recommendation of other medicines by dishonest vendors, who thus obtain a larger profit. TO PROTECT THE PUBLIC AGAINST FRAUD, HER MAJESTY'S HON. COMMISSIONERS *have directed that the words* "WALTER DE ROOS, LONDON," *be printed in white letters on the Stamp affixed to the above, to imitate which is felony.*
